Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history. This directory is an attempt to collect together information about such bands and make it available to all. Over 19,600 bands are recorded here, with some

10,600 additional cross references for alternative or previous names. This volume supersedes the earlier "British Brass Bands - a Historical Directory" (2016) and includes some 1,400 bands from the island of Ireland. A separate work is in preparation covering brass bands beyond the British Isles. A separate appendix lists the brass bands in each county

 This superbly authoritative new work provides a comprehensive A-Z guide to some 1000 years of Western music.
