Artist Beatrix Adams

knows exactly how she's spending the summer before her senior year. Determined to follow in Da Vinci's footsteps, she's

ready to tackle the one thing that will give her an advantage in a museum-sponsored scholarship contest: drawing actual cadavers. But when she tries to sneak her way into the hospital's Willd Body program and misses the last metro train home, she meets a boy who turns her summer plans upside down. Jack is charming, wildly attractive . . . and possibly one of San Francisco's most notorious graffiti artists. On midnight buses and city rooftops, Beatrix begins to see who Jack

really is-and tries to uncover what he's hiding that leaves him so wounded. But will these secrets come back to haunt him? Or will the skeletons in Beatrix's own family's closet tear them apart?

In the vein of Year of the Dog and The Higher Power of Lucky, this Middle Eastern coming-of-age story is told with warmth, spirit, and a mischievous sense of humor Spunky eleven-year-old Wadjda lives in

Riyadh, Saudi Arabia with her parents. She desperately wants a bicycle so that she can race her friend Abdullah, even though it is considered improper for girls to ride bikes. Wadjda earns money for her dream bike by selling homemade bracelets and mixtapes of banned music to her classmates. But after she's caught, she's forced to turn over a new leaf (sort of), or risk expulsion from school. Still, Wadjda keeps scheming, and with the bicycle so closely in her

sights, she will stop at nothing to get what she wants. Set against the shifting social attitudes of the Middle East, *The Green Bicycle* explores gender roles, conformity, and the importance of family, all with wit and irresistible heart.

Whales begin sinking ships. Toxic, eyeless crabs poison Long Island's water supply. The North Sea shelf collapses, killing thousands in Europe. Around the world, countries are beginning to

feel the effects of the ocean's revenge as the seas and their inhabitants begin a violent revolution against mankind. At stake is the survival of the Earth's fragile ecology—and ultimately, the survival of the human race itself. The apocalyptic catastrophes of *The Day After Tomorrow* meet the watery menace of *The Abyss* in this gripping, scientifically realistic, and utterly imaginative thriller.

Police Detective Pia Kirchhoff is about to leave on her long-delayed honeymoon when she receives a phone call from police headquarters: An elderly woman has been shot and killed while walking her dog. Neither

her grieving daughter nor any of her acquaintances have an explanation for the horrifying murder. Ingeborg Rohleher was well-liked and a generous, loving woman. A short while later, another murder is committed and the modus operandi is eerily similar — a woman is executed by a precisely aimed bullet to the head that smashes through her kitchen window while she is baking cookies . . . and in both cases the same weapon fired the shot from a distance only a trained sniper could

manage. Two more murders follow in short order. None of the victims had enemies and no one knows why they were singled out. As fear of the Taunus Sniper grows among the local residents, the pressure rises on Detective Kirchhoff. She and her partner, Oliver von Bodenstein, search feverishly for a suspect who appears to murder at will, but soon realize that “The Judge,” as the sniper calls himself, seems to have a mission—a mission that has not reached its conclusion yet. As the

investigation progresses, the police officers uncover a human tragedy that will shake them to the core. I am Your Judge is tightly plotted, and delivers surprise twists at every turn with a story that is ripped from the headlines. [My Secret Unicorn](#)

The touching prequel to

the bestselling novel *A Dog Named Christmas*. The sleeper hit of 2008, *A Dog Named Christmas* became a Hallmark Hall of Fame movie a year later, seen by more than twelve million people in the United States alone. Now, in *Christmas with Tucker*, Greg Kincaid brings back one of that book's most endearing characters, sharing the moving story of George, a young boy dealing with the loss of his father, and the dog that comes into his life to offer him hope and a touch of courage. It is the

winter of 1962, and Kansas is hit with one of the worst blizzards in its history. It is during this cruel season that twelve-year-old George is called upon to endure more than even most grown men could withstand—the death of his father and the upkeep of the family farm that is his legacy. When his mother and sisters leave for Minnesota, George has only his grandparents and the companionship of Tucker, an Irish setter, to help him persevere through these most

difficult challenges. Can he find the strength to walk the road that leads to healing, finding his true self and ultimately becoming a man? A coming-of-age story for readers of all ages, *Christmas with Tucker* is a classic Christmas story about a young man's love for his dog, his family, and his farm.

