Concrete Invention  
Independently Published

“[A] smart and utterly diverting spy trade masterwork” from the acclaimed author of The

Tears of Autumn (NPR). When two people collide on their bikes on an empty road, the meeting can hardly be by chance—especially when one of the people in question is working for the shadowy American espionage organization known as HQ, and the other seems to be involved in a similarly secretive Chinese operation. But when sparks fly, the two fall into a dangerous romance with international implications. The young American spy was sent to

China simply to absorb what he could about the language and culture. But as his dalliance with the mysterious Mei blossoms into a full-blown affair, his bosses at HQ demand he use his connections to uncover the truth about a powerful CEO suspected to be a Chinese intelligence operative. Now he's caught in a game of cat-and-mouse with lethal consequences—not only for him, but also for the global balance of power. **Season of Ash** arsenal pulp press

Fed up with her disheartening life in New York City, Mia takes a gamble and embarks on an invigorating journey abroad to business school in Spain. When Mia Fuentes moves to Spain for graduate school, desperately trying to leave her past behind, the last thing she ever imagined was getting involved with Leo Durant, the hottest and most sought after guy on campus. Leo is sexy, confident, and has the ultimate bad boy reputation. Something

about him keeps pulling her in, when she knows she should be staying far away in the secluded world she has built for herself. Will she be able to overcome her fears and inner struggles that have brought her here? Or will Leo be able to teach her something about love and that not everything in life happens the way we expect? Contemporary, multicultural, and deeply moving, this is the story of a young woman's trials and tribulations of leaving everything behind and trying to create a new life

for herself in a foreign country. It is a relentless journey of self-exploration, healing, and maturity, with a lot of romance, wit and humor.

**The New Russia** Insights "Fitness, money, and wisdom--here are the tools. Over the last two years ... Tim Ferriss has collected the routines and tools of world-class performers around the globe. Now, the distilled notebook of tips and tricks that helped him double his income, flexibility, happiness, and more is available as Tools of

Titans"--Page 4 of cover. *The Postmodern Explained to Children* Thunder Bay Press *Entrepreneurial Selves* is an ethnography of neoliberalism. Bridging political economy and affect studies, Carla Freeman turns a spotlight on the entrepreneur, a figure saluted across the globe as the very embodiment of neoliberalism. Steeped in more than a decade of ethnography on the emergent entrepreneurial middle class of Barbados, she finds dramatic

reworkings of selfhood, intimacy, labor, and life amid the rumbling effects of political-economic restructuring. She shows us that the déjà vu of neoliberalism, the global hailing of entrepreneurial flexibility and its concomitant project of self-making, can only be grasped through the thickness of cultural specificity where its costs and pleasures are unevenly felt. Freeman theorizes postcolonial neoliberalism by reimagining the Caribbean cultural model

of 'reputation-respectability.' This remarkable book will allow readers to see how the material social practices formerly associated with resistance to capitalism (reputation) are being mobilized in ways that sustain neoliberal precepts and, in so doing, re-map class, race, and gender through a new emotional economy. Content Boom! Studios This Guide is primarily intended for applicants and holders of international registrations

of marks, as well as officials of the competent administrations of the Member States of the Madrid Union. It leads them through the various steps of the international registration procedure and explains the essential provisions of the Madrid Agreement, the Madrid Protocol and the Common Regulations. The Devil's City Simon and Schuster Bring a magical touch to your studies with this weekly planner inspired by the HARRY POTTER™ films. Following the

2019–2020 academic calendar (July–June), this planner shows one week per spread, offering students plenty of room to track and record homework reminders, test dates, study sessions, and more. Featuring vibrant graphics and imagery from the films throughout, this planner also includes a sheet of sticker tabs, a ribbon marker, an elastic enclosure, and a pocket for storing keepsakes and mementos.

