FINALIST FOR THE PULITZER PRIZE • NATIONAL BESTSELLER • A bewitching story collection from a writer hailed as “the most darkly playful voice in American fiction” (Michael Chabon) and “a national treasure” (Neil Gaiman). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BookPage • BuzzFeed • Chicago Tribune • Kirkus Reviews • NPR • San Francisco Chronicle • Slate • Time • Toronto Star • The Washington Post She has been hailed by Michael Chabon as “the most darkly playful voice in American fiction” and by Neil Gaiman as “a national treasure.” Now Kelly Link’s eagerly awaited new collection—her first for adult readers in a decade—proves indelibly that this bewitchingly original writer is among the finest we have. Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In “The Summer People,” a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In “I Can See Right Through You,” a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting a ghost-hunting reality show. In “The New Boyfriend,” a

suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In *Get in Trouble*, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for *Get in Trouble* “Ridiculously brilliant . . . These stories make you laugh while staring into the void.”—The Boston Globe “When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny.”—San Francisco Chronicle

The story of the monsters involves two brother cats Collins the elder brother and Peter. Peter was a very naive cat who always depended on his brother Collins for protection. He could not go anywhere without Collins. One day as they were taking a walk they met a female cat called Bobby whom they were very afraid of. The cat scared them when he spoke to a monster. Peter was very afraid of monsters. So as they walked round the garden in the neighborhood, Collins was kidnapped by the monster and Peter was left alone. He was very worried and started searching for Collins without success. Suddenly, Peter decided to seek help from the female cat who he was afraid of. He had to put his fears aside and approach bobby for help. So as they searched for Collins together with another friend, eventually both Bobby and

his friend were kidnapped by the monsters and Peter is left with nobody to help him. He had learnt so much since Collins was kidnapped and he was now brave to search for his brother and his friends. We walked to the woods of the monsters and when he got there, the big monster tried to threaten him but he was not afraid. He confronted the monster and eventually rescued his brother Collins and his friends. They walked back to their garden happily and Collins was happy that his brother had become a

brave cat. The story gives children the courage to face the world and overcome fears. Some children depend entirely on their parents or older people for help and when they encounter a problem on their own, they cannot handle it. We learn from Peter that nothing is impossible and our fears can make us stronger and fearless. It is all about building confidence in us.
