Here Erzsi discovers that her new husband prefers wandering back alleys on

The trouble comes to a head when Mihály misses the train he and Erzsi are due to take to Rome. Off he goes across

Everything Is Illuminated

It was not until long after his grandmother, Sophie, had died, that Michael Jacobs was eventually permitted to read the lengthy and passionate letters that his grandfather

Bethel had written her from nine thousand miles away. In these letters, Jacobs discovered a remarkable story of hardship, deprivation and enduring love. His grandfather's work on the railway through the Andes was exhausting and desperately lonely. He had little in common with his fellow workers and became consumed by a mounting despondency, from which

only his love for Sophie could save him. But, as the months and years of separation passed, the world in which Sophie was blossoming appeared more and more remote from his own. Michael Jacobs' journey back through time takes him from a rain-swept Hull churchyard to desolate Antofagasta in Chile and to the former silver capital of Potosí. Climbing through ghostly, lunar-

like scenery towards the snow-capped summits of the Andes, he follows the route of his grandfather's railway - across giant rocky plateaux, through terrifyingly steep gorges and valleys of tropical lushness, and past grim mining townships buffeted by winds, rain and snow - to reveal an extraordinary love story.

 A Journey in

Time is a nostalgic journey into the lives of a Burmese family during a period of intense political strife and turmoil. Since Burma lost its royalty and independence after the Anglo Burmese Wars in 1886, the fight for freedom never really ceased for its people. Burmese Nationalists, like Bogyoke Aung San, seize the opportunity to regain independence with the Japanese

invasion of British Burma during World War II. Nonetheless, an oasis of peace is enjoyed by its people with the establishment of the rule of law in the country. Burma enters the world stage as the biggest exporter of rice, and its rich resources are developed on an unprecedented scale. Journey in Time chronicles this period in the lives of the Myaing family and their

friends as it highlights the fascinating cultural and personal details that make them unique and interesting. Author Wai Wai Myaing confidently brings her loved ones to life as she describes their simple joys, aspirations, the worries that beset them, and the gentle Buddhist religion that guides them through their lives with dignity and grace. In 2012, after sharing a number of sea stories with my only grandson, I was told I needed to write a life journal to include my years as a child in the Philippine Islands just following World War II.

The journal, which addressed a time from June 7, 1935 to December 28, 2013, includes the important events of my life, including my twenty-seven years in the US Navy. As could be expected, there are more reflections from my years as a naval aviator, flying combat missions in Vietnam and numerous secret missions against the Soviet Union during the Cold War. Not as exciting,

but just as important, was my journal following my naval service after my retirement in December 1982. Most importantly, I have shared what took place in my life on June 9, 1977, two days after my 42nd birthday and two days before my oldest son graduated from high school, when I accepted Jesus Christ as the Lord and Savior of my life. This event radically changed my life and

immediately  
healed a  
broken family.  
It also  
addressed the  
thirty-plus  
years in which  
I was called as  
a volunteer to  
serve the  
least of these  
in our prison  
systems. If I  
have a desire  
for the journal,  
it would be  
that it  
encourage  
others to  
address the  
importance of  
their spiritual  
needs before  
age forty-two  
and that it  
would  
challenge my  
grandchildren  
in their walk  
with Christ.
