BRODERICK MARCO

Italians to America, November 1900-April

1901 Scarecrow Press

Italians to America is the first indexed reference work devoted to Italian immigrants to the United States. This series contains passenger list information in chronological order on the first major wave of Italian migration during the last two decades of the nineteenth century, as well as the beginning of the twentieth century. As with the highly regarded companion series on German immigrants, *Italians to America* presents the passenger lists in chronological order, including information on each person's age, sex, occupation, village of origin, and destination, plus the name of the ship, the port of embarkation, and the date of arrival. Each volume also contains an introduction on the history of Italian

migration to the U.S. and a full name index, greatly simplifying the researcher's job.

Blizzards Elsevier

Cosmically fast-paced, wildly imaginative, and with *City of Lost Dreams*—the bewitching sequel—on shelves now, *City of Dark Magic* is the perfect potion of magic and suspense. Once a city of enormous wealth and culture, Prague was home to emperors, alchemists, astronomers, and, as it's whispered, hell portals. When music student Sarah Weston lands a summer job at Prague Castle cataloging Beethoven's manuscripts, she has no idea how dangerous her life is about to become. Prague is a threshold, Sarah is warned, and it is steeped in blood. Soon after Sarah arrives, strange things begin

to happen. She learns that her mentor, who was working at the castle, may not have committed suicide after all. Could his cryptic notes be warnings? As Sarah parses his clues about Beethoven's "Immortal Beloved," she manages to get arrested, to have tantric sex in a public fountain, and to discover a time-warping drug. She also catches the attention of a four-hundred-year-old dwarf, the handsome Prince Max, and a powerful U.S. senator with secrets she will do anything to hide. And the story continues in *City of Lost Dreams*, the mesmerizing sequel, which finds Sarah in the heart of Vienna, embroiled in a new web of mystical secrets and treacherous lies.

The sun is shining on the golden castle on Rainbow Bay - and change is in the air! Amelia is a single mother, doing her very best to look after her young son, Charlie - but money is tight and times are tough. When she first hears that she is the last descendent of the Chesterford family and that she has inherited a Real-Life Castle by the sea, Amelia can't quite believe her ears. But it's true! She soon finds that owning a castle isn't quite the ticket to sorting out her money problems that she'd first hoped: she can't sell, because the terms of the ancient bequest state that any Chesterford who inherits the castle, must live there and work towards the upkeep and maintenance of the family home. So ever-practical Amelia decides to uproot her little family and move to this

magnificent castle by the sea. Living in a castle on the beautiful Northumberland coast is fun at first, but organising the day-to-day running is a lot more complicated than Amelia first imagined. Luckily she has help from the small band of eccentric and unconventional staff that are already employed there - and a mysterious unseen hand that often gives her a push in the right direction just when she needs it most. It's only when she meets Tom, a furniture restorer who comes to the castle to help repair some antique furniture, that Amelia realises she might get the fairy-tale ending that she and Charlie truly deserve... Join bestselling author Ali McNamara in Rainbow Bay, where an inheritance and some sea air are about to work their magic on Amelia's life...

Bay of Sighs BRILL

"In the nineteenth century a new type of mystic emerged in Catholic Europe. While cases of stigmatisation had been reported since the thirteenth century, this era witnessed the development of the 'stigmatic': young women who attracted widespread interest thanks to the appearance of physical stigmata. To understand the popularity of these stigmatics we need to regard them as the 'saints' and religious 'celebrities' of their time. With their 'miraculous' bodies, they fit contemporary popular ideas (if not necessarily those of the Church) of what sanctity was. As knowledge about them spread via modern media and their fame became marketable, they developed into religious 'celebrities'"--

Italians to America provides both genealogists and researchers of family history with the first extensive, indexed source of Italian surname immigrants. This entire project was planned to span the years 1850 through 1893, but now the series has been extended. The series reproduces information from the original passenger lists filed by all vessels entering U.S. ports from abroad. Ships that departed from Italian ports or carried passengers who declared themselves to be of Italian origin are included, with first and last names, age, sex, occupation, and province and village of origin (whenever available) provided for each emigrant. A complete index of names is included at the end of

every volume. Italians to America may be ordered by individual volume.

Standing orders, which receive a 10% discount, are also welcomed.

Italy Revisited Italians to America This handbook aims to debunk the myth that vegetarian diets provide inadequate nutrition for growing children. Separate chapters address the needs of infants, preschoolers, school-age children, and teenagers. There are lots of child-friendly recipes, and a resources section.

Italians to America: October 1903-March 1904 Springer

The last work published by Moses Mendelssohn during his lifetime, *Morning Hours* (1785) is also the most sustained presentation of his mature epistemological and metaphysical views, all elaborated in the service of

presenting proofs for the existence of God. But *Morning Hours* is much more than a theoretical treatise. It also plays a central role in the drama of the Pantheismusstreit, Mendelssohn's "dispute" with F. H. Jacobi over the nature and scope of Lessing's attitude toward Spinoza and "pantheism". As the latest salvo in a war of texts with Jacobi, *Morning Hours* is also Mendelssohn's attempt to set the record straight regarding his beloved Lessing in this connection, not least by demonstrating the absence of any practical (i.e., religious or moral) difference between theism and a "purified pantheism".

A Capri tutto è possibile. Anche innamorarsi. Dopo "L'amore è un bacio di dama", Elisabetta Flumeri e Gabriella Giacometti firmano una nuova, frizzante commedia romantica tra stelle Michelin e paesaggi da sogno.

