Un extraño objeto circular aparece en medio de un bosque apartado de la civilización. Es una pequeña nave pilotada por un ser con silueta humanoide de otro planeta de nuestra galaxia. Lo que parecía imposible se hace realidad, hay vida inteligente más allá de nuestro planeta y más cerca de lo que nadie se hubiera imaginado. Viene a avisar a los habitantes de la Tierra de una amenaza inminente. Una raza de conquistadores violentos y sin escrúpulos, se está acercando con una flota de naves y un poder de destrucción del que difícilmente los humanos podrán defenderse. El visitante ofrece a los dirigentes de la Tierra una de sus naves, para que 5.000 humanos puedan embarcarse y así la raza humana pueda tener una oportunidad de sobrevivir y perdurar en el tiempo. ¿Llegará la nave a tiempo para poder completar la

evacuación? ¿Cuál será el futuro de la raza humana?

It is 1937 and Amabelle Désir, a young Haitian woman living in the Dominican Republic, has built herself a life as the servant and companion of the wife of a wealthy colonel. She and Sebastien, a cane worker, are deeply in love and plan to marry. But Amabelle's world collapses when a wave of genocidal violence, driven by Dominican dictator Rafael Trujillo, leads to the slaughter of Haitian workers. Amabelle and Sebastien are separated, and she desperately flees the tide of violence for a Haiti she barely remembers. Already acknowledged as a classic, this harrowing story of love and survival—from one of the most important voices of her generation—is an unforgettable memorial to the victims of the Parsley Massacre and a testimony to the power of human memory. From the Trade Paperback edition.

 The Society of Captives, first published  
 in 1958, is a classic of modern  
 criminology and one of the most  
 important books ever written about  
 prison. Gresham Sykes wrote the book at  
 the height of the Cold War, motivated by  
 the world's experience of fascism and  
 communism to study the closest thing to  
 a totalitarian system in American life: a  
 maximum security prison. His analysis  
 calls into question the extent to which  
 prisons can succeed in their attempts to  
 control every facet of life--or whether the  
 strong bonds between prisoners make it  
 impossible to run a prison without  
 finding ways of "accommodating" the  
 prisoners. Re-released now with a new  
 introduction by Bruce Western and a  
 new epilogue by the author, The Society  
 of Captives will continue to serve as an  
 indispensable text for coming to terms  
 with the nature of modern power.

In this title, the author examines how  
 penal policies emanating from the  
 United States have spread throughout the  
 world. The author argues that the  
 policies have their roots in a network of  
 Reagan-era conservative think tanks,  
 which used them as weapons in their

crusade to dismantle the welfare state and, in effect, criminalise poverty.

La división estructural en libros base y monografías referidas a hechos cruciales para la interpretación de la historia de los pueblos ( conflictos, desarrollo social, cultural y tecnológico, vida cotidiana, pensamiento ) permite tanto la comprensión global de la historia de la humanidad, como la profundización sobre determinados acontecimientos o aspectos generalmente ignorados en los manuales al uso. Los estudiantes encuentran así una forma atractiva y unas amplias posibilidades de su aplicación al estudio de las múltiples facetas del devenir histórico y de las diferencias culturales y sociales. Se combinan así los grandes acontecimientos históricos con aspectos referidos a la vida cotidiana, al pensamiento o a los avances tecnológicos. Se ofrece de este modo una pluralidad de recursos para la investigación individual o colectiva, y para el desarrollo de actividades sobre temas que, a su vez, relacionan la historia del pasado para la comprensión del mundo actual. Todos los libros de esta colección contienen abundantes ilustraciones, esquemas, mapas y gráficos aclaratorios de los textos, y han sido diseñados en un formato especialmente adecuado para la consulta y el trabajo de los alumnos y alumnas

The occupation of the West Bank and Gaza has been one of the world's most widely reported yet least understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children's center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. GHASSAN, an Arab-Christian physics professor and activist from Bethlehem who co-founded the International Solidarity Movement.

