*The Long Goodbye* Pan Macmillan

Why are so many conscientious women needlessly hard on themselves for things they readily forgive in others? Why do so many competent women shy away from risks and opportunities, or fear speaking up in the workplace? And why do so many ambitious women feel like a fraud despite the success and achievements they have rightfully earned? For fans of Brene Brown and lovers of inspiring self-help titles, Goodbye, Perfect is a must-read leadership and self-care book for women who have fallen into the toxic traps of perfectionism, approval seeking and endless doing. At its core, it teaches us how to embrace the gifts our lives embody, and reclaim joy, ease and psychological well being as fundamental tenets of a brave and purpose-driven life. This is the essence of living for yourself. It is about living the life you're here to live. With a clear and science-based explanation of the two types of high confidence, and highly relatable stories from both her personal and professional life, author, coach and thought leader Homaira Kabir helps us understand why most women struggle with fragile confidence, and how it is the greatest barrier to their biggest lives. She offers an uplifting and empowering way to reclaim our lives, both professionally and personally; instead of fighting the behaviors that we know are getting in our way, we unhook from the need to engage with them. It is the journey of optimal confidence.

Steffi doesn't talk, but she has so much to say. Rhys can't hear, but he can listen. Steffi has been a selective mute for most of her life. She suffers from crippling anxiety, and uncontrollably, in most situations simply can't open her mouth to get out the words. Steffi's been silent for so long that she feels completely invisible. But Rhys, the new boy at school, sees her. He's deaf, and her knowledge of basic sign language means that she's assigned to help him acclimate. To Rhys, it doesn't matter that Steffi doesn't talk. As they find ways to communicate, Steffi discovers that she does have a voice, and that she's falling in love with the one person who makes her feel brave enough to use it. But as she starts to overcome a lifelong challenge, she'll soon confront questions about the nature of her own identity and the very essence of what it is to know another person.
