It's time for Shelby to hibernate, but how could a bear sleep in this noisy forest? The woodpeckers are rat-tat-tatting, the squirrels are cracka-cracka-crunching--there's too much noise! When Shelby spies the perfect cave, only too late does he realize he's hopped aboard a tour bus bound for the beach. Coupled with hysterically expressive illustrations by Stephanie Laberis, Julie Gonzalez's lively text and familiar refrain sings as Shelby, after several attempts to snooze in the tropics with increasing exhaustion, finally discovers the perfect solution to his noise problem. This is a great read-aloud for young readers who will recognize the refrain ("How could a bear sleep here?") and the silliness of Shelby's predicament

Truck Coloring Book Courier Corporation

"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those

strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.
