**Arcane Corridors**

An official Dungeons & Dragons journal featuring 365 writing prompts to help role-players of all levels get their creative juices flowing. Building something from scratch is exciting, but it can also be a challenge. Within this journal lie 365 prompts to help you start your journey. Every page will steer you to strengthening the details of your world, whether you're playing within the vast Dungeons & Dragons cosmos or creating a landscape of your own design. You'll encounter insightful questions that encourage you to delve deep into the backstories of your characters and their enemies, and what drives them to a life of adventure. You'll also see prompts that reference D&D myths and legends, some familiar and others more obscure. Answer them as best you can or let them be the spark that starts your journey into the endless realms of D&D lore. Above all, this guided journal, like D&D itself, is driven by your imagination. There are no wrong answers, paths, or rolls here (though once the game begins there are no

guarantees). Nor do you need to be a master storyteller, writer, or artist. You just need to aspire to create and have the courage to build something you may have never before imagined.

Dungeons & Dragons Waterdeep: Dungeon of the Mad Mage (Adventure Book, D&D Roleplaying Game)

Explore the mega-dungeon of Undermountain in this adventure for the world's greatest roleplaying game. In the city of Waterdeep rests a tavern called the Yawning Portal, named after the gaping pit in its common room. At the bottom of this crumbling shaft is a labyrinthine dungeon shunned by all but the most daring adventurers. Known as Undermountain, this dungeon is the domain of the mad wizard Halaster Blackcloak. Long has the Mad Mage dwelt in these forlorn depths, seeding his lair with monsters, traps, and mysteries—to what end is a constant source of speculation and concern. • The follow up to Waterdeep: Dragon Heist, Dungeon of the Mad Mage takes adventurers deep into one of D&D's biggest dungeons. Each of Undermountain's twenty-three levels is an adventure setting unto itself, and the book includes a map for each one. • Waterdeep, known as the City of Splendors, is one of D&D's most iconic locations. Also the setting for the board game Lords of Waterdeep, it's the jewel of the Sword Coast—a sprawling melting pot held together by firm laws and swift justice. • Dungeon of the Mad Mage is the second of two Dungeons & Dragons books set in Waterdeep. It picks up where the first, Dragon Heist, leaves off, taking characters of 5th level or higher all the way to 20th level. • In D&D, you and your friends coauthor you own legend. Guided by a Dungeon Master, you create characters and play their roles in a story, rolling dice and navigating maps as you unfold a tale as limitless as your imagination. • Dungeons & Dragons is the world's greatest roleplaying game. Created in 1974, D&D transformed gaming culture by blending traditional fantasy with miniatures and wargaming.
