The French Jesuit Isaac-Joseph Berruyer's *Histoire du peuple de Dieu* was an ambitious attempt to connect the ideas of the Enlightenment with the theology of the Catholic Church. A paraphrase of the Bible written in vernacular French, the *Histoire* promoted progress, the pursuit of happiness, the fundamental goodness of humanity, and the capacity of nature to shape moral human beings. Berruyer aimed to update the Bible for a new age, but his work unleashed a furor that ended with the expulsion of the Jesuits from France. Berruyer's Bible offers a fresh perspective on the history of the Catholic Enlightenment. By exploring the rise and fall of Berruyer's *Histoire*, Daniel Watkins reveals how Catholic attempts to assimilate Enlightenment ideas caused conflicts within the church and between the church and the French state. Berruyer's Bible flips the traditional narrative of the Enlightenment on its head by showing that the secularization of French society and the political decline of the Catholic Church were due not solely to the external assaults of anti-clerical

philosophes but also to the internal discord caused by Catholic theologians themselves. Built upon extensive research in archives across Western Europe and the United States, Berruyer's Bible paints a vivid picture of the tumultuous intellectual world of the Catholic Church and the power of radical ideas that shaped the church throughout the Enlightenment, the French Revolution, and beyond.

*Strategic Rewriting* University of Michigan Press

This book establishes an analytical model for the description of existing translations in their historical context within a framework suggested by systemic concepts of literature. It argues against mainstream 20th-century translation theory and, by proposing a socio-cultural model of translation, takes into account how a translation functions in the receiving culture. The case studies of successive translations of "Hamlet" in France from the eighteenth century neoclassical version of Jean-Francois Ducis to the 20th-century Lacanian, post-structuralist stage production of Daniel Mesguich show the translator at work. Each chapter focuses on a different aspect of the changing theatrical and literary norms to which translators through the ages have been bound by the expectations both of their audiences and the literary establishment.

*Berruyer's Bible* McGill-Queen's Press - MQUP

Charles Baudelaire's place among the great poets of the Western world is undisputed, and his influence on the development of poetry since his lifetime has been enormous. In this Companion, essays by outstanding scholars illuminate Baudelaire's writing both for the lay reader and for specialists. In addition to a survey of his life and a study of his social context, the volume includes essays on his verse and prose, analyzing the extraordinary power and effectiveness of his language and style, his exploration of intoxicants like wine and opium, and his art and literary criticism.

The volume also discusses the difficulties, successes and failures of translating his poetry and his continuing power to move his readers. Featuring a guide to further reading and a chronology, this Companion provides students and scholars of Baudelaire and of nineteenth-century French and European literature with a comprehensive and stimulating overview of this extraordinary poet.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*Debating the Roman de la Rose* Routledge

How are impressions about political candidates organized in memory? What is the nature of political group stereotypes? How do citizens make voting decisions? How do citizens formulate opinions about key issues and politics? The contributors to *Political Judgment: Structure and Process* reach answers to these questions that will substantially influence how the next generation of scholars working at the intersection of political science and sociology, and public opinion researchers more generally, go about their work.

*Canadiana* Oxford University Press

Focusses on the years that Eça de Queirós lived in Paris and shows how the periodicals he conceived and edited were modeled on dozens of Victorian and American publications.

*The Saturday Review of Politics, Literature, Science and Art*  
Cambridge University Press

Reproduction of the original: *History of Civilization in England* by Henry Thomas Buckle

