A Testament of Hope Beacon Press

From Dr. Martin Luther King, Jr.'s
daughter, Dr. Bernice A. King: "My
father's dream continues to live on from
generation to generation, and this
beautiful and powerful illustrated edition
of his world-changing "I Have a Dream"
speech brings his inspiring message of
freedom, equality, and peace to the
youngest among us—those who will one

day carry his dream forward for everyone.” On August 28, 1963, on the steps of the Lincoln Memorial during the March on Washington, Martin Luther King gave one of the most powerful and memorable speeches in our nation's history. His words, paired with Caldecott Honor winner Kadir Nelson's magnificent paintings, make for a picture book certain to be treasured by children and adults alike. The themes of equality and freedom for all are not only relevant today, 50 years later, but also provide young readers with an important introduction to our nation's past. "I Have a Dream" Perfection Learning With knowledge, spirit, good humor, and passion, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. brings to life a remarkable man whose thoughts and

actions speak to our most burning contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child and student who chafed under and eventually rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. offers King's seldom disclosed views on some of the

world's greatest and most controversial figures: John F. Kennedy, Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It also paints a rich and moving portrait of a people, a time, and a nation in the face of powerful change. Finally, it shows how everyday Americans from all walks of life confronted themselves, each other, and the burden of the past-and how their fears and courage helped shape our future.

My Daddy, Dr. Martin Luther King, Jr Penguin

As the Black Lives Matter movement gains momentum, and books like Ta-Nehisi Coates's *Between the World and Me* and Claudia Rankine's *Citizen* swing national attention toward the racism and violence that continue to poison our communities, it's as urgent now as ever to celebrate Martin Luther King, Jr., whose insistence on equality and peace defined the Civil Rights Movement and forever changed the course of American history. This collection ranges from an early 1961 interview in which King describes his reasons for joining the

ministry (after considering medicine), to a 1964 conversation with Robert Penn Warren, to his last interview, which was conducted on stage at the convention of the Rabbinical Assembly, just ten days before King's assassination. Timely, poignant, and inspiring, Martin Luther King, Jr.: The Last Interview is an essential addition to the Last Interview series.

A Call to Conscience Penguin

“Sundquist’s careful, thoughtful study unearths new and fascinating evidence of the rhetorical traditions in King’s speech.”—Drew D. Hansen, author of *The Dream: Martin Luther King, Jr., and the Speech That Inspired a Nation* “I have a dream”—no words are more widely recognized, or more often repeated, than those called out from the steps of the Lincoln Memorial by Martin Luther King, Jr., in 1963. King’s speech, elegantly structured and commanding in tone, has become shorthand not only for his own life but for the entire civil rights movement. In this new exploration of the “I Have a Dream” speech, Eric J. Sundquist places it in the history of American debates about racial justice—debates as old as the nation

itself—and demonstrates how the speech, an exultant blend of grand poetry and powerful elocution, perfectly expressed the story of African American freedom. This book is the first to set King’s speech within the cultural and rhetorical traditions on which the civil rights leader drew in crafting his oratory, as well as its essential historical contexts, from the early days of the republic through present-day Supreme Court rulings. At a time when the meaning of the speech has been obscured by its appropriation for every conceivable cause, Sundquist clarifies the transformative power of King’s “Second Emancipation Proclamation” and its continuing relevance for contemporary arguments about equality. “The [‘I Have a Dream’] speech and all

that surrounds it—background and consequences—are brought magnificently to life . . . In this book he gives us drama and emotion, a powerful sense of history combined with illuminating scholarship.”—The New York Times Book Review (Editor’s Choice)
