Phrase Book, Travel Pack Apa Publications (UK) Limited

Computational hydraulics and hydrologic modeling are rapidly developing fields with a wide range of applications in areas ranging from wastewater disposal and stormwater management to civil and environmental engineering. These fields are full of promise, but the abundance of literature that now exists contains many new terms that are not always defined. **Computational Hydraulics and Hydrology: An Illustrated Dictionary** defines more than 4,000 basic terms and phrases related to water conveyance with emphasis on computational hydraulics and hydrologic modeling. Compiled by Nicolas G. Adrien, a noted consulting engineer with three decades of experience, this dictionary includes detailed references to actual modeling studies, nearly 100 illustrations, 150 equations and formulas, and many notations. It also includes a chapter of application examples and another containing more than 6,000 related terms with a list of resources where interested readers can find additional definitions. Other dictionaries and glossaries related to these areas tend to be either dated or much narrower in scope. This dictionary offers broad, practice-based coverage of terms culled directly from the latest texts, references, and actual engineering reports. **Computational Hydraulics and Hydrology: An Illustrated Dictionary** stands alone in providing ready access to the vocabulary of these subjects.

A Manual of European Languages for Librarians London : Cassell

The Morrisises, well-known lexicographers, published a dictionary of the same title in 1977, a revision of a three-volume work published between 1962 and 1971. This new revision, which provides histories of interesting words and phrases in the English language, is similar in concept to several books by John Ciardi. Like Ciardi's works, the etymologies and phrase origins are presented in a readable style, making them a joy to browse.

Waterstone's Guide to Books CRC Press

Provides detailed definitions of 2,500 economy-related words and phrases

Slanguage Rough Guides

A collection of idiomatic phrases and sentences that occur frequently in American English.

Playing with Words London : New Providence, NJ : Bowker-Saur

Discover the fascinating stories behind the words and phrases we use every day. English is now the world's most popular second language, understood by over 700 million people across the globe. Its use is amazingly broad: not only is it the language of Chaucer and Shakespeare, but also of hip-hop, international business and the internet (over 80% of home pages are in English). So where exactly do English words come from? They come from everywhere. English is a vast, rambling conglomeration of words and phrases from a huge variety of times and places, and every word has its own intriguing history. **Balderdash & Piffle** is a guidebook an entertaining look at what falls out of the chaotic family tree of English words when you uproot it and give it a damn good shake. Shaking the tree is writer, humourist and word-sleuth Alex Games. If you've ever wondered who first used cuppa in print, what language gave us shampoo, when we started saying window, where minging comes from, what Shakespeare had to say about geeks and why berk is really, really rude, you'll find it all (and much more) inside. You'll also have the chance to do your own word-sleuthing, through the BBC Wordhunt appeal. Who knows if you have written evidence of a bouncy castle from before 1986, you could even re-write history

The Russian's World Penguin

The 5th edition of Langenkamp's Handbook of Oil Industry Terms & Phrases is the most comprehensive source of its kind. Greek Phrase Book Prentice Hall Direct

This classic English-Greek vocabulary of phrases, first published in the nineteenth century, is based on the writings of Thucydides, Xenophon, Demosthenes and Plato. It is arranged by topic as follows: the world and nature; space and time; the human body; human life: its various relations; mind; arts and sciences; speech and writing; philosophy; emotions, character; virtue and vice; religion; domestic life; commerce and agriculture; the state; law and justice; military matters; naval matters; miscellany, and proverbs. This is the companion volume to Meissner's Latin Phrase Book.

The Working Languages of the European Community Oxford University Press, USA

This easy-to-use phrasebook contains dialogues and a 1,000-word mini-dictionary packed with information. Combining a phrasebook, language course and travel guide, this gives you language skills and knowledge of the country you're visiting

The Dodecanese and the East Aegean Islands Library Assn Pub Limited

Berlitz Pocket Guide Crete is a concise, full-colour travel guide that combines lively text with vivid photography to highlight the very best that this sun-kissed island has to offer. The Where To Go chapter details all the key sights: start in bustling Iraklio and its must-see treasure-trove archeological museum then head to the ancient site of Knossos the see the reproductions in situ. Go for a seafood lunch in postcard-perfect Hania and end your stay with a trek down the stunning Samaria Gorge. To inspire you, the book offers a rundown of the Top 10 Attractions in the island, followed by an itinerary for a Perfect Tour of Crete. The What to Do chapter is a snapshot of ways to spend your spare time: the best places to shop for leather sandals or to listen to traditional Cretan music as well as the best beaches for watersports. You'll also be armed with background information, including a brief history of the island and an Eating Out chapter covering its wonderfully traditional cuisine. There are carefully chosen listings of the best hotels and restaurants, and an A-Z to equip you with all the practical information you will need.