**Emmanuel's Book II** Hartland Publications

Bodies abound in Rimbaud's poetry in a way that is nearly unprecedented in the nineteenth-century poetic canon: lazy, creative, rule-breaking bodies, queer bodies, marginalized and impoverished bodies, revolting and revolutionary, historical bodies. The question that *Poetry, Politics, and the Body* seeks to answer is: What does this corporeal density mean for reading Rimbaud? What kind of sense are we to make of this omnipresence of the body in the Rimbaudian corpus, from first to last—from the earliest poems in verse celebrating the sheer, simple delight of running away from wherever one is and stretching one's legs out under a table, to the ultimate flight away from poetry itself? In response, this book argues that the body appears—often literally—as a kind of gap, breach, or aperture through which Rimbaud's poems enter into contact with history and a larger body of other texts. Simply put, the body is privileged 'lyrical material' for Rimbaud: a figure for human beings in their exposed, finite creatureliness and in their unpredictable agency and interconnectedness. Its presence in the early work allows us not only to contemplate what a strange, sensuous thing it is to be embodied, to be both singular and part of a collective, it also allows the poet to diagnose, and the reader to perceive, a set of seemingly intractable, 'real' socio-economic, political, and symbolic problems. Rimbaud's bodies are, in other words, utopian bodies: sites where the historical and the lyrical, the ideal and the material, do not so much cancel each other out as become caught up in one another.

*Political Judgment* Boydell & Brewer Ltd

An international group of scholars have contributed to *Joyful in Thebes*, a Festschrift for the distinguished Egyptologist Betsy M. Bryan. The forty-two articles deal with topics of art history, archaeology, history, and philology representing virtually the entire span of ancient Egyptian civilization. These diverse studies, which often present unpublished material or new interpretations of specific issues in Egyptian history, literature, and art history, well reflect the broad research interests of the honoree. Abundantly illustrated with photographs and line drawings, the volume also includes a comprehensive bibliography of Bryan's publications through 2015.

The *J.B. Treatise* is a collection of lore and information from the later fifteenth century on a range of topics considered essential learning for anyone aspiring to the English gentry. It has hitherto been known principally by way of an eclectic medley of filler material in the printed *Boke of St Albans* (1486), but survives in numerous variant forms in twenty-two, mostly unrelated, manuscripts. The treatise's foremost concerns are hawking and hunting, but it differs from other contemporary treatises on these sports by concentrating on terminology rather than praxis. Much of its information is presented in the form of lists of terms, suggesting that it served mainly as a lexical primer rather than a manual of practical instruction. This study – which includes four major variant texts, explanatory notes, a glossary and complete collations of the 'J.B.' lists of collective nouns and carving terms – is the first comprehensive survey of all known versions of the *J.B. Treatise*, whose contents will be of interest to English medievalists in a range of disciplines, including history, literature and linguistics. This second edition of the *J.B. Treatise* includes comprehensive updates to the introduction, notes, and glossary to account for new scholarship, including numerous emendations to the OED prompted by lexical evidence presented in the first edition (2003). It also incorporates a revised bibliography and references to new editions of medieval texts.

*The Royal Dictionary Abridged ... I. French and English. II. English and French ... The Twelfth Edition, Carefully Corrected, Etc* ICS Publications

Over the past 30 years there has been a tremendous growth in interest in the multidisciplinary field of human-companion animal interactions and relationships. This is not surprising considering that pets are kept in at least half of the households in Western societies. What then, is so special about the relationships people have with their pets? Are we very different from our ancestors in the ways we feel about animals? What does pet-keeping tell us about ourselves and our relationships with people? Can pets be good for our health? Do they help promote empathy for other humans? These questions and more are explored in this book. *Companion Animals and Us* brings together some of the newest research from a wide variety of disciplines including anthropology, history, psychology, sociology, human and veterinary medicine. This book will make fascinating reading for

anyone interested in understanding more about the human-pet relationship.

*1 Enoch 91-108* Routledge

A broad-based, innovative survey of rewriting in several modalities: translation, adaptation, recycling, appropriation, and re-mediation, along with the effect of each on form and meaning, kind and canon, historical and discursive continuity, as well as the conceptualizing of gender. Essays on Du Bellay, Montaigne, La Ceppède, Tbéophile de Viau, Corneille, d'Aubignac, La Fontaine, Diderot, and recent Anglo-American translations of *La Princesse de Cleves*.

