Oedipus at Colonus

Hackett Publishing
"The majority of the
papers in this volume

were originally presented at an international conference held at the British Museum in July 2000, and reflect the current state of research on many aspects of the site. Subjects covered include the history of the necropolis at different periods, the value of archives and the history of conservation, tomb decoration, the use of specific areas of the necropolis, and certain types of material which are ubiquitous in excavations." "Not forgotten are the

important issues of site management and striking a balance between caring for the monuments and responding to the needs of the modern inhabitants of the area. This book also indicates the direction that research might take in the future."--BOOK JACKET.

Sophocles' Antigone

ReadHowYouWant.com

The most celebrated plays of ancient Athens—Sophocles's seven surviving works—in vivid and dynamic new translations. ANTIGONE, translated by award-

winning poet Robert Bagg, is one of seven plays Harper Perennial has published as beautifully designed, stand-alone editions. Powerfully portraying the clash between civic and familial duty—between morality and obedience—*Antigone* brings the Oedipus Cycle to a conclusion with the story of the tragic hero's eldest daughter Antigone, who courts her own death by defying the edict of Thebes's new ruler, her uncle Kreon, which forbids giving her dishonored brother a proper burial.

This is Sophocles, vibrant and alive, for a new generation.

The Tomb of Pharaoh's Chancellor Senneferi at Thebes (TT99) BRILL

Commissioned to mark the centenary of the Abbey Theatre in Dublin in 2004, *The Burial at Thebes* is Seamus Heaney's new verse translation of Sophocles' great tragedy, *Antigone* - whose eponymous heroine is one of the most sharply individualized and compelling figures in Western drama. Faithful to the 'local row' and to

the fierce specificity of the play's time and place, *The Burial at Thebes* honours the separate and irreconcilable claims of its opposed voices, as they enact the ancient but perennial conflict between family and state in a time of crisis, pitching the morality of private allegiance against that of public service. Above all, *The Burial at Thebes* honours the sovereign urgency and grandeur of the *Antigone*, in which language speaks truth to power, then and now. Looking at Antigone

It makes their books completely unreadable. How is this

book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About Antigone by Sophocles Antigone is a tragedy by Sophocles written in or before 441 BC. It is the third of the three Theban plays but was the first written, chronologically. The play expands on the Theban legend that predated it and picks up where Aeschylus' Seven Against Thebes ends. In the beginning of the play, two brothers leading opposite sides in Thebes' civil war

died fighting each other for the throne. Creon, the new ruler of Thebes, has decided that Eteocles will be honored and Polyneices will be in public shame. The rebel brother's body will not be sanctified by holy rites, and will lie unburied on the battlefield, prey for carrion animals like worms and vultures, the harshest punishment at the time. Antigone and Ismene are the sisters of the dead Polyneices and Eteocles. In the opening of the play, Antigone brings Ismene outside the

palace gates late at night for a secret meeting: Antigone wants to bury Polyneices' body, in defiance of Creon's edict. Ismene refuses to help her, fearing the death penalty, but she is unable to stop Antigone from going to bury her brother herself, causing Antigone to disown her out of anger.

Antigone Oxbow Books Limited

Essay from the year 2012 in the subject Literature - Medieval Literature, grade: A, Lindenwood University, language:

English, abstract: Many times, people seem different by the actions they take. It is easy to judge another person by the goals and visions this person has and pursues as well as his or her values, not paying attention to the underlying character. However, no matter how different these goals are, the personality of the two persons can still be much alike. Examples for this are Antigone and Creon in Sophocles' Antigone. Although similar in character, the visions and

values that they follow are so distinct from each other, that it makes it easy to take side for one of them. With her values and her loyalty to the individual, Antigone is the one who overall wins my side and sympathy over Creon.
Home Fire Altaire Productions & Publications Sophocles' play, first staged in the fifth century B.C., stands as a timely exploration of the conflict between those who affirm the individual's human rights and those who must protect the state's

security. During the War of the Seven Against Thebes, Antigone, the daughter of Oedipus, learns that her brothers have killed each other, having been forced onto opposing sides of the battle. When Creon, king of Thebes, grants burial of one but not the "treacherous" other, Antigone defies his order, believing it her duty to bury all of her close kin. Enraged, Creon condemns her to death, and his soldiers wall her up in a tomb. While Creon eventually agrees to

Antigone's release, it is too late: She takes her own life, initiating a tragic repetition of events in her family's history. In this outstanding new translation, commissioned by Ireland's renowned Abbey Theatre to commemorate its centenary, Seamus Heaney exposes the darkness and the humanity in Sophocles' masterpiece, and inks it with his own modern and masterly touch.

