Artist as Reporter John Wiley & Sons

Active from 1940 to 1948, PM was a progressive New York City daily tabloid newspaper committed to the politics of labor, social justice, and antifascism—and it prioritized the intelligent and critical deployment of pictures and their perception as paramount in these campaigns. With PM as its main focus, Artist as Reporter offers a substantial intervention in the literature on American journalism, photography, and modern art. The book considers the journalistic contributions to PM of such signal American modernists as the curator Holger Cahill, the abstract painter Ad Reinhardt, the photographers Weegee and Lisette Model, and the filmmaker, photographer, and editor Ralph Steiner. Each of its five chapters explores one dimension of the tabloid's complex journalistic activation of modernism's potential, showing how PM inserted into daily print journalism the most innovative critical thinking in the fields of painting, illustration, cartooning, and the lens-based arts. Artist as Reporter promises to revise our own understanding of midcentury American modernism and the nature of its relationship to the wider media and public culture.

Holidays and Special Days Project Index for Young People David C Cook

A graphic novel satirizing the history of the United States. It follows Uncle Sam as he attends various events over the centuries, from a massacre of Indians to a demonstration by striking workers. The novel contrasts his words with what he really means.

Popular Mechanics Magazine Apress

It all began with a giant cheeseburger-shaped rice crispy treat, created on a whim and posted online. Since then, Misterkrisp, aka food artist Jessica Siskin, has become an Instagram sensation with her joy-inducing, pop-culture-inspired treats. Treat Yourself! is the perfect answer for any cook, crafty food lover, or creative parent looking to make crowd-pleasing and personalized treats for birthdays, holidays, school events, and virtually every other occasion. With no baking required, these playful, visually dazzling sweets are simple enough for anyone to whip up. Each of the 93 projects, arranged from Apple to Zebra, starts with a single base recipe. There are large, cake-sized treats to share and individual-sized treats perfect for bake sales and goody bags. Step-by-step instructions, vibrant illustrations, and downloadable templates ensure that anyone, with any level of skill, can turn out delicious, eye-catching creations: Lively designs for kids' parties—Robot, Dinosaur, Crown, Balloons. A Cheeseburger. A Statue of Liberty. A Dancing Lady Emoji. And a sweet centerpiece for your next Super Bowl bash: a Football Stadium filled with sprinkle spectators. It'll serve the neighborhood! Treats have never been so much fun or so doable.

Clean Code Libraries Unlimited

For many people, especially those who came of age after landmark civil rights legislation was passed, it is difficult to understand what it was like to be an African American living under Jim Crow segregation in the United States. Most young Americans have little or no knowledge about restrictive covenants, literacy tests, poll taxes, lynchings, and other oppressive features of the Jim Crow racial hierarchy. Even those who have some familiarity with the period may initially view racist segregation and injustices as mere relics of a distant, shameful past. A proper understanding of race relations in this country must include a solid knowledge of Jim Crow—how it emerged, what it was like, how it ended, and its impact on the culture. Understanding Jim Crow introduces readers to the Jim Crow Museum of Racist Memorabilia, a collection of more than ten thousand contemptible collectibles that are used to engage

visitors in intense and intelligent discussions about race, race relations, and racism. The items are offensive. They were meant to be offensive. The items in the Jim Crow Museum served to dehumanize blacks and legitimized patterns of prejudice, discrimination, and segregation. Using racist objects as teaching tools seems counterintuitive—and, quite frankly, needlessly risky. Many Americans are already apprehensive discussing race relations, especially in settings where their ideas are challenged. The museum and this book exist to help overcome our collective trepidation and reluctance to talk about race. Fully illustrated, and with context provided by the museum's founder and director David Pilgrim, *Understanding Jim Crow* is both a grisly tour through America's past and an auspicious starting point for racial understanding and healing.

Paint, Oil and Drug Review Gallopade International

Combine the luscious textures and colors of wool with applique and quilting techniques. These 9 quick-and-easy projects are perfect for both beginning and advanced quilters.

Electrical Engineering Carson Dellosa Publishing Company

The Retail Coalman Workman Publishing

The first book to show readers how to create a complete e-commerce driven website using two of the most popular open source technologies, PHP and PostgreSQL Adapted from the strong selling *Beginning PHP 5* and *MySQL E-Commerce*, this book is based on a proven and popular instructional model. PostgreSQL, long the second most popular open source database in the world, has seen a significant resurgence in interest throughout 2005 due to software enhancements and considerable capital injections. It stands to reason already strong interest in this database will continue to grow for the foreseeable future.

