I'm Just Sayin'! Gallery Books

In this far-ranging and heartening collection, Derrick Jensen gathers conversations with environmentalists, theologians, Native Americans, psychologists, and feminists, engaging some of our best minds in an exploration of more peaceful ways to live on Earth. Included here is Dave Foreman on biodiversity, Matthew Fox on Christianity and nature, Jerry Mander on technology, and Terry Tempest Williams on an erotic connection to the land. With intelligence and compassion, *Listening to the Land* moves from a look at the condition of the environment and the health of our spirit to a beautiful evocation of eros and a life based on love.

Toyer Hachette Books

A collection of twenty-four stories in different genres, selected to illustrate the virtues of justice, humility, courage, compassion, freedom, and respect. A lesson and notes on the story's origin follow each selection.

Kathleen Turner on Acting Simon and Schuster

Robert S. Robins and Jerrold M. Post, M.D., experts in political psychology, document and interpret the malign power of paranoia in a variety of contexts - in political movements like McCarthyism; in organizations like the John Birch Society; in leaders like Hitler, Stalin, Pol Pot, Jim Jones, and David Koresh; and among extreme groups that commit violence in the name of Christianity, Islam, and Judaism. Indeed, Robins and Post show that the paranoid dynamic has been aggressively present in every social disaster of this century. Robins and Post describe the paranoid personality, explain why paranoia is part of human evolutionary history, and examine the conditions that must exist before the message of the paranoid takes root in a vulnerable population, leading to mass movements and genocidal violence.

Listening to the Land Simon and Schuster

New York Times bestselling author Kathleen E. Woodiwiss debut romance... The Flower Doomed to a life of unending toil, Heather Simmons fears for her innocence—until a shocking, desperate act forces her to flee. . . and to seek refuge in the arms of a virile and dangerous stranger. The Flame A lusty adventurer married to the sea, Captain Brandon Birmingham courts scorn and peril when he abducts the beautiful fugitive from the tumultuous London dockside. But no power on Earth can compel him to relinquish his exquisite prize. For he is determined to make the sapphire-eyed lovely his woman. . .and to carry her off to far, uncharted realms of sensuous, passionate love.

Figures of Light Wesleyan University Press

It is a rare and remarkable book that provides a forum for actors to discuss, in their own words, their experiences, their craft, and the creative process that makes and informs a brilliant performance. This book of original interviews is just such a treasure.

Ava Gardner Routledge

Who Framed Roger Rabbit emerged at a nexus of people, technology, and circumstances that is historically, culturally, and aesthetically momentous. By the 1980s, animation seemed a

dying art. Not even the Walt Disney Company, which had already won over thirty Academy Awards, could stop what appeared to be the end of an animation era. To revitalize popular interest in animation, Disney needed to reach outside its own studio and create the distinctive film that helped usher in a Disney Renaissance. That film, *Who Framed Roger Rabbit*, though expensive and controversial, debuted in theaters to huge success at the box office in 1988. Unique in its conceit of cartoons living in the real world, *Who Framed Roger Rabbit* magically blended live action and animation, carrying with it a humor that still resonates with audiences. Upon the film's release, Disney's marketing program led the audience to believe that *Who Framed Roger Rabbit* was made solely by director Bob Zemeckis, director of animation Dick Williams, and the visual effects company Industrial Light & Magic, though many Disney animators contributed to the project. Author Ross Anderson interviewed over 140 artists to tell the story of how they created something truly magical. Anderson describes the ways in which the *Roger Rabbit* characters have been used in film shorts, commercials, and merchandising, and how they have remained a cultural touchstone today.

The Actor Within Taylor & Francis

Oliver and Barbara Rose thought they had a perfect marriage, only to discover their marriage was skin deep. This story was made into a major motion picture with Michael Douglas and Kathleen Turner.

