Lowdown: Top Tips for Wannabe CEOs Accent Press

Every woman has a story. But not every woman will tell it. Memoirs of a Wannabe Sex Addict is a brutally honest and fearless retelling of one girl's sex-capades. Each short story is a vignette taken from her life - the ups, the downs, and everything in between. In a search for belonging and purpose, she explores men and women, submission and dominance, prostitution and commitment. But what will she find? As "The Slave" she learns that she is afraid to love or be loved. As "The Addict" she finds power in impressing her pimp by having sex for money. As "The Foreigner," she discovers that fantasies are best sought after on the other side of the world. And one-by-one, each experience forces this girl to grow up. Julia Morizawa exposes an arousing

world of sex intertwined with the vulnerable and complex emotions that often come with it. This is a must-read for any woman who has searched for herself by using, and abusing, her body. And for anyone who has emerged from the other side, having found so much more. . . . When he said that, I couldn't help but turn onto my side and face him. I couldn't help but feel a sudden rush of passion flow through my body. He turned toward me as well and wrapped his arm around my waist. He slowly rubbed his warm hand up and down my back, first over my shirt, then under it. When he kissed me, it was as if all the warmth in his body had been passed over into mine. I wrapped my palm around the back of his neck to pull him in closer, to kiss him harder. His tongue felt like warm silk in my mouth. When he moved it around and under mine, it was done perfectly, as if we had choreographed the movements ahead of time. He caressed my stomach with his hand, making my muscles tense up . . .

**Wannabe Hoochie Mama Gallery of Realities' Red Dress****Code** Coffeetown Press

She may be tough, beautiful, and practically perfect in every way, but saving the world is only easy when you're Wonder Woman. Being a mom, on the other hand? Now, that takes some serious superpowers. A lasso of truth, bulletproof wristbands, and an invisible airplane. Throw in a golden tiara, great hair, and abs made of steel and you've got a gal theoretically capable of saving the planet (and looking fabulous in the process, too, I might add). But moms aren't looking to save the world. Nope. They'd settle for well-behaved kids, a clean home, an occasional nap or two, and maybe an uninterrupted trip to the bathroom every once in a while. They'd trade in the need for perfection--the desire for acceptance--and willingly cast aside those unrealistic expectations they've placed upon themselves in their roles as mothers. Confessions of a Wonder Woman Wannabe provides the modern-day mommy with sanity-saving tips, advice, and hilarious real-life accounts that every supermom can most certainly relate to, benefit from, and appreciate. After all, the reader may not have been born with superhuman strength, but with God on her side, Jesus in her heart, and the Holy Spirit in her corner, she's more than equipped to handle the daily battles that rage before her. ""So hold on tight, girls, as we prepare to tackle this role of motherhood together: the good, the bad, (the slightly ugly), and everything in between."

Boy Zero Wannabe Hero: The Curse of the Catastrophic Cupcakes

Kim Karr

"A hilarious book for animal lovers and risk takers everywhere! Brian McCann introduces us to Wannabe Farms, and we never

want to leave." - Amy Poehler From acclaimed comedy writer Brian McCann comes Wannabe Farms, the insanely funny, rhyming collection of stories that asks the question: What do farmyard animals really want to do with their lives? Now in paperback! Welcome to Wannabe Farms, a farmyard where the animals like to wonder and dream, plot and scheme, and definitely not act how they're supposed to. In rhyming verse, Brian McCann (writer for Conan O'Brien) shows us what happens when cows want to drive, pigs dream of being sophisticates, and sheep take their hairstyles into their own hands (well, hooves). Together, what emerges is a delightful, hysterical romp through the farmyard, as animals discover the place where dreams meet their limits, and the power of adjusted expectations. With hilarious two-color illustrations on every spread, this collection of stories brings Shel Silverstein and Old MacDonald together in a way readers young and old have never seen before!

Wannabe Three Rivers Press (CA)

The Spice Girls became the most famous pop trademark of the 1990s, and for a while they were the biggest-selling act on planet pop. This is the first book to examine the life and times of the Spice Girls in a way that puts the group and its music into a broader social and historical context.

Someday My Prince Will Come iUniverse

Madison expects the time of her life on her two-week trip to New York and Europe. Confusing subways, jet lag, strange food, and rude people turn the trip into something unexpected.

The Wannabe Cowboy Irving Park Publishers

You were born at Queen's Hospital in Romford, on February 25th, 1990.'Congratulations! It's an Essex girl!' announced the midwife,

scooping up the false eyelashes and bottle of fake tan that had popped out with the afterbirth. Your mum and dad had only been together for a matter of months, but they were delighted to have you. Your mum was Miss Chingford 1988, and you inherited her blue-grey eyes and wavy golden hair. Your dad - Tommy 'Dodger' Sullivan - was a used-car dealer, and you got his sense of honesty and fair play. They called you Champayne, after their favourite drink, spelt the English way. Right from the start, Mum made sure you made the best of yourself. Sometimes, it was hard - you weren't allowed to play in the sandpit because you might break a nail, and it was almost impossible climbing trees in high-heeled wedges - but you knew she had your best interests at heart. 'You're going to make something of yourself, Champayne,' she'd tell you at bedtime, as she read to you from the Argos catalogue. 'You've got beauty and lack of brains - the full package.' So begins your glittery, glam and G-stringtastic life as Champagne Sullivan. What happens next in her story? You decide. The twists and turns of her rise to fame all depend on the choices you make. Should you sleep with Crispin, dump Dean, have Reece's baby or date Kyle? Is a sex tape a good idea, or should you just take your clothes off? OMG, so many decisions to make!