*The Burial At Thebes:
Sophocles' Antigone:
Translated By Seamus*

Heaney Faber & Faber
The ancient Greek tragedy about the exiled king's final days—and the power struggle between his two sons. The second book in the trilogy that begins with *Oedipus Rex* and concludes with *Antigone*, *Oedipus at Colonus* is the story of an aged and blinded *Oedipus* anticipating his death as foretold by an earlier prophecy. Accompanied by his daughters, *Antigone* and *Ismene*, he takes up residence in the village of *Colonus* near Athens—where the locals

fear his very presence will curse them. Nonetheless they allow him to stay, and *Ismene* informs him his sons are battling each other for the throne of *Thebes*. An oracle has pronounced that the location of their disgraced father's final resting place will determine which of them is to prevail. Unfortunately, an old enemy has his own plans for the burial, in this heart-wrenching play about two generations plagued by misfortune from the world's great ancient Greek tragedian.

Antigone and Creon

Open Road Media

Fascinating account of the life, career and tomb of Senneferi, Chancellor to Thutmose III (c. 1430 BC) as revealed by excavation and detailed analysis of the tomb contents and decoration

Antigone John Wiley & Sons

Sophocles' *Antigone* comes alive in this new translation that will be useful for both academic study and stage production. Diane Rayor's accurate yet accessible translation reflects the

play's inherent theatricality. She provides an analytical introduction and comprehensive notes, and the edition includes an essay by director Karen Libman. *Antigone* begins after Oedipus and Jocasta's sons have killed each other in a battle over the kingship. The new king, Kreon, decrees that the brother who attacked with a foreign army remain unburied and promises death to anyone who defies him. The play centers on Antigone's refusal to obey Kreon's law and Kreon's refusal to

allow her brother's burial. Each acts on principle colored by gender, personality, and family history. *Antigone* poses a conflict between passionate characters whose extreme stances leave no room for compromise. The highly charged struggle between the individual and the state has powerful implications for ethical and political situations today.

Oedipus at Colonus

GRIN Verlag

Written around 442 BC, *Antigone* is one of the

tragedies of the Sophocles's Oedipus Trilogy. Oedipus's family is trapped by fate and doomed for three generations. Creon, the new ruler of Thebes, has declared that Polyneices's body may not be buried because he was a traitor. Antigone, his sister, must choose whether to bury him and face the consequences or to let his body be eaten by savage dogs.

Seamus Heaney, the

great Irish poet, made a significant contribution to classical reception in modern poetry; though occasional essays have appeared in the past, this volume is the first to be wholly dedicated to this perspective on his work. Comprising literary criticism by scholars of both classical reception and contemporary literature in English, it includes contributions from critics who are also poets, as well as from theatre practitioners on their interpretations and productions of Heaney's

versions of Greek drama; well-known names are joined by early-career contributors, and friends and collaborators of Heaney sit alongside those who admired him from afar. The papers focus on two main areas: Heaney's fascination with Greek drama and myth - shown primarily in his two Sophoclean versions, but also in his engagement in other poems with Hesiod, with Aeschylus' Agamemnon, and with myths such as that of Antaeus - and his interest in Latin poetry, primarily

that of Virgil but also that of Horace; a version of an Horatian ode was famously the vehicle for Heaney's comment on the events of 11 September 2001 in 'Anything Can Happen' (District and Circle, 2006). Although a number of the contributions cover similar material, they do so from distinctively different angles: for example, Heaney's interest in Virgil is linked with the traditions of Irish poetry, his capacity as a translator, and his annotations in his own

text of a standard translation, as well as being investigated in its long development over his poetic career, while his Greek dramas are considered as verbal poetry, as comments on Irish politics, and as stage-plays with concomitant issues of production and interpretation. Heaney's posthumous translation of Virgil's Aeneid VI (2016) comes in for considerable attention, and this will be the first volume to study this major work from several angles.

Sophocles' Antigone is a touchstone in democratic, feminist and legal theory, and possibly the most commented upon play in the history of philosophy and political theory. Bonnie Honig's rereading of it therefore involves intervening in a host of literatures and unsettling many of their governing assumptions. Exploring the power of Antigone in a variety of political, cultural, and theoretical settings, Honig identifies

the 'Antigone-effect' - which moves those who enlist Antigone for their politics from activism into lamentation. She argues that Antigone's own lamentations can be seen not just as signs of dissidence but rather as markers of a rival world view with its own sovereignty and vitality. Honig argues that the play does not offer simply a model for resistance politics or 'equal dignity in death', but a more positive politics of counter-sovereignty and solidarity which

emphasizes equality in life.
Oedipus the King and Antigone OUP Oxford
 A collection of articles by distinguished scholars from a variety of disciplines (including philosophy, psychoanalysis, feminism, theatre, and the classics) providing a postmodern perspective on the ethical and political issues raised by the classical figure of Antigone, a woman who questions the role of the patriarchal state.