This book, the outcome of

a conference organised in 2012 in Paris as a homage to Michèle Artigue, is based on the main component of this event. However, it offers more than a mere reflection of the conference in itself, as various well-known researchers from the field have been invited to summarize the main topics where the importance of Artigue's contribution is unquestionable. Her multiple interest areas, as a researcher involved in a wider community, give to this volume its unique

flavour of diversity. Michèle Artigue (ICMI 2013 Felix Klein Award, CIAEM 2015 Luis Santaló Award) is without doubt one of the most influential researchers nowadays in the field of didactics of mathematics. This influence rests both on the quality of her research and on her constant contribution, since the early 1970s, to the development of the teaching and learning of mathematics. Observing her exemplary professional history, one can witness the

emergence, the development, and the main issues of didactics of mathematics as a specific research field.

Guía práctica de pragmática del español es un texto introductorio en español. Ofrece introducciones accesibles a una importante variedad de teorías y conceptos imprescindibles en el campo de la pragmática del español. El libro contiene 22 capítulos divididos en seis secciones que cubren: actos de habla, formas de tratamiento, cortesía y descortesía, comunicación y persuasión, discurso digital, metodología en pragmática. Los diferentes capítulos

incluyen ejemplos tomados de la comunicación cara a cara y en línea, lecturas (recomendadas y complementarias), y preguntas y actividades que toman como punto de partida diferentes variedades del español y diferentes contextos sociales, culturales y/o políticos en el mundo hispanohablante. Constituye un recurso valioso para estudiantes de pragmática y lingüística hispánica, tanto hablantes nativos como estudiantes de

español avanzado. The Garden of Forking Paths Monsa Publications  
Sales promotions are a fact of life for the majority of retailers, suppliers, and FMGC stakeholders commanding up to 75 percent of total marketing budgets. From straightforward discounts on products to more complex omni-channel consumer competitions and contests, sales promotions play a vital role as both strategic and tactical marketing tools. Those responsible for sales promotions must

deliver real results in cut-throat competitive trading environments. However, with limited understanding of the options, principles, and practices that underpin effective sales promotion planning, managers often rely on past experience or preferences to guide their decision making. Not surprisingly, many sales promotions fail to achieve their potential. Sales Promotion Decision Making serves as a vital resource for practitioners. Distilled from over 700 articles and cases, it

presents the findings of comprehensive global research which explores the DNA of sales promotions, including their role, nature, and function, the critical decision-making processes, and campaign evaluation. This is supported with case studies of sales promotion planning in practice based on research conducted in FMCG and retail organizations. The book offers the reader a deeper, more comprehensive and critical expert

appreciation of the core concepts that define sales promotions. This will empower decision makers, consultants, and stakeholders to make more confident, informed, and effective campaign decisions.

Grove/Atlantic, Inc.  
Concrete Invention is focused on the development of geometric abstraction in Latin America (Montevideo, Buenos Aires, São Paulo, Rio de Janeiro and Caracas) throughout the decades of the thirties

and seventies in the twentieth century. It includes theoretical essays about the movement, personal reflections by contemporary artists, and a visual section featuring specific themes (geometry, illusion, dialogue, vibration, universalism). It ends with a questionnaire given to well-known theorists about the continuity, value and influence of geometric abstraction in the present. Resembling an artist's book, it includes a fold-out piece

by artist José León Cerrillo, which forms a play on words with the publication's title. *Harry Potter: Weekly Planner Notepad* NYU Press  
In this national bestseller that "USA Today" called "compelling, instructive, and funny," Carville and Begala deliver a spirited guide to fighting and winning every day--in business and in life. *Guide to the International Registration of Marks under the Madrid Agreement and the Madrid Protocol* Discover

Riding your bike for the first time with no training wheels is exciting, but also a little scary. This monkey and his Big Red Bike are going to go on the first adventure with no training wheels and then many other adventures in the first day of riding, including riding faster than a race car, stopping at the park to feed the ducks, riding over a giant hill, and waving to his neighbor Bill. Come take an adventure with him as he has fun on his Big Red

Bike and in his own imagination! This book also includes a FREE Download of an entire instrumental album called, The Peaceful Piano, which is enjoyed by children all over the world during reading times and sleeping times. When you buy the book, it will include information on how and where to download.

