[The Midnight Children](#) Harper Collins

Fascinating and provocative, Ariely's *The Truth About Dishonesty* is an insightful and brilliantly researched take on cheating, deception and willpower. Internationally bestselling author Ariely pulls no punches when it comes to home truths.

**The Honest Truth** Harper Collins

The #1 New York Times and Indie bestseller! From Dan Gemeinhart, the acclaimed author of *The Remarkable Journey of Coyote Sunrise*, comes an extraordinary story about a family of runaways who take up residence in a small town, and the outcast boy who finds his voice and his people—perfect for fans of Katherine Applegate and Kate DiCamillo. "Dan Gemeinhart's best yet and that's saying something." —Padma Venkatraman, Walter Award-winning author of *The Bridge Home* In the dead of night, a truck arrives in Slaughterville, a small town curiously named after its windowless slaughterhouse. Seven mysterious kids with suitcases step out of the vehicle and into an abandoned home on a dead-end street, looking over their shoulders to make sure they aren't noticed. But Ravani Foster covertly witnesses their arrival from his bedroom window. Timid and lonely, Ravani is eager to learn everything he can about his new neighbors: What secrets are they hiding? And most mysterious of all...where are the adults? Yet amid this shadowy group of children, Ravani finds an unexpected friend in the warm and gutsy Virginia. But with this friendship comes secrets revealed—and danger. When Ravani learns of a threat to his new friends, he must fight to keep them safe, or lose the only person who has ever understood him. Full of wonder, friendship, and mystery, *The Midnight Children* explores the meaning of "home," what makes a family, and what it takes to find the courage to believe in yourself. \* "A story of fierce friendship, bravery, loyalty, and finding—or making—a place to belong." —Kirkus Reviews, starred review "Equal parts Kate DiCamillo and Shirley Jackson, this book is unlike anything else I've ever read—you will love it." —Jonathan Auxier, New York Times bestselling author of *Night Gardener* and *Sweep: the Story of a Girl and her Monster*

**To Be Honest** NYU Press

A retired FBI explains the current fraud threat picture that any individual or organization may face. Armed with this knowledge, the author walks the reader through the Fraud Live Cycle: Prevention, Detection, Investigation, Mitigation, and Remediation. This book has particular significance to the many professionals who are responsible for overseeing fraud-related issues, including auditors, general counsels, compliance officers, board members, human resource professionals, chief audit executives, heads of security, criminal and civil investigators, regulators, and frontline managers. The book is also used as a textbook for university students studying forensic accounting. The book is also for the casual observer who wants to understand fraud and what can be done to minimize its impact. Another audience includes the many organizations that have been impacted by fraud and whose boards of directors are mandating that something be done so that the horrific event will not happen again. The book is also for the many audiences to whom the author speaks and say he should write a book. Finally, this book is for those forward-looking organizations that assign fraud risk management to a corporate official, such as the chief risk officer or the compliance officer. If you find yourself in any of these roles, this book is for you.

[The Honest Truth About Dishonesty](#) Turtleback

Popular author Steven Lubet brings his signature blend of humor, advocacy, and legal ethics to *The Importance of Being Honest*, an incisive analysis of how honesty and law play out in current affairs and historical events. Drawing on original work as well as op-ed pieces and articles that have appeared in the *American Lawyer*, the *Chicago Tribune*, and many other national publications, Lubet explores the complex aspects of honesty in the legal world. The importance of being honest is full of tales of questionable practices and poor behavior, chosen because negative examples are much richer, and often more remarkable, in their ultimate lessons. Wyatt Earp's shootout with Billy Clanton, Bill Clinton's disastrous decision to lie under oath, Oscar Wilde's self-destructive perjury in a 1896 libel trial, and the dubious resolution of Justice Scalia's duck hunting trip with Dick Cheney are only a few of the cases Lubet use to illustrate that law is a vague and boggy realm where truth, and falsehood, is seldom absolute. With his lively, insightful, and sometimes hilarious prose, Lubet takes readers on a tour of the law in our everyday lives, and forces us to rethink how we really feel about honesty and truth.

**The Irrational Bundle** Simon and Schuster

One of the twentieth century's enduring works, *One Hundred*

*Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

[I Am Honest](#) Lorimer

It can be tempting to tell a white lie to avoid getting in trouble. But what would that tell others about the type of person you are? This title for early readers explores the benefits and results of being honest, and how readers can show their character in everyday life!

*The Great Indian Novel* Harper Perennial

Mark has been in and out of hospital his whole life - and he's fed up. So when his cancer returns, he decides he's had enough. Running away with his dog Beau, he sets out to climb a mountain - and it's only when he's left everything behind that Mark realises he has everything to live for.

