And in the apartment below, Blix's daughter Iselin narrowly escapes becoming the killer's next victim. Four days later, Blix and online crime journalist Emma Ramm are locked inside an interrogation room, facing the National Criminal Investigation Service. Blix has shot and killed a man, and Ramm saw it all happen. As Iselin's life hangs in the balance, under-fire Blix no longer knows who he can trust ... and he's not even certain that he's killed the right man... There's definitely a Scandinavian chill in the air with this

fascinating read' Sun 'Alongside Jo Nesbo's Knife, Smoke Screen is this summer's most anticipated read, and it doesn't disappoint' Tvedestrandsposten, Norway 'Everything about this crime novel sings, the relationship between Blix and Emma, which is complex, but also the relationship between Blix and Fosse and Kovic. The past bleeds into the present and the clever melding of the strands of the story and the slow reveal of details that propel the story is masterly. This tale often surprises or shifts in subtle ways that are pleasing and avoid cliché. As the opener for a new series this is a cracker, long live the marriage of Horst and Enger' New Books Magazine 'A fast-moving, punchy, serial killer investigative novel with a whammy of an ending. If this is the first in the Blix and Ramm series, then here's to many more!' bestselling thriller from the author of *The Snowman* and *The Thirst*. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's *Macbeth* centers around a police force struggling to shed an incessant drug problem. The drug trade is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies.