Microclimate for Cultural Heritage

Guernica Editions

A sweeping novel of intrigue and identity, of love and legacy, as a young woman discovers that her own fate is irrevocably tied—for better or worse—to literature's greatest star-crossed lovers. Twenty-five-year-old Julie Jacobs is heartbroken over the death of her beloved aunt Rose. But the shock goes even deeper when she learns that the woman who has been like a mother to

her has left her entire estate to Julie's twin sister. The only thing Julie receives is a key—one carried by her mother on the day she herself died—to a safety-deposit box in Siena, Italy. This key sends Julie on a journey that will change her life forever—a journey into the troubled past of her ancestor Giulietta Tolomei. In 1340, still reeling from the slaughter of her parents, Giulietta was smuggled into Siena, where she met a young man named Romeo. Their ill-fated love turned medieval Siena upside-down and went on to inspire generations of poets and artists, the story reaching its pinnacle in Shakespeare's famous tragedy. But six centuries have a way of catching up to the present, and Julie gradually begins to discover that here, in this ancient city, the past and present

are hard to tell apart. The deeper she delves into the history of Romeo and Giulietta, and the closer she gets to the treasure they allegedly left behind, the greater the danger surrounding her—superstitions, ancient hostilities, and personal vendettas. As Julie crosses paths with the descendants of the families involved in the unforgettable blood feud, she begins to fear that the notorious curse—“A plague on both your houses!”—is still at work, and that she is destined to be its next target. Only someone like Romeo, it seems, could save her from this dreaded fate, but his story ended long ago. Or did it? Praise for Juliet “One of those rare novels that have it all . . . I was swept away”—Sara Gruen, author of *Water for Elephants* “Juliet leads us on a thrilling treasure

hunt through present-day Italy that makes the classic tragedy itself spellbinding all over again.”—Elle “Boldly imagined, brilliantly plotted, beautifully described, Juliet will carry you spellbound until the gripping end.”—Susan Vreeland, author of *Clara and Mr. Tiffany* “The Shakespearean scholarship on display is both impressive and well-handled.”—The Washington Post

Italians to America: March 1903-April 1903 Grupo Editorial Norma

The 172nd annual edition of the internationally respected and renowned source book of information on people of influence and interest in every area of public life. Who's Who 2020 is the 172nd edition of the world's longest established and most comprehensive general reference book, brought right up to date for the year ahead. The first autobiographical reference book in the world and, after 171 years, still the most accurate and reliable resource for

information supplied and checked by the entrants themselves. 'The famous red covers of Who's Who are exclusive and only the enduringly notable get into them... After a week with the new Who's Who (and though it's heavy to pick up) "you can't put it down" best describes my feeling.' - Matthew Parris, The Times 'The unrivalled compendium of the good and the great' - The Daily Telegraph 'Who's Who is a mirror in which society glimpses a reflection of its own achievement.' -The Times 'Britain's most famous reference book ...a biographical record of the great and the good.' - Daily Mail

Margherita's Notebook Lerner Publications

This brilliant novel with universal resonance tells the story of three people

trying to survive in a city rife with the extreme fear of desperate times, and of the sorrowing cellist who plays undaunted in their midst. One day a shell lands in a bread line and kills twenty-two people as the cellist watches from a window in his flat. He vows to sit in the hollow where the mortar fell and play Albinoni's Adagio once a day for each of the twenty-two victims. The Adagio had been re-created from a fragment after the only extant score was firebombed in the Dresden Music Library, but the fact that it had been rebuilt by a different composer into something new and worthwhile gives the cellist hope. Meanwhile, Kenan steels himself for his weekly walk through the dangerous streets to collect water for his family on the other side of town, and Dragan, a

man Kenan doesn't know, tries to make his way towards the source of the free meal he knows is waiting. Both men are almost paralyzed with fear, uncertain when the next shot will land on the bridges or streets they must cross, unwilling to talk to their old friends of what life was once like before divisions were unleashed on their city. Then there is "Arrow," the pseudonymous name of a gifted female sniper, who is asked to protect the cellist from a hidden shooter who is out to kill him as he plays his memorial to the victims. In this beautiful and unforgettable novel, Steven Galloway has taken an extraordinary, imaginative leap to create a story that speaks powerfully to the dignity and generosity of the human spirit under extraordinary duress.

This volume contains passenger lists with Italian surnames for ships entering all US ports between May 1st and November 29th 1899. It shows the passengers' first and last names, sex, age and occupation. It is arranged by the ship's date of arrival and is indexed by passenger names.

Lock No. 1 Scarecrow Press

Taking an unconventional approach to autobiographical writing, this work serves as a double memoir, told in dialogue between a mother and a daughter. The conversation takes place in a medieval town high up in the Italian mountains, as the author, a Canadian writer, draws out her mother's childhood memories of life in southern Italy at the beginning of the 20th century. As they

re-create that vanished world, the pair also finds greater understanding of the tumultuous relationships that sometimes exist between immigrant mothers and their children.

Penguin

Spain, summer 1937. The civil war between Spanish nationalists and republicans rages. On the bloody sierras of Aragon, among Generalissimo Franco's volunteers is Martin Bora, the twenty-something German officer and detective whose future adventures will be told in *Lumen*, *Liar Moon*, *The Road to Ithaca* and others in the Bora series. Presently a lieutenant in the Spanish Foreign Legion, Bora lives the tragedy around him as an intoxicating epic, between idealism and youthful

recklessness. The first doubts, however, rise in Bora's mind when he happens on the body of Federico Garcia Lorca, a brilliant poet, progressive and homosexual. Who murdered him? Why? The official version does not convince Bora, who begins a perilous investigation. His inquiry paradoxically proceeds alongside that which is being carried out by an "enemy": Philip Walton, an American member of the International Brigades. Soon enough the German and the New Englander will join forces, and their cooperation will not only culminate in a thrilling chase after a murderer, but also in a very human, existential face-to-face between two adversaries forever changed by their crime-solving encounter...