Wyoming Bold Macmillan "An anthology of twenty-six short stories exploring the future of climate change and its effects on life on Earth includes

contributions from Margaret Atwood, Paolo Bacigalupi, and Kim Stanley Robinson." --

**Second Person Singular** Simon and Schuster

All Sally wanted was to return to school and continue where she left off. Nobody told her that every single year she would have to "break in" a whole new set of teachers! How can she progress her education when every year is a new starting point?! Sally won't take it, and given her conviction, she may

just convince the gang that this fresh beginning needs an old start.

Show your Gryffindor house pride by recording your magical adventures in this Harry Potter: Gryffindor Ruled Notebook. This finely crafted notebook—one of six Harry Potter notebooks—is designed to display the gorgeous concept art created for the Harry Potter films, featuring fan-favorite locations such as

Hogwarts School of Witchcraft and Wizardry. Fans can choose among the six notebooks—Gryffindor, Slytherin, Hufflepuff, Ravenclaw, Hogwarts, and the Deathly Hallows—or collect them all. This new addition to Insight Editions' best-selling Harry Potter stationery line adapts the design of our deluxe hardcover ruled journal in a new softcover format. Featuring a flexible leatherette cover and 128 lined, acid-free pages of high-quality, heavy stock

paper, the Harry Potter: Gryffindor Ruled Notebook takes both pen and pencil nicely to encourage inspiration, inviting fans to record their thoughts and chronicle their adventures. S, M, L, XL Grove Press The 10th Anniversary Edition of 'The Divine Code', now in a beautiful 2-volume set, is groundbreaking in its scope. From history to prophecy, from apologetics to politics, numbers are everywhere but not clearly understood. Steve Cioccolanti has expanded

this study of the meaning of numbers to include Donald Trump, Jared Kushner, Benjamin Netanyahu, Kim Clement, Osama bin Laden, the Third Temple, the 7 Noahide Laws, World War III, and much more. That is why it is 'A Prophetic Encyclopedia of Numbers.' 'The Divine Code' is a carefully researched exploration into the meaning of numbers, codes, cycles and patterns found in Scripture, nature, history, and prophecy. It demystifies familiar

numbers like 7, 13, 666 and illuminates lesser known ones like 17, 58 and 708. Years of research and revelation have crafted this spiritual magnum opus that you will find an easy read and a joy to keep. Thought-provoking and highly practical, 'The Divine Code' is brimming with lively topics such as God, angels, demons, healing, dreams, different personalities, and end time prophecy. As you read it, you will fall in love with the Creator of Numbers. Let the Spirit of

the Lord show you how to apply numbers to find meaning in life, fulfill your purpose, and prepare for eternity. Pick a chapter and you will find a surprising nugget of truth. As one reviewer raved, "This is the Bible of Numbers." Volume I contains the number range 1 to 25. Volume II contains the number range 26 to 1000. "The Divine Code...is an excellent reference book that is extremely informative, inspirational and practical in every way...This excellent book

has reconciled the extremes in doctrines and practices we see all around us, and brings forth the proper balanced Biblical perspective." -- PASTOR DENNIS BALCOMBE, Founder of Revival Chinese Ministries International, Missionary to Hong Kong since 1969 "Bible Numerics is a subject that will never be exhausted. The Divine Code by Steve Cioccolanti certainly adds to this amazing and fascinating subject." --KEVIN CONNER, Internationally-Recognized Theologian

and Author "There is NO OTHER BOOK like 'The Divine Code'...Pastor Cioccolanti is the first pastor I know to highlight God's glory in the Bible through numbers in an

entertaining way. I don't think Christians appreciate the importance of numbers. They are afraid that they may be dabbling in Kabbalah or

the occult, so this book is ground-breaking in educating people that God created numbers to glorify Him."--LORILYN ROBERTS, Award-Winning Christian Author