I'll Scream Later Delacorte Press

This volume offers transdisciplinary perspectives on the study of acting and performance in moving image forms. It assembles 26 international scholars from dance, theatre, film, media and cultural studies, art history and philosophy to investigate the art of acting and the presence of the human body in analog and digital film, animation and video art. The volume includes classical case studies and essays devoted to acting history and acting and genres, but its particular emphasis is on introducing a wide range of groundbreaking theoretical approaches - from continental and analytic philosophy to new media theory and cognitivist research - all of which interrogate the fundamental conceptions of »act« and »actor« that underwrite both popular and academic notions of performance in moving image culture.

When Illness Strikes the Leader Samuel French, Incorporated
Dr. Jerrold M. Post and Robert S. Robins explore the impact of physical and mental illness on political leadership.

Rainer on Film Sourcebooks, Inc.

An assistant curator of Munich's National Museum, Vicky Bliss is no expert on Egypt, but she does have a Ph.D. in solving crimes. So when an intelligence agency offers her a luxury Nile cruise if she'll help solve a murder and stop a heist of Egyptian antiquities, all 5'11" of her takes the plunge. Vicky suspects the authorities really want her to lead them to her missing lover, the art thief and master of disguises she knows only as "Sir John Smythe." And right in the shadow of the Sphinx she spots him. . . with his new flame. Vicky is so furious at this romantic stab-in-the-back, not to mention the sudden arrival of her meddling boss, Herr Dr. Schmidt, that she may overlook a danger as old as the pharaohs and as unchanging. . . a criminal who hides behind a mask of

charm while moving in for the kill.

In her day, Eva Tanguay (1879-1947) was one of the most famous women in America. Widely known as the "I Don't Care Girl"—named after a song she popularized and her independent, even brazen persona—Tanguay established herself as a vaudeville and musical comedy star in 1901 with the New York City premiere of the show *My Lady*—and never looked back. Tanguay was, at the height of a long career that stretched until the early 1930s, a trend-setting performer who embodied the emerging ideal of the bold and sexual female entertainer. Whether suggestively singing songs with titles like "It's All Been Done Before But Not the Way I Do It" and "Go As Far As You Like" or wearing a daring dress made of pennies, she was a precursor to subsequent generations of performers, from Mae West to Madonna and Lady Gaga, who have been both idolized and condemned for simultaneously displaying and playing with blatant displays of female sexuality. In *Queen of Vaudeville*, Andrew L. Erdman tells Eva Tanguay's remarkable life story with verve. Born into the family of a country doctor in rural Quebec and raised in a New England mill town, Tanguay found a home on the vaudeville stage. Erdman follows the course of her life as she amasses fame and wealth, marries (and divorces) twice, engages in affairs closely followed in the press, declares herself a Christian Scientist, becomes one of the first celebrities to get plastic surgery, loses her fortune following the Wall Street Crash of 1929, and receives her last notice, an obituary in *Variety*. The arc of Tanguay's career follows the history of American popular culture in the first half of the twentieth century. Tanguay's appeal, so dependent on her physical presence and personal charisma, did not come across in the new media of radio and motion pictures. With nineteen rare or previously unpublished images, *Queen of Vaudeville* is a dynamic portrait of a dazzling and unjustly forgotten show business star.

Stanislavski's 'system' has dominated actor-training in the West since his writings were first translated into English in the 1920s and 30s. His systematic attempt to outline a psycho-physical technique for acting single-handedly revolutionized standards of acting in the theatre. Until now, readers and students have had to contend with inaccurate, misleading and difficult-to-read English-language versions. Some of the mistranslations have resulted in profound distortions in the way his system has been interpreted and taught. At last, Jean Benedetti has succeeded in translating Stanislavski's huge manual into a lively, fascinating and accurate text in English. He has remained faithful to the author's original intentions, putting the two books previously known as *An Actor Prepares* and *Building A Character* back together into one volume, and in a colloquial and readable style for today's actors. The result is a major contribution to the theatre, and a service to one of the great innovators of the twentieth century. This Routledge Classics edition includes a new Foreword by the director Richard Eyre.

Great Hollywood Wit Bantam

In light of the police shootings of Mike Brown in Ferguson, Missouri and John Crawford III in Beavercreek, Ohio, among others, The New Black Fest commissioned seven emerging black playwrights to write 10-15 minute monologues that explore their feelings about the well-being of black in a culture of institutional profiling.

