<i>If You Were Me The Charming Bestseller That Asks W</i>	<i>2023-05-11</i>	Sheila O'Flanagan's unputdownable bestseller THINGS WE NEVER SAY is a must-read for fans of Jamie Beck and Liane Moriarty. The things we never say: A daughter doesn't say how she feels about the past... A husband is afraid to say that selling the house his wife loves is the only option... A woman hasn't said that even though they live thousands of miles apart, this man is always on her mind... If those things were said, the results could be life-changing. As Abbey - and a whole family she knew nothing of - are about to find out in this warm-hearted, thought-provoking and touching novel.
BRANSON ORTIZ		<i>If You Were Me and Lived In...the Mayan Empire</i> HarperCollins
<i>If You Were Me and Lived In... Mexico</i> Headline		I'd Like You More If You Were More like Me takes on one of life's most important questions: How can I get closer to God and other people? We were created for deep connections. When people have deep connections, says John Ortberg, they win in life. When they don't have deep connections, they cannot win in life. I'd Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections: the fact that we're so different. Different from God and different from each other. The good news is that connectedness is not based on similarity, but on shared experiences. When one person invites another to share an experience, they're connected. It can be sharing a beautiful sunset or a meal, having a great conversation over cup of coffee, going for walk, or even teasing somebody. And when we share those same experiences with God, we get closer to him, too. God wants to connect with us—so much that he sent his son to live as a human being. God took on flesh and shared every human experience. So we don't have to wonder what a close relationship with God looks like anymore. An intimate relationship with God and other people doesn't have to be a cliché, it can be a daily way of life.

<i>When You Were Me</i> Penguin		This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.
An NPR Best Book of the Year * The stunning sequel to the critically acclaimed, #1 New York Times bestseller Dear Martin. An incarcerated teen writes letters to his best friend about his experiences in the American juvenile justice system. An unflinching look into the tragically flawed practices and silenced voices in the American juvenile justice system. Vernell LaQuan Banks and Justyce McAllister grew up a block apart in the Southwest Atlanta neighborhood of Wynwood Heights. Years later, though, Justyce walks the illustrious halls of Yale University . . . and Quan sits behind bars at the Fulton Regional Youth Detention Center. Through a series of flashbacks, vignettes, and letters to Justyce--the protagonist of Dear Martin--Quan's story takes form. Troubles at home and misunderstandings at school give rise to police encounters and tough decisions. But then there's a dead cop and a weapon with Quan's prints on it. What leads a bright kid down a road to a murder charge? Not even Quan is sure. "A powerful, raw, must-read told through the lens of a Black boy ensnared by our broken criminal justice system." -Kirkus, Starred Review		<i>Things We Never Say</i> David Gomadza
<i>If You Were Me and Lived In... Colonial America</i> Simon and Schuster		If Daisy and Dad swapped around, she could feed Dad porridge while SHE ate chocolate fromage frais. And she could wheel him past the neighbours all dressed in pink! Dad thinks it would be great not to have to do any cleaning or cooking but to visit the zoo and play in the park instead! An irresistibly charming picture book, wonderful for fathers and daughters (and the whole family) to share.
If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...		Between the World and Me Headline
If I Were an Astronaut Crown		Dylan Jones's engrossing, magisterial biography of David Bowie is unlike any Bowie story ever written. Drawn from over 180 interviews with friends, rivals, lovers, and collaborators, some of whom have never before spoken about their relationship with Bowie, this oral history weaves a hypnotic spell as it unfolds the story of a remarkable rise to stardom and an unparalleled artistic path. Tracing Bowie's life from the English suburbs to London to New York to Los Angeles, Berlin, and beyond, its collective voices describe a man profoundly shaped by his relationship with his schizophrenic half-brother Terry; an intuitive artist who could absorb influences through intense relationships and yet drop people cold when they were no longer of use; and a social creature equally comfortable partying with John Lennon and dining with Frank Sinatra. By turns insightful and deliciously gossipy, David Bowie is as intimate a portrait as may ever be drawn. It sparks with admiration and grievances, lust and envy, as the speakers bring you into studios and bedrooms they shared with Bowie, and onto stages and film sets, opening corners of his mind and experience that transform our understanding of both artist and art. Including illuminating, never-before-seen material from Bowie himself, drawn from a series of Jones's interviews with him across two decades, David Bowie is an epic, unforgettable cocktail-party conversation about a man whose enigmatic shapeshifting and irrepressible creativity produced one of the most sprawling, fascinating lives of our time.
Winner of the National Book Award for Young People's Literature, the Michael L. Printz Award, and the Pura Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times-bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami's determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept to herself. So when she is invited to join her school's slam poetry club, she doesn't know how she could ever attend without her mami finding out. But she still can't stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. "Crackles with energy and snaps with authenticity and voice." —Justina Ireland, author of Dread Nation "An incredibly potent debut." —Jason Reynolds, author of the National Book Award Finalist Ghost "Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero." —Ibi Zoboi, author of American Street This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8. Plus don't miss Elizabeth Acevedo's With the Fire on High and Clap When You Land!		<i>Now We Are Six Deluxe Edition</i> Oxford University Press, USA

BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.