The Burial at Thebes Oxford University Press
 In this innovative

rendition of The Oresteia, the poet, translator, and essayist Anne Carson combines three different visions -- Aischylos' Agamemnon, Sophokles' Elektra, and Euripides' Orestes, giving birth to a wholly new experience of the classic Greek triumvirate of vengeance. Carson's accomplished rendering combines elements of contemporary vernacular with the traditional structures and rhetoric of Greek tragedy, opening up the plays to a modern audience. --from publisher description.

 'A beautifully bound, impressive collection with language as evocative as its illustrations.' Kirkus Reviews
The Antigone Poems, featuring poetry by Marie Slight and drawings by Terrence Tasker, was created in the 1970's, while the artists were living between Montreal and Toronto. A powerful retelling of the ancient Greek tale of defiance and justice, the book is starkly illustrated, and its poetry captures

the anguish and despair of the original tale in an unembellished modernized rendition. *The Antigone Poems* will be a print-only book, with a specialty paper (Spicer's Swiss White from the Australian-made Stevens Collection), Section-sewn binding, and jacket flaps.
The Theban Necropolis Createspace Independent Publishing Platform
 A powerful new collection by the bestselling translator of Beowulf. In the finland of perch, the fenland of alder, on air That is water, on carpets

of Bann stream, on hold In the everything flows and steady go of the world. -- from "Perch" Seamus Heaney's new collection travels widely in time and space, visiting the sites of the classical world and revisiting the poet's childhood: rural electrification and the light of ancient evenings are reconciled within the orbit of a single lifetime. This is a book about origins (not least, the origins of words) and oracles: the places where things start from, the ground of understanding -

- whether in Arcadia or Anahorish, the sanctuary at Epidaurus or the Bann valley in County Derry. Electric Light ranges from short takes to conversation poems. The pre-Socratic wisdom that everything flows is held in tension with the elegizing of friends and fellow poets. These gifts of recollection renew the poet's calling to assign things their proper names; once again Heaney can be heard extending his word hoard and roll call in this, his eleventh collection.

The Burial at Thebes

Farrar, Straus and Giroux Antigone is one of the most influential and thought-provoking of all Greek tragedies. Set in a newly victorious society, where possibilities seem boundless and mankind can overcome all boundaries except death, the action is focussed through the prism of Creon, a remarkable anti-hero - a politician who, in crisis, makes a reckless decision, whose pride (or insecurity) prevents him from backing down until it is too late, and who

thereby ends up losing everything. Not just the story of a girl who confronts the state, Antigone is an exploration of inherent human conflicts – between men and women, young and old, power and powerlessness, civil law and the 'unwritten laws' of nature. Lauded in Antiquity, it has influenced drama and philosophy throughout history into the modern age. With an introduction discussing the nature of the community for which Antigone was written, this

collection of essays by 12 leading academics from across the world draws together many of the themes explored in Antigone, from Sophocles' use of mythology, his contemporaries' reactions and later reception, to questions of religion and ritual, family life and incest, ecology and the environment. The essays are accompanied by David Stuttard's performer-friendly, accurate and easily accessible English translation. **Electric Light** Harper

Collins
 "Ingenious... Builds to one of the most memorable final scenes I've read in a novel this century." --The New York Times WINNER OF THE 2018 WOMEN'S PRIZE FOR FICTION FINALIST FOR THE 2019 INTERNATIONAL DUBLIN LITERARY AWARD LONGLISTED FOR THE MAN BOOKER PRIZE The suspenseful and heartbreaking story of an immigrant family driven to pit love against loyalty, with devastating consequences Isma is free. After years of

watching out for her younger siblings in the wake of their mother's death, she's accepted an invitation from a mentor in America that allows her to resume a dream long deferred. But she can't stop worrying about Aneeka, her beautiful, headstrong sister back in London, or their brother,

Parvaiz, who's disappeared in pursuit of his own dream, to prove himself to the dark legacy of the jihadist father he never knew. When he resurfaces half a globe away, Isma's worst fears are confirmed. Then Eamonn enters the sisters' lives. Son of a

powerful political figure, he has his own birthright to live up to--or defy. Is he to be a chance at love? The means of Parvaiz's salvation? Suddenly, two families' fates are inextricably, devastatingly entwined, in this searing novel that asks: What sacrifices will we make in the name of love?
