Penguin

Celebrates the band, its members, recordings and concerts through images and the written word, as well as through the unique pieces of memorabilia that are from the private collections of Queen's members

The Other Side of the Coin  
Рипол Классик

This is a retrospective of musical poetry by heavy metal guitarist and frontman, Matt Pike, which spans twenty years beginning in 1998 with the album Art of Self Defense up to the latest release, the 2019

Grammy-Award winning record, Electric Messiah. Every chapter features brand-new artistic interpretations from the minds and hearts of an incredible cast of illustrators, tattooers, printmakers, and painters Pike has been trusted since the beginning to depict his vision. The cast of artists are Arik Roper, David V. D'Andrea, Santos, Brian Mercer, Skinner, Jondix, Stash, Tim Lehi, Jordan Barlow, and Derrick Snodgrass created brand new, never before seen works specifically inspired by each album, including one large illustration to define the chapter ahead and two additional vignettes that are directly inspired by the songs. Each has

their own bold and iconic style that perfectly compliments the breadth of Pike's various works. These prolific artists transport the reader further into a far-away landscape of ominous Lovecraftian entities, shrouded in wondrous and esoteric darkness. Together, they have redefined the way we perceive Underground Doom Metal these past twenty years and it is our honor to showcase them together along with the incredible written word of Pike.

Freddie Mercury - the Great Pretender  
Running Press Kids

A beautifully illustrated biography of the iconic lead singer of the British rock band, Queen. The

music of Queen and powerhouse lead singer Freddie Mercury are best experienced with the volume turned all the way up. Alfonso Casas's Freddie Mercury delivers a sonorous homage to the formidable singer and the turning points that produced a game-changing body of music that continues to inspire fans around the globe. First published in Spain and now available worldwide, this luminous work covers Freddie's three "births:" his birth as Farrokh Bulsara in Zanzibar; his adoption of the last name of Mercury and the launch of Queen with Brian May and Roger Taylor; and the emergence of the lasting legend after Freddie's death at the age of forty-five. Casas's evocative illustrations highlight the key moments in the singer's transformation from child prodigy to superstar, bringing to life the bold innovator who broke free of his conventional upbringing. Chronicling events from Freddie's marriage to Mary Austin and early fame in London's 1970s glam scene, to the making of multiple megahits (including the six-minute chart-topper "Bohemian Rhapsody"), to

his final years in a lasting relationship with Jim Hutton, Freddie Mercury is an exhilarating, poignant portrait of a creative genius who lived life to the hilt. "Through Casas' evocative and vibrant illustrations, [Freddie Mercury] tells the story of Freddie Mercury's three "births:" from his childhood, growing up as Farrokh Bulsara in Tanzania, to Queen's launch to his death at 45." —Alcalde "A beautifully illustrated biography of Freddie Mercury . . . Casas lovingly presents a creative take on the life of Freddie Mercury through the use of dozens of vibrant drawings." —OutWord Magazine "[Freddie Mercury] is an appealingly modest book: Casas aims to let Mercury shine, but his striking illustrations shine in their own right as well." —The Current

This book sets the lyrics of nearly 40 of Wodehouse's theatrical productions within the context of each individual show, providing informative commentary for each.

*Alice in Wonderland* Virago

An updated edition of the most comprehensive account of Bob Dylan's Nobel Prize-winning work yet published, with the full story of every recording session, every album, and every single released during his nearly 60-year career. *Bob Dylan: All the Songs* focuses on Dylan's

creative process and his organic, unencumbered style of recording. It is the only book to tell the stories, many unfamiliar even to his most fervent fans, behind the more than 500 songs he has released over the span of his career. Organized chronologically by album, Margotin and Guesdon detail the origins of his melodies and lyrics, his process in the recording studio, the instruments he used, and the contribution of a myriad of musicians and producers to his canon.

Queen Danann Books  
*Alice in Wonderland* (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Publishers Weekly Best Book of 2017  
Washington Post Best Book of 2017  
Amazon Editors' Top 100

Pick of the Year Amazon Best Humor and Entertainment Pick of the Year Booklist Top Ten Arts Book Queen of Bebop brilliantly chronicles the life of jazz singer Sarah Vaughan, one of the most influential and innovative musicians of the twentieth century and a pioneer of women's and civil rights Sarah Vaughan, a pivotal figure in the formation of bebop, influenced a broad array of singers who followed in her wake, yet the breadth and depth of her impact—not just as an artist, but also as an African-American woman—remain overlooked. Drawing from a wealth of sources as well as on exclusive interviews with Vaughan's friends and former colleagues, *Queen of Bebop* unravels the many myths and misunderstandings that have surrounded Vaughan while offering insights into this notoriously private woman, her creative process, and, ultimately, her genius. Hayes deftly traces the influence that Vaughan's singing had on the perception and appreciation of vocalists—not to mention women—in jazz. She reveals how, in the late 1940s and early 1950s, Vaughan helped

desegregate American airwaves, opening doors for future African-American artists seeking mainstream success, while also setting the stage for the civil rights activism of the 1960s and 1970s. She follows Vaughan from her hometown of Newark, New Jersey, and her first performances at the Apollo, to the Waldorf Astoria and on to the world stage, breathing life into a thrilling time in American music nearly lost to us today. Equal parts biography, criticism, and good old-fashioned American success story, *Queen of Bebop* is the definitive biography of a hugely influential artist. This absorbing and sensitive treatment of a singular personality updates and corrects the historical record on Vaughan and elevates her status as a jazz great.

Written by a founding member of the nationally recognized Drag Queen Story Hour (DQSH), this playful picture book offers a quirky twist on a classic nursery rhyme by illustrating all of the ways to "work it". The story plays off "The Wheels on the Bus" as it follows a drag queen who performs her routine in front of an awestruck audience. A fun frenzy of fierceness, this book will appeal to readers of all ages.