*The Official Record of the United States Department of Agriculture* DS Brewer

First published in 1986. Routledge is an imprint of Taylor & Francis, an informa company.

**Companion Animals and Us** Cambridge University Press

Around the year 1400, the poet Christine de Pizan initiated a public debate in France over the literary "truth" and merit of the *Roman of the Rose*, perhaps the most renowned work of the French Middle Ages. She argued against what she considered to be misrepresentations of female virtue and vice in the *Rose*. Her bold objections aroused the support and opposition of some of the period's most famous intellectuals, notable Jean Gerson, whose sermons on the subject are important literary documents. "The Quarrel of the Rose" is the name given by modern scholars to the collection of these and other documents, including both poetry and letters, that offer a vivid account of this important controversy. As the first dual-language version of the "Quarrel" documents, this volume will be of great interest to medievalists and an ideal addition to the Routledge Medieval Texts series. Along with translations of the actual debate epistles, the volume includes several relevant passages from the *Romance of the Rose*, as well as a chronology of events and ample biography of source materials.

**The Athenaeum** Rookwood Press

This sequel to volume 1 contains all of Thérèse's letters from the end of September 1890 (during her novitiate) until her death in 1897, as well as many letters written to or about her. Here the mature Saint Thérèse shows the path of her growth as a religious and as a deep spiritual writer. The reader learns much about all of her correspondents, including her two "missionary brothers," and

gains familiarity with the development of her thought and message. Fifty pages of complementary documents give us useful tools for studying the texts. This work has been translated from the critical edition by John Clarke, OCD. The ebook includes 4 pages of facsimiles of Thérèse's letters, plus a fully linked general and biblical index.

Translation, Poetics, and the Stage Society for the Study of Medieval Languages and Literature

Fear tells you, "I want to make you safe." Love says, "you are safe." Fear would walk you on a narrow path. Love says, "open your arms and fly with me." —Emmanuel Emmanuel's great wisdom—coming to us through channel Pat Rodegast—has illuminated thousands of lives. Emmanuel's Book revealed deeply enriching truths about our place in the cosmos and the evolutionary destiny of the human soul. Now Emmanuel shines his light on the limitless power of love—and the prison house of fear. With startling directness and gentle wit, he confronts ageless

questions such as "Why am I here?" and contemporary questions such as "How can we help the homeless?" Whether we struggle with personal confusion and pain or with the dilemmas of a troubled world, this wonderful new collection brings us singular comfort, assurance, and encouragement on our way to wholeness.

*The Royal Dictionary Abridged ... I. French and English. II. English and French ... The Second Edition ... Corrected, and Improved with Above Fifteen Hundred English Words ... As Also, an Alphabetical List of the Most Common Christian Names of Men and Women, Etc* Bantam

"Cooper paints a meticulous and absorbing portrait of McKay's restless artistic, intellectual, and political odyssey... The definitive biography on McKay."—Choice Although recognized today as one of the genuine pioneers of black literature in this century—the author of "If We Must Die," Home to Harlem, Banana Bottom, and A Long Way from Home, among other works—Claude McKay (1890-1948) died penniless and almost forgotten in a Chicago

hospital. In this masterly study, Wayne Cooper presents a fascinating, detailed account of McKay's complex, chaotic, and frequently contradictory life. In his poetry and fiction, as well as in his political and social commentaries, McKay searched for a solid foundation for a valid black identity among the working-class cultures of the West Indies and the United States. He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen, and also to influential West Indian and African writers such as C. L. R. James and Aimé Césaire. Knowledge of his life adds important dimensions to our understanding of American radicalism, the expatriates of the 1920s, and American literature. "Mr. Cooper's most original contribution is his careful and perceptive analysis of McKay's nonfiction writing, especially his social and political commentary, which often contained 'prophetic statements' on a range of important social, political, and historical issues."—New York Times Book Review
