Report of the Work of the Public Archives Let's Go Publications

This new title from Bradt is the only English-language guide to focus on this part of the Pays de Loire: The Vendée and surrounding area including Pornic, La Rochelle, Île de Ré and Nantes, an increasingly popular part of France. Written by award-winning travel writer Murray Stewart and Angela Bird, who for almost 50 years has owned a home in the region, it offers comprehensive coverage of this beguiling area, with details on everything from family holidays to walks, cycling, local cuisine and history. Thanks to the author's long history with the area, the guide also reveals the quirks and themes which give the Vendée its own distinct character, as well as straying just beyond the area's boundaries to incorporate La Rochelle and Nantes, both entry points for those arriving by air and both offering urban distractions for the occasional rainy day. The Vendée offers all the benefits of a well-established destination, both with French and British visitors, with easy access times from the UK by ferry adding to its appeal. Popular with campers and self-caterers, its sunny climate and 140km of sandy beaches, combined with tree-lined canals and open marshland, make for a diverse outdoor playground. Bradt's The Vendée and surrounding area includes information on suggested walks and cycleways, and also summarizes the best places for bird-watching. The region has no true cities, or even large towns, but the guide includes details of the many local museums which provide easily accessible insight into the bloody history of an area which has, at times, been central to the evolution of modern-day France.

This tour book of France's Brittany captures the charm and treasures of its rural lifestyle

Pierre Deux's Paris Country New York : Dodd, Mead

Now in its fourteenth edition, The Rough Guide to France is brimming with carefully curated information and inspiration to help you squeeze every last drop out of your Gallic gallivanting. Whether it's making like a movie star in Cannes, following in Jeanne d'Arc's footsteps in medieval Rouen, cycling the Loire châteaux, brushing up on Impressionism or hitting Corsica's rugged GR20 hiking trail, Rough Guides' expert insights and gorgeous photos give you everything you need to embark on your Francophile dream. And with France being the world's gastronomic capital, we've got the lowdown on all the foodie fun, from Parisian neo-bistros and Lyon bouchons to champagne-quaffing in Épernay and Périgord's hearty country cooking. Full-colour maps throughout - at regional and city level - ensure you won't lose your way, however dazzled you are by France's riches. There are also suggested itineraries to help with planning, plus in-depth sections of illuminating historical context and cultural background. Make the most of your holiday with The Rough Guide to France. *Annual Report of the Mississippi Department of Archives and History* Bradt Travel Guides

Once again, Let's Go's young and budget-savvy researchers have eft no stone unturned to bring you the real deal on Western Europe's most romantic destination. Completely revised and updated for 2006, Let's Go France delivers all you need to know about the chic streets of urban centers, European hiking meccas, and the sets of history from medieval chateaux to D-Day Beaches. So whether you'd rather find the best stained glass in Paris or relax on the untouched beaches of Ile de Re and Ile d'Aix, Let's Go can show you the way to what's fun, what's fresh, and what's free.

Belle-Virginie Rough Guides UK

From the bestselling author of A Year in the Merde, the next instalment in the hilarious adventures of Paul West. 'Edgier than Bryson, hits harder than Mayle' The Times A year after arriving in France, Englishman Paul West is still struggling with some fundamental questions: What is the best way to scare a gendarme? Why are there no health warnings on French nudist beaches? And is it really polite to sleep with your boss's mistress? Paul opens his English tea room, and mutates (temporarily) into a Parisian waiter; samples the pleasures of typically French hotel-room afternoons; and, on a return visit to the UK, sees the full horror of a British office party through Parisian eyes. Meanwhile, he continues his search for the perfect French mademoiselle. But will Paul find l'amour éternel, or will it all end in merde? MERDE ACTUALLY In his second comedy of errors, Paul West continues to sabotage the entente cordiale. Author's apology: 'I'd just like to say sorry to all the suppository fans out there, because in this book there are no suppositories. There are, however, lots of courgettes, and I see this as progress. Suppositories to courgettes - I think it proves that I'm developing as a writer.' Stephen Clarke