En estos textos, hilvanados poco a poco tras amargos amaneceres detrás de los barrotes, se describen hechos cotidianos simples de un hombre simple, llevado al extremo de su condición humana... He aquí una crónica desgarradora que conduce de la mano al lector a través de los intrincados y hediondos pasillos de la cárcel federal de Puente Grande, donde durante tres años Jesús Lemus vivió una auténtica temporada en el infierno y padeció los brutales mecanismos punitivos del sistema penitenciario mexicano. En 2008, cuando Jesús Lemus

dirigía el periódico El Tiempo de La Piedad, Michoacán, publicó diversas notas que irritaron a las autoridades locales. La venganza de los poderosos no se hizo esperar: le fabricaron cargos criminales y lo enviaron al penal de máxima seguridad de Puente Grande. Después de varios años encerrado e incontables tribulaciones, Lemus consiguió la libertad. Gracias a la fuerza que el oficio de periodista le brindó, se decidió a contar su historia y la de aquellos hombres con los que compartió torturas y humillaciones. En las condiciones de reclusión más adversas, el autor registró las conversaciones que sostuvo en el área de segregación denominada Centro de Observación y Clasificación, donde día a día luchan por sobrevivir los presos de más alta peligrosidad, la llamada "selección nacional del crimen". Al amparo del frío de la madrugada, las voces de "los malditos" comienzan a desfilar. Entre otros, hablan Daniel Arizmendi, El Mochaorejas; El DUBY, ex integrante de los narcosatánicos; Juan Sánchez Limón, un lugarteniente del Lazca; Alfredo Beltrán Leyva, El Mochomo; Daniel Aguilar Treviño, el asesino confeso de José Francisco Ruiz Massieu; Mario Aburto; Rafael Caro Quintero y El Gato, un extraño personaje que hace confesiones insólitas y revela pasajes desconocidos de cómo eran los días en el penal cuando El Chapo Guzmán estaba preso. English Description In these texts, patched together little by little through bitter dawns behind bars, we see the simple, everyday events of a simple man, pushed to the extremes of his human condition." In 2008, when Jesús Lemus was directing the newspaper El Tiempo in La Piedad, Michoacán, he published several news items that irritated the local authorities.

The revenge of those in power was not far behind: they fabricated criminal charges and sent him to the maximum security prison in Puente Grande, where he lived through a true hell and suffered from the brutal punitive mechanisms of the Mexican penitentiary system. After several years in prison and uncountable tribulations, Lemus gained his freedom. Thanks to the strength that his journalistic career gave him, he decided to tell his story and that of those men with whom he suffered torture and humiliation. In the most adverse conditions of confinement, the author captured conversations that he had with the members of the so-called "National Crime Team." But before digging into the causes of imprisonment, he concentrated on getting proof of life from within the prison.

Once a prominent radio reporter, Mumia Abu-Jamal is now in a Pennsylvania prison awaiting his state-sactioned execution. In 1982 he was convicted and sentenced to death for the murder of Philadelphia police officer Daniel Faulkner after a trial many have criticized as profoundly biased. Live

From Death Row is a collection of his prison writings--an impassioned yet unflinching account of the brutalities and humiliations of prison life. It is also a scathing indictment of racism and political bias in the American judicial system that is certain to fuel the controversy surrounding the death penalty and freedom of speech.

The modern prison is commonly thought to be the fruit of an Enlightenment penology that stressed man's ability to reform his soul. The Medieval Prison challenges this view by tracing the institution's emergence to a much earlier period beginning in the late thirteenth century, and in doing so provides a unique view of medieval prison life. G. Geltner carefully reconstructs life inside the walls of prisons in medieval Venice, Florence, Bologna, and elsewhere in Europe. He argues that many enduring features of the modern prison--including administration, finance, and the

classification of inmates--were already developed by the end of the fourteenth century, and that incarceration as a formal punishment was far more widespread in this period than is often realized. Geltner likewise shows that inmates in medieval prisons, unlike their modern counterparts, enjoyed frequent contact with society at large. The prison typically stood in the heart of the medieval city, and inmates were not locked away but, rather, subjected to a more coercive version of ordinary life. Geltner explores every facet of this remarkable prison experience--from the terror of an inmate's arrest to the moment of his release, escape, or death--and the ways it was viewed by contemporary observers. The Medieval Prison rewrites penal history and reveals that medieval society did not have a "persecuting mentality" but in fact was more nuanced in defining and dealing with its marginal elements than is commonly recognized.
