Meet Spoon. He's always been a happy little utensil. But lately, he feels like life as a spoon just isn't cutting it. He thinks Fork, Knife, and The Chopsticks all have it so much better than him. But do they? And what do they think about Spoon? A book for all ages, Spoon serves as a gentle reminder to celebrate what makes us each special.

A Spoonful for Bunny B.E.S. Publishing

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Through the Forest of Sycamore trees where the path takes a turn and winds around to a beautiful glen, that's where The Bunny Berry Tales begin! Stories told throughout the years to children and grandchildren with love about the Bunny Family that lives in a home built of mud, straw, and love. As you read through these pages with a child on your lap, may Memory Lane and daydreams come to pass. As Wisdom is a gift from God in our hearts, may our children and all we hold dear hear the lessons learned today and throughout the years. So, remember the Fair, the sunshine, and the music of the band, welcome reader to Bunny Berry Land!

What would you do to be yourself again? A shortage of spoons leaves Mrs. Nimfy no option but to place her oddest utensil on the dinner table for Teffys honorary feast. Teffy ends up being the one to use the spoon, which she learns has an ancient legend associated with it.

Needless to say, she isn't surprised when she wakes up the following morning as a chicken instead of a gnome. It becomes necessary for her and her friends to race around the planet and against time to gather the needed ingredients to brew an antidote before it grows too late and Teffy is stranded a chicken, forever.

*The Bunny Berry Tales* BoD - Books on Demand

Growing up in St. Louis, Missouri, Tommy Chamberlain always dreamed of one day becoming a professional working actor;

inspired by such eclectic fare as "The Poseidon Adventure" and "The Birds." When he turned eighteen, he moved to Hollywood, California with \$150 dollars, and a determination to succeed in his life-long ambition. Arriving in Hollywood, Tommy eventually found work as a runway model and as the host of the Los Angeles cable access show, "Future Is Now." It wasn't long before Tommy found himself living life in a fast lane that bounced him between dead-end jobs, disco melodramas, seasoned actors, prostitutes, and finally his first real brushes with fame; before experiencing heartbreak, devastation, drug abuse and rebirth. "Joe Matonis" Tommy Chamberlain is one of those personalities that make an impression on you. One of those people that makes

you look at your own war-stories of misspent youth and reconsider them to be what they really are - less interesting than Tommy Chamberlain in the early 90s. Part of you wishes you could have been there to see it all. The other part of you is grateful to have been a thousand miles away. "John D."

 Make the most of every day with your dog using this fun collection of healthy recipes, easy DIYs, and Pinterest-worthy party plans that you and your pup can enjoy together. Our dogs are more of a part of our lives than ever, but it's still hard to find cute treats, toys, and accessories for them that you can make yourself. When Heather Hunt brought home her dachshund, Dave, she scoured the internet for all the info she could find

about being a great dog owner. And although she found plenty of factual guides to being a good pup parent, she was shocked that the fun and silly parts of owning a dog were completely missing—how to create a comfortable Halloween costume without buying a sewing machine, how to bake a nutritious barkday cake, or how to host a party for other pup friends. Heather eventually launched TheDapple.com as a place to share great pet products and simple, creative activities for modern dog parents. In *Life's a Puppy Party*, Heather has created a handbook for having fun with your dog. Grouped by season, it features easy, cost-efficient, Instagrammable, and vet-approved recipes, crafts, and no-sew costume ideas to make your pup a part of every

type of celebration. In this book, readers will learn how to: -Bake an easy “pupcake” -Upcycle a pair of old jeans into a cute bandana -Throw a backyard puppy pool party -Turn a dog hoodie into a dinosaur Halloween costume -And make a dog toy advent calendar This is a perfect gift for any dog parent looking for more ways to celebrate their pooch while giving us all something to smile about.

**Duck! Rabbit!** AuthorHouse

Diagnosed with fibromyalgia in her mid-thirties, Nancy Laracy adopts a rabbit, Bunny Boy, who ends up saving her life—literally. When the rug is pulled under from Nancy Laracy, a busy wife and mother of two who is diagnosed with a mixed connective tissue disease and fibromyalgia in her mid-thirties, she rebelliously adopts a baby red satin rabbit, Bunny Boy. So begins a deep, magical, and lifelong bond, where Bunny

Boy and Nancy become inseparable companions in pain management. As Nancy battles her debilitating chronic pain, Bunny Boy is diagnosed with a similar incurable autoimmune disease, developing a severe jaw abscess. Despite the fact that bunnies are known for succumbing to their fear and pain during medical treatment, Bunny Boy fights through countless surgeries with the heart of a lion, even helping to pioneer a cutting-edge medical treatment that, once made available to humans, would save Nancy's life. Despite Bunny Boy's illness, he lives boldly with joie de vivre without a care for his pain, gamboling about the house where he runs free. As they grow closer in sickness and in health, Bunny Boy shows Nancy how to reclaim her own

zest for life and overcome her disease, as well as dozens of other patients in a rehabilitation center when he becomes a therapy rabbit. A poignant story of resiliency, deep love, and faith in miracles, Bunny Boy and Me is a heartwarming tale of the unluckiest, luckiest rabbit who defied the odds and made a difference.

**Spoon** Simon and Schuster  
 Master of razor-edged literary humor Binnie Kirshenbaum returns with her first novel in a decade, a devastating, laugh-out-loud funny story of a writer's slide into depression and institutionalization. It's New Year's Eve, the holiday of forced fellowship, mandatory fun, and paper hats. While dining out with her husband and their friends, Kirshenbaum's protagonist—an acerbic, mordantly witty, and clinically depressed writer—fully unravels. Her breakdown lands her in the psych ward of a prestigious New York hospital, where she refuses all modes of recommended treatment. Instead, she passes the time chronicling the lives of her fellow “lunatics” and writing a novel about

what brought her there. Her story is a brilliant and brutally funny dive into the disordered mind of a woman who sees the world all too clearly. Propelled by razor-sharp comic timing and rife with pinpoint insights, Kirshenbaum examines what it means to be unloved and loved, to succeed and fail, to be at once impervious and raw. *Rabbits for Food* shows how art can lead us out of—or into—the depths of disconsolate loneliness and piercing grief. A bravura literary performance from one of our most indispensable writers.