Explore the history and cultural impact of a groundbreaking television show adored by old and new fans alike: *Buffy the Vampire Slayer*. Over the course of its seven-year run, *Buffy the Vampire Slayer* cultivated a loyal fandom and featured a strong, complex female lead, at a time when such a character was a rarity. Evan Ross Katz explores the show's cultural relevance through a book that is part oral history, part celebration, and part memoir of a personal fandom that has universal resonance still, decades later. Katz—with the help of the show's cast, creators, and crew—reveals that although *Buffy* contributed to important conversations about gender, sexuality, and feminism, it was not free of internal strife, controversy, and shortcomings. Men—both on screen and off—would taint the show's reputation as a feminist masterpiece, and changing networks, amongst other factors, would drastically alter the show's tone. Katz addresses these issues and more, including interviews with stars Sarah Michelle Gellar, Charisma Carpenter, Emma Caulfield, Amber Benson, James Marsters, Anthony Stewart Head, Seth Green, Marc Blucas, Nicholas Brendon, Danny Strong, Tom Lenk, Bianca Lawson, Julie Benz, Clare Kramer, K. Todd Freeman, Sharon Ferguson; and writers Douglas Petrie, Jane Espenson, and Drew Z. Greenberg; as well as conversations with *Buffy* fanatics and friends of the cast including Stacey Abrams, Cynthia Erivo, Lee Pace, Claire Saffitz, Tavi Gevinson, and Selma Blair. *Into Every Generation a Slayer Is Born* engages with the very notion of fandom, and the ways a show like *Buffy* can influence not only how we see the world but how we exist within it.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*

[Crimes of the Heart](#) Macmillan

"Forget being an actor. You don't have the look, you don't have the talent, and your name is ridiculous. You are the last guy I would ever pick to be a movie star." This was the first piece of advice Steve Guttenberg ever received from an agent. Like many other times in his life, he didn't listen. In this honest, charming memoir, Guttenberg tells the unique story of his first decade in Hollywood, as he went from being a complete unknown to starring in some of the most successful blockbusters of all time. He spent his early days sneaking onto the Paramount lot and meeting more actors and casting agents than most aspiring actors ever would. Even before the hit *Police Academy*—which his manager said would be a flop—he had already worked with such luminaries as Lord Laurence Olivier, Richard Widmark, and Gregory Peck. Later he shared the screen with actors such as Mickey Rourke and Sharon Stone long before they became household names. Guttenberg has lived through the addictive pull of show business and worldwide celebrity (you're no one until you have a stalker, he learns). With a clear-eyed appreciation for the one-of-a-kind experiences that the celebrity lifestyle has to offer, he knew that his family would keep him grounded throughout it all. And his self-awareness and sense of humor about the ups and downs of fame make *The Guttenberg Bible* one of the most candid Hollywood stories to date.

[Night Train to Memphis](#) Samuel French, Inc.

Great Hollywood Wit rollicks with hilarious movie lines and backstage zingers—smart, tart, and (in Sir John Gielgud's case) wicked: "Ingrid Bergman speaks five languages and can't act in

any of them." Julia Roberts, fashion buff: "I only put clothes on so that I'm not naked when I go out shopping." Retiring Burt Reynolds: "You can only hold your stomach in for so many years." Great Hollywood Wit is an unequaled cavalcade of hilarity that you'll laugh through again and again. A wonderful one-of-a-kind gift.

The Making of Outlander: The Series transcript Verlag

Directing film or television is a high-stakes occupation. It captures your full attention at every moment, calling on you to commit every resource and stretch yourself to the limit; it's the white-water rafting of entertainment jobs. But for many directors, the excitement they feel about a new project tightens into anxiety when it comes to working with actors. In the years since the original edition of *Directing Actors* was published, the technical side of filmmaking has become much more easily accessible. Directors tell me that dealing with actors is the last frontier--the scariest part and the part they long for--the human part, the place where connection happens. Weston's books help directors scale the heights of the actor-director dynamic, learn the joys of collaborating with actors--and become an "actor's director."