*The Silent Patient* Scholastic Inc.

Would you be willing to continue to climb the corporate ladder and achieve the 'American dream,' if it meant lying to protect your company at the expense of others? Aleta Maree wasn't. And what would a company be willing to do if those lies were exposed? Aleta Maree found out. This is the story of a real life whistleblower. She fought for what she knew to be right, despite the odds being stacked against her. She stood up to corporate America even though no one stood up with her. What she went through at the hands of the company she had grown to love is, in many ways, unspeakable. Yet she stood firm, confident in the knowledge that God is on the side of truth. Her faith saw her through, and she tells her story with the ability to notice God in the little things, such as bringing a song to mind at just the moment she needed it, or a beloved Bible verse corresponding with a significant date. You will be blown away by her story and her faith. *The Good Honest Truth* is well worth your time. It might even change your life.

[The Honest Truth](#) Scholastic Inc.

The New York Times bestselling author of *Predictably Irrational* and *The Upside of Irrationality* returns with thought-provoking work to challenge our preconceptions about dishonesty and urge us to take an honest look at ourselves. Does the chance of getting caught affect how likely we are to cheat? How do companies pave the way for dishonesty? Does collaboration make us more honest or less so? Does religion improve our honesty? Most of us think of ourselves as honest, but, in fact, we all cheat. From Washington to Wall Street, the classroom to the workplace, unethical behavior is everywhere. None of us is immune, whether it's the white lie to head off trouble or padding our expense reports. In *The (Honest) Truth About Dishonesty*, award-winning, bestselling author Dan Ariely turns his unique insight and innovative research to the question of dishonesty. Generally, we assume that cheating, like most other decisions, is based on a rational cost-benefit analysis. But Ariely argues, and then demonstrates, that it's actually the irrational forces that we don't take into account that often determine whether we behave ethically or not. For every Enron or political bribe, there are countless puffed résumés, hidden commissions, and knockoff purses. In *The (Honest) Truth About Dishonesty*, Ariely shows why some things are easier to lie about; how getting caught matters less than we think; and how business practices pave the way for unethical behavior, both intentionally and unintentionally. Ariely explores how unethical behavior works in the personal, professional, and political worlds, and how it affects all of us, even as we think of ourselves as having high moral standards. But all is not lost. Ariely also identifies what keeps us honest, pointing the way for achieving higher ethics in our everyday lives. With compelling personal and academic findings, *The (Honest) Truth About Dishonesty* will change the way we see ourselves, our actions, and others.

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, *The Mahabharata*, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent,

witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic *The Mahabharata*. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

*If I Go Missing* Scholastic UK

NEW YORK TIMES BESTSELLER • "Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily's journeys, creating a provocative exploration of the strength that love and acceptance require."—The Washington Post GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE'S BOOK OF THE WEEK ONE OF THE BEST BOOKS OF THE YEAR: PopSugar Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father's beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can't help but fall for him, too. With Ash, she feels happy for the first time. Yet at times, she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn't acknowledge the flashes of his father's temper in Ash, and as the case against him unfolds, she realizes he's hidden more than he's shared with her. *Mad Honey* is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves.

\*\*THE INSTANT #1 NEW YORK TIMES BESTSELLER\*\* "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

Fans of the hit Bravo show *Tabatha's Salon Takeover* tune in for the straight-shooting, unvarnished commentary of its ballsy, stylish, and savvy star. Though millions admire Tabatha Coffey's unflinching honesty and never-say-die attitude, some do not and have even taken to name-calling. Refusing to let others define her, she has reclaimed the word "bitch," transforming it to fit the person she is: Brave, Intelligent, Tenacious, Creative, and Honest. In *It's Not Really About the Hair*, this deeply private woman shares the experiences of her own life to encourage you to get in touch with your own inner bitch. Tabatha reveals how she used her strength and openness to help define her signature look, personal relationships, life choices, and tenacious work ethic—one that in her own words likens her to "a pit bull with a bone." Here are the people and the circumstances that have led her to a place of honesty, self-assurance, satisfaction, and success—from her tough-minded mum to her famous mentors, her peers, and clients. Part memoir, part business manual, and part coaching guide on achieving self-acceptance and love, *It's Not Really About the Hair* teaches you that it's all right to be who you are, stand up for what you believe in, and do what makes you happy without being defined by others. Tabatha Coffey's raw, funny, shocking, and always inspirational story will encourage you to celebrate the long-lasting and most important beauty of all—the true beauty

that is you.
