When my family left our small, ultra-conservative pack back in Utah to join a giant pack in Northwest Louisiana, I thought I'd be able to coast through my last year of high school in semi-anonymity, then get the fuck away from wolf pack politics and just live my life for awhile. But the Moon decided to prolong my torture by placing my fated mate in front of my face on my first day at Blackstone Academy. He's the Alpha's son and king of a school crawling with shifters, and it turns out he doesn't care to be saddled with a Moon-chosen mate who he thinks is a nobody-omega wolf. When he rejects me in front of every shifter in school, I vow to harden my heart, become impervious to the constant, deep hurt of the rejection, and figure out how to be the first wolf in known history to shake the taint of a rejected fated mate bond. I'm also becoming closer to a new student--a smoking hot and intriguing human, who I can't manage to scare off even with the drama that surrounds me and the poisonous pack politics that I can't seem to escape. I can't even tell him what's really going on, but I think he's keeping secrets from me, too. I'm Mave Fortune, and my mate threw me out like yesterday's garbage. But fuck that guy. This is a new adult, M/F 133,000 word standalone story with a HEA. Any future books in the series will feature other characters. It is intended for the 18+ crowd and contains foul language, some mild violence, and steamy scenes. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I interrogated/accidentally killed a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at the academy and each of them have motive and bloodthirsty natures. Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the cesspit of Solaria where the most cutthroat Fae in the kingdom reside. Two of the kings run the gangs at the academy, their hatred for each other so fierce I hear a day doesn't go by without blood being spilled in the halls. Or that I'll do whatever it takes to bring down the Fae

who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge.

I've been rejected by everyone-but an alpha heir wants me to be his pretend mate. As the only wolf shifter in my pack not to shift, being rejected from my home when I turned eighteen was not unexpected when the shifter war is so close. But being sent to a secret academy full of immortal wolf shifters, demons, and teachers with no morals wasn't something I planned for. Luna Alpha Academy is for rejects only. They choose wolves that no one cares about if they go missing and if I can survive long enough to learn the dark magic they teach, I might even be welcome back home as a wolf-witch. Only catch? My tutor is a hot shifter asshole who takes what he wants-this time it's me. In exchange for extra training, Atlas wants me to pretend to be his. Every kiss, every possessive touch, every growl to anyone that comes near me only makes me want him more. But I can't have him. Not really. He's the alpha heir. I'm a wolf who can't even shift. We don't belong together, and it's fake. It can't ever be real. Dark magic is my future and my only way back to my pack. This is a full-length trilogy full of sexy alpha males, steamy scenes, a strong heroine and a lot of sarcasm. Intended for 17+ readers.