The Disappearance of Emily Marr Cambridge University Press

A little over ten years ago, Janine Marsh and her husband Mark gave up their city jobs in London to chase the good life in the countryside of northern France. Having overcome the obstacles of starting to renovate her dream home - an ancient, dilapidated barn - and fitting in with the peculiarities of her new neighbours, Janine is now the go-to expat in the area for those seeking to get to grips with a very different way of life. In the Seven Valleys, each season brings new challenges as well as new delights. Freezing weather in February threaten the lives of some of the four-legged locals; snow in March results in a broken arm, which in turn leads to an etiquette lesson at the local hospital; and a dramatic hailstorm in July destroys cars and houses, ultimately bringing the villagers closer together. With warmth and humour, Janine showcases a uniquely French outlook as two eternally ambitious expats drag a neglected farmhouse to life and stumble across the hidden gems of this very special

part of the world _____ Praise for Janine Marsh's My Good Life in France: 'Warm, uplifting, and effervescent ... Janine's voice and humor bubble right off the page, making you want to pack your bags and visit her fixer-upper home in rural France' - Samantha Verant, author of Seven Letters from Paris 'If you've ever dreamed of discovering "the real France", you won't want to miss this delightful book' - Keith Van Sickle, author of One Sip at a Time: Learning to Live in Provence *The Commonwealth War Graves of the Île de Ré* Hachette UK

1614, Ile de Ré. Everything separates Clément Baron, a poor catholic, and Nicolas Martiau, an upper middle class protestant. Everything except one goal, leave to seek fortune, far from their native island. They became friends on the boat that took them to England. There, Nicolas became the right hand man of a count, while the adulterous love affairs of Clément brought him near execution. He is saved by Nicolas, who must return to the Ile de Ré, because of the death of his father. Henceforth, nothing holds him in France, he returns to London and takes Clément with him to America. They soon land in Virginia... Nicolas Martiau was a distant ancestor of George Washington, whose statue now stands in the garden of the Saint-Martin-de-Ré museum, offered by American doners. Robert Béné, retired merchant marine, produces an interesting novel, of great scope and imagination which joins true facts, sympathetic heroes, violence, acts of bravery and romance.

A Plea for a Scottish Oyster-farm, and for Oyster Culture in General. With Some Account of what Has Been Accomplished in France, and at Whitstable and Other Places in England. (Proof.) Random House Australia

A gripping, twisty story of adultery and scandal from the bestselling author of Our House. 'Tense, twisty and completely addictive' Good Housekeeping 'A nail-biter until the very last pages' Daily Express Some secrets are too dangerous to share . . . When Emily Marr begins an affair with her married neighbour, the celebrated surgeon Arthur Woodhall, she has no idea of the tragedy and scandal their actions will cause. With shattering speed, she becomes the object of a media witchhunt, her only choice to change her identity and vanish. Soon after, Tabby Dewhurst arrives on the Ile de Ré in France, estranged from her family and unable to afford even a room for the night. By chance, she meets Emmie Mason, whose offer of friendship is at odds with her obsession with privacy. As Tabby sinks deeper into Emmie's strange, hidden world, she begins to form suspicions - suspicions that will lead her back to England and to a revelation so shocking she must question everything she knows. Praise for Louise Candlish: 'Twists the knife right up to the very final page' Ruth Ware 'Addictive, twisty and oh so terrifyingly possible' Clare Mackintosh 'Terrifically twisty . . . hooks from the first page' Sunday Times 'Louise Candlish is a great writer; she inhaled me into her nightmarish world where everything we think we know is ripped from under our feet' Fiona Barton 'Keeps you guessing to the end - and beyond' Stylist 'Candlish's writing draws you in immediately' Heat 'A master of her craft' Rosamund Lupton 'A well-crafted story of scandal, identity and infidelity' Sunday Mirror 'Not afraid to tackle darker issues . . . moving and thought-provoking' Daily Mail **Sailing directions for the Bay of Biscay, including the coasts of France and Spain from Ushant to Cape Finisterre** PC Editions

The Rough Guide to France Michael O'Mara Books

This book is a 2005 edition of Mack P. Holt's classic study of the French religious wars of the sixteenth and seventeenth centuries. Drawing on the scholarship of social and cultural historians of the Reformation, it shows how religion infused both politics and the socio-economic tensions of the period to produce a long extended civil war. Professor Holt integrates court politics and the political theory of the elites with the religious experiences of the popular classes, offering a fresh perspective on the wars and on why the French were willing to kill their neighbors in the name of religion. The book has been created specifically for undergraduates and general readers with no background knowledge of either French history or the Reformation. This edition updates the text in the light of new work published in the decade prior to publication and the 'Suggestions for further reading' has been completely re-written.
