"This lively, funny, moving history of a movie studio and the people who made it feels uncannily like ... an Ealing comedy." Martin Scorsese A behind-the-scenes account of life at Ealing Studios - one of the great cinematic success stories of post-war Britain, and a byword for a particular strain of comic film-making that

continues to inspire imitators over half a century on. This is the only full narrative history of Ealing, focusing on its output in the 1940s and '50s, when the movies made there were in astonishing (and revealing) synchronicity with the national mood. Told through the memories of the people who worked and performed there, *The Secret Life of Ealing Studios* explores how a small group of maverick film-makers, some of Britain's most fondly-

remembered movie stars, and a lot of unsung backroom boys and girls created pictures that presented a unique and enduring view of British identity, and which have since become classics. The films include such evergreens as *Hue and Cry*, *Passport to Pimlico*, *Kind Hearts and Coronets*, *Whisky Galore*, *The Lavender Hill Mob*, *The Man in the White Suit* and *The Ladykillers*, along with war films such as *The Cruel Sea*. At the heart of the story is the figure of Michael Balcon - perhaps

the closest Britain has ever come to producing a movie mogul in the Hollywood mould - and iconic actors such as Peter Sellers, Alec Guinness, Margaret Rutherford and Sid James. Naughty Mabel Titan Books (US, CA) The British Jesus focuses on the Jesus of the religious culture dominant in Britain from the 1850s through the 1950s, the popular Christian culture shared by not only church, kirk, and chapel goers, but also the growing numbers of

Britons who rarely or only episodically entered a house of worship. An essay in intellectual as well as cultural history, this book illumines the interplay between and among British New Testament scholarship, institutional Christianity, and the wider Protestant culture. The scholars who mapped and led the uniquely British quest for the historical Jesus in the first half of the twentieth century were active participants in efforts to replace the popular image of "Jesus in a white

nightie" with a stronger figure, and so, they hoped, to preserve Britain's Christian identity. They failed. By exploring that failure, and more broadly, by examining the relations and exchanges between popular, artistic, and scholarly portrayals of Jesus, this book highlights the continuity and the conservatism of Britain's popular Christianity through a century of religious and cultural transformation. Exploring depictions of Jesus from over more than one hundred years, this book

is a crucial resource for scholars of British Christianity in the nineteenth and twentieth centuries.

 Asher: When most people first set eyes on me they assume I'm a delinquent, a thug, or at the very least that I'm in a band. But, looks can be

deceiving. I never thought I'd get sick of random hook ups with more than willing college co-eds, but that scene is getting old. And, I really never expected to fall for an adorable, sexy, shy...virgin. But, sometimes things don't turn out how you expect. Eve: Super virgin...that's me. I've never kissed a boy, heck I've never even been on a date before. How I ended up catching the eye of a sexy, tattooed playboy at my very first college party I'll never know. He's way out

of my league...but maybe it's finally my chance to let loose a little and find out who I really am. That's what college is for, right?

Very Naughty Boys: The Amazing True Story of HandMade Films Penguin
Over 39 chapters The Routledge Companion to British Cinema History offers a comprehensive and revisionist overview of British cinema as, on the one hand, a commercial entertainment industry and, on the other, a series

of institutions centred on economics, funding and relations to government. Whereas most histories of British cinema focus on directors, stars, genres and themes, this Companion explores the forces enabling and constraining the films' production, distribution, exhibition, and reception contexts from the late nineteenth century to the present day. The contributors provide a wealth of empirical and archive-based scholarship that draws on insider perspectives of key film

institutions and illuminates aspects of British film culture that have been neglected or marginalized, such as the watch committee system, the Eady Levy, the rise of the multiplex and film festivals. It also places emphasis on areas where scholarship has either been especially productive and influential, such as in early and silent cinema, or promoted new approaches, such as audience and memory studies.

The school bell rang, it was the start of the summer holidays, and everyone ran out of school really happy. Teresa ran out of the school and down to the beach very fast, while Naomi and Melissa chaste after her, caught her up on the beach, and started teasing her. Melissa: look at her dorky hairstyle. Naomi: Yes, and her dorky brace, goofy teeth, and square clothes. They laughed at her and teased her and then grabbed her

and throw her into the sea with all her clothes and schoolwork. The girls ran off. Teresa: Please help me I can't swim. But no one could hear her screaming. Until suddenly a mermaid rescued her and bought her back to shore and disappeared again. Teresa looked around confused as to how she managed to get back safely, she was dripping wet and cold and picked up her school stuff. Suddenly she saw a glowing within the caves that she thought was fire, so she went in to

investigate. She thought I wonder what this strange but welcoming glow is. As she got into the caves she heard a voice, Who are you and what are you doing? Teresa: My name is Teresa and I have come in here to dry up and get warm. Suddenly a mirror appeared before her eyes and a spirit walked out. Spirit: I am the mirror's soul and I command you to look in the mirror. Teresa looked in the mirror and to her shock she was beautiful. Teresa: Oh, my Goodness I'm beautiful. Spirit: Yes, you

are but not beautiful enough to be able to unlock the treasure yet. Teresa: Stop teasing me, there's no treasure and I'm not beautiful. She runs out all confused. A week later a new girl called Janice had moved into the street, her appearance was appalling to the eye; she had a big birth defect growing on her cheek. But she had a beautiful heart. That day Teresa went down to the beach and saw Melissa and Naomi picking on Janice. Teresa: what are you doing? Naomi: We are picking on

this ugly-looking girl. Melissa: And if you join in, we promise we will leave you alone. *Naughty Wish* Scholastic Inc.