**The Queen of Kindergarten** Cornell University Press

I was only sixteen when I bought an electric guitar and joined a band. A year later, I formed an all-girl band called the Marine Girls and played gigs, and signed to an indie label, and started releasing records. Then, for eighteen years, between 1982 and 2000, I was one half of the group Everything But the Girl. In that time, we released nine albums and sold nine million records. We went on countless tours, had hit singles and flop singles,

were reviewed and interviewed to within an inch of our lives. I've been in the charts, out of them, back in. I've seen myself described as an indie darling, a middle-of-the-road nobody and a disco diva. I haven't always fitted in, you see, and that's made me face up to the realities of a pop career - there are thrills and wonders to be experienced, yes, but also moments of doubt, mistakes, violent lifestyle changes from luxury to squalor and back again, sometimes within minutes.

Queen Sourcebooks, Inc. (Book). In 2011, the world celebrated the 40th anniversary of Queen one of the most innovative, glamorous, and influential bands in history. Over the course of the band's career, they have grossed 170 million album sales worldwide, have written 18 number one hits, and performed 700 concerts. While some acts enjoy a forte of incredible showmanship, a virtuoso instrumentalist, a strong, charismatic leader, or a prolific sole songwriter, Queen beholds all of these strengths. Although Freddie Mercury and Brian May are recognized as the prime songwriters, each of the members have

penned number one hits, including classics such as "Bohemian Rhapsody" (Freddie Mercury), "Another One Bites the Dust" (John Deacon), "A Kind of Magic" (Roger Taylor), and "We Will Rock You" (Brian May). The fates brought the four creative and cerebral youths together in London in 1971 (Mercury was by then an established fine and graphic artist, May was enveloped in the study of astrophysics, Roger Taylor enrolled in dental school, and John studying electronics). Since then, they have made history with their sophisticated fusion of operatic expression, theatrical performance, symphonic melody, and raw rock-and-roll. Beginning with their debut Queen in 1973 (EMI/Electra Records), the band took the UK by storm, then conquered the United States along with rest of the world, serving as pioneers of stadium rock and enjoying commercial success and momentum well into the 1980s (marked by the famous Live Aid appearance in 1985) through the early 1990s. The whirlwind took a startling pause when singer Freddie Mercury passed away from AIDS

on November 24, 1991. The living members have forged ahead and remain great music makers. The Complete Illustrated Lyrics is the first book of its kind. Never before has there been a complete Queen lyric book. The hundreds of images that accompany the songs range from handwritten lyrics to rare photographs from the stage to the studio. Also included is a complete discography, pairing each song to the album on which it was originally released. Designed by the band's longtime creative director, Richard Gray, the book is as true to the band as can be, carrying with it the flamboyance, expression, and depth that Queen embodies as writers and performers. If there is one book for a fan of the band to possess, this is the one. [Dolly Parton, Songteller](#) Penguin  
Twenty-nine tales from the folklore of Turkey, India, Denmark, Armenia, and the Sudan.  
**The Olive Fairy Book**  
John Wiley & Sons  
Imagine being alongside one of the greatest bands in the history of rock, touring the world and being there as they perform at some of the best and biggest music venues in the world. Peter

Hince didn't have to imagine: for more than a decade, he lived a life that other people can only dream of as he worked with Queen as head of their road crew. In 1973, Queen was the support act for Mott the Hoople, for whom Peter was a roadie. Back then, Queen had to content themselves with being second on the bill and the world had not yet woken up to the flamboyant talent of Freddie Mercury. Peter started working full time for Queen just as they were making A Night at the Opera, the album which catapulted them to international stardom. In this intimate and affectionate book, Peter recalls the highlights of his years with the band. He was with Freddie when he composed 'Crazy Little Thing Called Love'; he was responsible for making sure that Freddie's stage performances went without a hitch - and was often there to witness his famed tantrums! He was also party to the sex, drugs and rock 'n' roll which are invariably part of life on the road with a rock band.  
**The Book of Scottish Song** Chronicle Books  
The newest addition to the best-selling All the Songs series details the

unique recording history of Pink Floyd, one of the world's most commercially successful and influential rock bands. Since 1965, Pink Floyd have been recording sonically experimental and philosophical music, selling more than 250 million records worldwide, including two of the best-selling albums of all time *Dark Side of the Moon* and *The Wall*. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *Pink Floyd All the Songs*, authors Margotin and Guesdon describe the origin of their nearly 200 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the tensions that helped drive the band. Organized chronologically by album, this massive, 544-page hardcover begins with their 1967 debut album *The Piper at the Gates of Dawn*, the only one recorded under founding member Syd Barrett's leadership; through the loss of Barrett and the addition of David Gilmour; to Richard Wright leaving the band in 1979 but returning; to Roger Waters leaving in 1985 and the albums recorded

since his departure, including their 2014 farewell album, *The Endless River*, which was downloaded 12 million times on Spotify the week it was released. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as Waters working with engineer Alan Parsons to employ revolutionary recording techniques for *The Dark Side of the Moon* at Abbey Road Studios in 1972 or producer Bob Ezrin's contribution in refining Water's original sprawling vision for *The Wall*.

**Freddie Mercury** Hachette UK

One of the most prolific and highly regarded rock photographers of all time, Neal Preston began working with Queen in the mid 1970s as their official tour photographer. His incredible work during this first tour forged a relationship with the band that has lasted 50 years. Featuring over 300 images and produced in collaboration with the band, this book is an exhilarating ride through their years on the road together, the pages vibrating with a palpable energy.
