From the  
internationally  
bestselling  
author who  
combines the  
warmth of

Maeve Binchy with the emotion of Kristin Hannah comes a heartwarming novel about a mother and her daughter caught in an intricate web of secrets. A heartwarming novel about a shocking discovery that forever changes the lives of three generations of women. When Briony McAllister takes a trip to visit her mother, Valerie, she uncovers a letter from her long-lost grandmother, bringing to

light a nearly unforgivable act her mother has kept secret for decades. Having always believed that her grandparents didn't want to see her, she finds that the opposite is true: her grandmother had been seeking her out all along, and it was her own mother who willfully kept them apart. Devastated that her past has come back to haunt her, Valerie realizes that her daughter's anger might

cause their troubled family history to repeat itself in a new generation. Rich with emotion and featuring magnificent descriptions of Ireland, *With All My Love* deftly weaves the stories of the past and present to take us into the heart of a family at war. As the truth is revealed, so too are the complex yet enduring bonds between mothers and daughters. Under Pressure Macmillan

Empty Pillows: Healing Matters of the Heart, Trilogy I (Empty Pillows) series is about Men and Women looking at the choices they make when it comes to relationships. Empty Pillows is not about pointing fingers at one's love interest, but rather looking at one's own decision-making skills. Empty Pillows focuses on why we allow bad people into our lives and blame them when

the relationship goes bad. Empty Pillows helps people to look strongly at themselves. Readers have summed-up Empty Pillows to be a therapeutic book, a self-help book, an introspective book, a thought-provoking book, a step-by-step book; not a man bashing or a woman bashing book. Additionally, Empty Pillows is about being the right individual for the right individual. No

man or woman can be the right one for the wrong person. If he or she is wrong for you, then you are wrong for them too. *Greenbank's Periodical Library* Heather Boyd Aphra Behn (1640-1689) was one of the most successful dramatists of the Restoration theatre and a popular poet. both Thailand and Samoa. From the sultry alleys of Bangkok to the serpentine paths of his Polynesian island, Christmas explores new frontiers of mind, body, and spirit. He shares stories from cross-cultural miscues and screw-ups to Peace Corps politics and squabbles. He also ventures into the classroom where he talks about his Thai and Samoan students who effuse a certain candor,

curiosity, and charm. And he narrates pursuing Aied, his long-lost love, and the difficult decision to return to the United States. As Christmas looks back on his Peace Corps days, he is mindful of President Kennedy's words: "... we all inhabit this small planet. We all cherish our children's futures. We all breathe the same air. And we are all mortal." *The Conservator* AuthorHouse You Can Attract the

"Marriage is intimate. Marriage is hard": sober thoughts for a time when movies and television tell us that love is supposed to be romantic and fun. In this eclectic blend of playful and earnest storytelling, social commentary, and fierce argument, Kurt Armstrong offers an up-close look at real-life marriage and

the countless ways it differs from what the advertisers tell us it should be. With wisdom, wit, and profound honesty, he explores the aching beauty of love, the ongoing struggle to maintain vows, and the reality of death as the finishing line of covenant. "Even if love one day fills my heart full of grief," says Armstrong, "it is still the only thing worth living for." This moving, honest, heartfelt look

at real-life marriage will strike a chord with single men and women, young couples, and seasoned veterans of married life.

What makes us hold on?  
Truly it has to be an effect of the spirit. No one knows the time or hour of trouble.  
Jesus has already

healed where we find our deepest hurt. A light in a place of darkness. Lemonade for the lemons of life. Salvation for those who seek it in the Lord. Inspiration for those who stand on his accord. No one knows the troubles that I see, but this book encourages and motivates the spirit to be stayed on Jesus.

 In the decade  
 from 1870 to  
 1880 a new  
 spirit was  
 stirring in the  
 intellectual  
 and literary  
 world of  
 Denmark.  
 George  
 Brandes was  
 delivering his  
 lectures on  
 the Main  
 Currents of  
 Nineteenth  
 Century  
 Literature;  
 from Norway  
 came the

deeply probing questionings of the granitic Ibsen; from across the North Sea from England echoes of the evolutionary theory and Darwinism. It was a time of controversy and bitterness, of a conflict joined between the old and the new, both going to extremes, in which nearly every one had a share. How many of the works of that period are already out-worn, and how old-fashioned

the theories that were then so violently defended and attacked! Too much logic, too much contention for its own sake, one might say, and too little art. This was the period when Jens Peter Jacobsen began to write, but he stood aside from the conflict, content to be merely artist, a creator of beauty and a seeker after truth, eager to bring into the realm of literature "the eternal laws of nature, its glories, its

riddles, its miracles," as he once put it. That is why his work has retained its living colors until to-day, without the least trace of fading.