**Wannabe U** Alex Mensaert

"Criticism is our censorship . . ." So begins one of the greatest invectives against criticism ever written by an artist. Paul Gauguin wrote "Racontars de rapin" only months before he died in 1903, but the essay remained unpublished until 1951. Through discussions of numerous artists, both his contemporaries and predecessors, Gauguin unpacks what he viewed as the mistakes

and misjudgments behind much of art criticism, revealing not only how wrong critics' interpretations have been, but also what it would mean to approach art properly—to really look. Long out of print, this new translation by Donatien Grau includes an introduction that situates the essay within Gauguin's written oeuvre, as well as explanatory notes. This text sheds light on Gauguin's conception of art—widely considered a predecessor to Duchamp—and engages with many issues still relevant today: history, novelty, criticism, and the market. His voice feels as fresh, lively, sharp in English now as it did in French over one hundred years ago. Through Gauguin's final piece of writing, we see the artist in the full throes of passion—for his work, for his art, for the art of others, and against anyone who would stand in his way. As the inaugural publication in David Zwirner Books's new ekphrasis reader series, *Ramblings of a Wannabe Painter* sets a perfect tone for the books to come. Poised between writing, art, and criticism, Gauguin brings together many different worlds, all of which should have a seat at the table during any meaningful discussion of art. With the express hope of encouraging open exchange between the world of writing and that of the visual arts, David Zwirner Books is proud to present this new edition of a lost masterpiece.

*A Wannabe Teacher's Guide* Faber & Faber

This career-spanning volume by Thylis Moss, one of America's most revered literary innovators, conveys the dazzling spectrum of her hypnotic poetic output, written over the past thirty-five years and including selections from each previous book as well as previously unpublished new poems. A poet whose innovations have influenced generations of writers, Thylis Moss is a sort of

taxonomist-preacher, whose profound meditation on American culture underlies and propels the dazzling lyrical and impassioned passages she writes in outraged response. This new volume gathers together substantial selections from her previous books and follows them with more than fifty pages of daring new work. Whether in early poems or more recent output, Moss make no promises of smooth sailing: even when they begin with beloved cultural icons (Robert Frost, Dr. Who, the Statue of Liberty), her poems spiral outward, insisting on new perspectives, truths, and realities—particularly of African American experience. For more than three decades, Moss has been a fearless re-inventor of poetry’s possibilities. Her *New & Selected* is a momentous publication by “a visionary storyteller, a major figure in contemporary American poetry” (Charles Simic).

BESTSELLER - BASIS FOR THE POPULAR MOVE "MEAN GIRLS".

*Publish Your First Magazine (Second Edition): A Practical Guide for Wannabe Publishers* University of Chicago Press

On college campuses and in high school halls, being white means being boring. Since whiteness is the mainstream, white kids lack a cultural identity that’s exotic or worth flaunting. To remedy this, countless white youths across the country are now joining more outré subcultures like the Black- and Puerto Rican-dominated hip-hop scene, the glamorously morose goth community, or an evangelical Christian organization whose members reject campus partying. Amy C. Wilkins’s intimate ethnography of these three subcultures reveals a complex tug-of-war between the demands of race, class, and gender in which transgressing in one realm often means conforming to expectations in another. Subcultures

help young people, especially women, navigate these connecting territories by offering them different sexual strategies: wannabes cross racial lines, goths break taboos by becoming involved with multiple partners, and Christians forego romance to develop their bond with God. Avoiding sanctimonious hysteria over youth gone astray, Wilkins meets these kids on their own terms, and the result is a perceptive and provocative portrait of the structure of young lives.

*Wannabe Heir* Citadel Press

Sunday, September 5: Afternoon, my crib Spirit Level: Cheered Out OK, so this was supposed to be the first day of my new, totally fantastic life as a Port Angeles School Titan Cheerleader. BUT instead, it’s the day that I, Madison Jane Hays, got rejected from the Titans and forced to join the dreaded, B-Squad Grizzly Bears. That’s right. My name was sandwiched in between Jared “Jazzhands” Handler and “Toxic” Tabitha Sue Stevens. Oh, and the girl who can’t even speak English, Katarina Tarasov. Yup, we’re one big hairy family. I went from being a god-like Titan to a lowly Grizzly in like, five seconds. My life. Is Seriously. O-V-E-R. I mean, who cheers at chess matches??!! I’m never going to make it to Nationals with a team like this. All I’ve ever wanted to do in life is cheer for the Titans. My mom (the most gorgeous, youngest ex-Titan cheerleader of ALL TIME, BTW) must be so disappointed! How she ended up with such a spastic daughter, I’ll never know. What I DO know? If I don’t whip this team into shape fast, I’ll literally DIE from embarrassment. Thank goodness I have my BFFs Lanie and Evan to keep me sane—otherwise, I might SERIOUSLY lose it. When Maddy’s triple flip becomes a major FLOP during tryouts, the whole gym echoes with the snickers