Rickenbacker Conran Octopus

From the bestselling, Booker Prize-winning author of *The Sense of an Ending* and one of Britain's greatest writers: a brilliant collection of essays on the books and authors that have meant the most to him throughout his illustrious career. • "[A] blissfully intelligent gathering of literary essays." —Financial Times In these seventeen essays (plus a short story and a special preface, "A Life with Books"), Julian Barnes examines the British, French and American writers who have shaped his writing, as well as the cross-currents and overlappings of their different cultures. From the deceptiveness of Penelope Fitzgerald to the directness of Hemingway, from Kipling's view of France to the French view of Kipling, from the many translations of *Madame Bovary* to the fabulations of Ford Madox Ford, from the National Treasure status of George Orwell to the despair of Michel Houellebecq, Julian Barnes considers what fiction is, and what it can do. As he writes, "Novels tell us the most truth about life: what it is, how we live it, what it might be for, how we enjoy and value it, and how we lose it."

Country Fabric Scrap Crafts Fox Chapel Publishing Company Incorporated

Add creativity to your daily curriculum with hundreds of all new

unique seasonal and holiday ideas! This book includes: theme-based units, cross-curricular activities, worksheets, and patterns; writing activities; international holidays; bulletin board ideas with instructions and patterns; teacher tips; and much more!

June & July

The perfect project guide for scout troops, craft classes, and everyone who wants an easy and inexpensive activity. sell at craft shows or make just for fun and recreation! *How to Make Yarn Dolls* is an easy-to-follow guide for creating many different doll characters using one basic pattern. This book will show you how to: Make the basic doll body, the beginning of every doll character Create faces for People, Animals, and Birds Add just the right hair or other facial feature Finish the character with clothes and accessories Included are step by step instructions as well as full size pattern pieces for the different doll costumes. About the Author: JoAnne Singley lives in Northeastern Pennsylvania and has been doing crafts for over 40 years. Her love of crafts started when she was only 15. Yarn dolls were something a classmate taught her when she was only 10 years old. She has been creating new and exciting doll characters ever since. Yarn dolls are not the only interest that JoAnne has. She also enjoys pouring composition dolls, sewing, reading, designing and making new crafts, gardening, cooking, designing costumes for bears and cloth dolls, and reupholstering furniture. Not enough hours in the day, as you can see! JoAnne does out-of-state craft shows in addition to working and designing craft kits for local nursing homes. She has also attended cosmetology school and has studied business and healthcare. She wants to share all her designs and crafting tips with others. So, with the publication of *How to Make Yarn Dolls I and II*, her writing career has begun. In her spare time, when she has some, she chases after her two cats, Red Cat and Junior.

Understanding Jim Crow

Crafts.

Creative Forecasting

The squatter--defined by Noah Webster as one that settles on new land without a title--had long been a fixture of America's frontier past. In the antebellum period, white squatters propelled the Jacksonian Democratic Party to dominance and the United States to the shores of the Pacific. In a bold reframing of the era's political history, John Suval explores how Squatter Democracy transformed the partisan landscape and the map of North America, hastening clashes that ultimately sundered the nation. With one eye on Washington and the other on flashpoints across the West, *Dangerous Ground* tracks squatters from the Mississippi Valley and cotton lands of Texas, to Oregon, Gold Rush-era California, and, finally, Bleeding Kansas. The sweeping narrative reveals how claiming western domains became stubbornly intertwined with partisan politics and fights over the extension of slavery. While previous generations of statesmen had maligned and sought to contain illegal settlers, Democrats celebrated squatters as pioneering yeomen and encouraged their land grabs through preemption laws, Indian removal, and hawkish diplomacy. As America expanded, the party's power grew. The US-Mexican War led many to ask whether these squatters were genuine yeomen or forerunners of slavery expansion. Some northern Democrats bolted to form the Free Soil Party, while southerners denounced any hindrance to slavery's spread. Faced with a fracturing party, Democratic leaders allowed territorial inhabitants to determine whether new lands would be slave or free, leading to a destabilizing transfer of authority from Congress to frontier settlers. Squatters thus morphed from agents of Manifest Destiny into foot soldiers in battles that ruptured the party and the country. Deeply researched and vividly written, *Dangerous Ground* illuminates the overlooked role

of squatters in the United States' growth into a continent-spanning juggernaut and in the onset of the Civil War, casting crucial light on the promises and vulnerabilities of American democracy.

Spokesman of the Carriage and Associate Trades

Add a boost to your children's ministry with these easy-to-prepare productions, ranging from special-occasion quick skits to full-blown traditional holiday pageants.