from the Titan cheerleading triumvirate: Katie Parker, Clementine Prescott, and Hilary Cho. Forced to join the challenged B-Squad Grizzlies instead, Maddy realizes that to become a Titan she'll need to whip the Grizzlies into shape first. Will Maddy ever land on top of the pyramid with a squad like this? Maybe not, but when her awesome designs for new Grizzly uniforms get revealed at a big game, even the Titans are overheard whispering her name. Does this mean what she thinks it means?

Us Constitution Simon and Schuster

The Spice Girls phenomenon was a genuine pop music landmark. No group since The Beatles had commanded as much media attention. Ginger, Baby, Posh, Sporty and Scary became international stars and, whether they were adored or ridiculed, they became the ultimate expression of global media fame in the Nineties.

Have an idea for a magazine but don't know where to start? Find out everything I learned about the magazine publishing business that enabled me to go from idea to newsstand on my first attempt. This quick, easy guide is packed with useful information on how to "Publish Your First Magazine." I'll not only show you my process but also provide you with the documentation I created and used along the way. Now you can learn in a weekend what took me two years to research-it's exactly what's needed for anyone who's contemplating producing a print magazine in today's highly volatile and competitive marketplace. In this new and expanded edition you will learn: \* Magazine business fundamentals \* The necessary start-up costs \* How to manage the editorial process \* How to brand and design your publication \*

The different ways a magazine can be monetized \* How to set your ad rates and sell ads \* Great sources for content and photography \* How to effectively use social media to connect with your audience And much, much more

**The Wannabe Doctor** Omnibus Press

Dublin is a wonderful place to live and work. Experience this through the eyes of Donal, a wannabe Irish man. He loved the place so much that he moved here, from London, in the middle of the recession hit 1980's. Working for an IT multinational company, he's trying to sell computers to Dubliners. That's not easy. If he doesn't close a big deal with his customer, the bank, by the end of the year he'll be on the boat back home. You'll meet Harry, the sales director, who should have been born two hundred years ago. Then there's Nicky, the sultry marketing manager. Proceed with caution here. Try not to bump into Mannix, the sales manager. He's rather clumsy and shy. Mairead is the smouldering Sales Prevention Officer. Be sure to stay on the right side of her. She could make things difficult for you. Try to avoid negotiating with Len, the bank's procurement chief. It's not a pleasant experience. If you fancy a night out in Dublin then take Terry with you. He's the IT Director. He likes to be entertained. Be careful not to be mesmerized by Samantha, the bank's beautiful Finance Director. She's really cool. Will Donal achieve his longed for Irishness? Will he close that sale? How will Nicky harness her sultriness for the greater good of society? Will Mannix overcome his inter-personal ineptitude? Will Mairead finally reveal the inner passionate woman? Will Terry get rid of Len? Will Harry get it together with Samantha? If humour be the food of life - read on! *Travels of a Wannabe Cowboy* Sarah M. Anderson

After twice being defeated by Boy Zero, the villainous General Pandemonium enlists the services of evil guru, Master Sushi, to help him achieve world domination. Together, the dastardly duo hatch a plan to rid the earth of humans by getting everyone to eat genetically modified cupcakes, which cause them to become weightless and float away into space. Uncovering the sinister plot, Charlie Applejack rushes to the rescue. But his world is unexpectedly turned upside down when he too falls victim to the cursed effects of the catastrophic cupcakes. With his powers in disarray, Charlie finds himself in a desperate race against time to take the General down, before everyone else on the planet gets taken up! The third title in the hilarious illustrated series, perfect for fans of Captain Underpants and Ben 10.

Wannabe National Geographic Books

The most incredible story literally just fell from the sky. And no one was around to see it except for Hannah Gray. But for an aspiring journalist, being the only one to witness four young aliens crash to Earth is a really good thing. Like Hannah's grandpa always used to say: "If everyone already knows the story, then what's the point of telling it?" Hannah may have a mom who's against her career choice, and school bullies who claim she'll never be more than a wannabe, but Hannah will stop at nothing until she's a famous journalist just like her grandpa

was. And now, she's sure that sleuthing the story behind how these aliens got to Earth is her ticket into the spotlight. But as Hannah learns about the incredible powers the aliens possess, and how an evil entity threatens the world they come from, her priorities are tested. When she discovers a major break in the case, she begins to realize that perhaps their arrival on Earth was no accident after all, and continuing to follow the trail of this story could mean that the destiny Hannah always had planned for herself will change forever. Hannah Gray and the Wannabe Heroes is the first book in the Infinite Alliance series.