Creator/Showrunner, Make it or Break It, Step Up: High Water Audrey Lee is going to the Olympics. A year ago, she could barely do a push up as she recovered from a spine surgery, one that could have paralyzed her. And now? She's made the United States gymnastics team with her best friend, Emma, just like they both dreamed about since they were kids. She's on top of the world. The pressure for perfection is higher than ever when horrifying news rips the team apart. Audrey is desperate to

advocate for her teammate who has been hurt by the one person they trusted most—but not all the gymnasts are as supportive. With the team on the verge of collapse, the one bright spot in training is Leo, her new coach's ridiculously cute son. And while Audrey probably (okay, definitely) shouldn't date him until after the games, would it really be the end of the world? Balancing the tenuous relationship between her teammates with unparalleled expectations, Audrey

doesn't need any more distractions. No matter what it takes, she's not going to let anyone bring them down. But with painful revelations, incredible odds, and the very real possibility of falling at every turn, will Audrey's determination be enough?

“Call it The Hunger Games of Thrones. Erika Johansen’s debut novel is a genre mashup: medieval fantasy meets dystopian future. . . . The

setting, combined with Johansen’s deft hand with character and plotting, really does work. . . . An addictive and enjoyable adventure. . . . The Tear is just as easy to get sucked into as Westeros or Hogwarts or Panem.”  
—USA Today Magic, adventure, mystery, and romance combine in this epic debut in which a young princess must reclaim her dead mother’s throne, learn to be a ruler—and defeat the Red Queen, a powerful and malevolent sorceress determined to destroy

her. On her nineteenth birthday, Princess Kelsea Raleigh Glynn, raised in exile, sets out on a perilous journey back to the castle of her birth to ascend her rightful throne. Plain and serious, a girl who loves books and learning, Kelsea bears little resemblance to her mother, the vain and frivolous Queen Elyssa. But though she may be inexperienced and sheltered, Kelsea is not defenseless: Around her neck hangs the Tearling sapphire, a jewel of immense magical power;

and accompanying her is the Queen's Guard, a cadre of brave knights led by the enigmatic and dedicated Lazarus. Kelsea will need them all to survive a cabal of enemies who will use every weapon—from crimson-caped assassins to the darkest blood magic—to prevent her from wearing the crown. Despite her royal blood, Kelsea feels like nothing so much as an insecure girl, a child called upon to lead a people and a kingdom about which she knows almost nothing. But

what she discovers in the capital will change everything, confronting her with horrors she never imagined. An act of singular daring will throw Kelsea's kingdom into tumult, unleashing the vengeance of the tyrannical ruler of neighboring Mortmesne: the Red Queen, a sorceress possessed of the darkest magic. Now Kelsea will begin to discover whom among the servants, aristocracy, and her own guard she can trust. But the quest to save her kingdom and

meet her destiny has only just begun—a wondrous journey of self-discovery and a trial by fire that will make her a legend . . . if she can survive.

An oak tree and a crow help their neighbors embrace their differences in this beautiful, nuanced, New York Times- bestselling middle-grade novel from Newbery Medalist author Katherine Applegate. Trees can't tell jokes, but they can certainly tell stories. . . . Red is an oak tree who is many rings old. Red is the

neighborhood "wishtree"—people write their wishes on pieces of cloth and tie them to Red's branches. Along with a crow named Bongo and other animals who seek refuge in Red's hollows, this wishtree watches over the neighborhood. You might say Red has seen it all. Until a new family moves in. Not everyone is welcoming, and Red's experience as a wishtree is more important than ever. Funny, deep, warm, and nuanced, this is Katherine Applegate at

her very best—writing from the heart, and from a completely unexpected point of view. This book has Common Core connections.

She is the creator of probably the most famous - and certainly the best-loved character in contemporary fiction. She is also the author of her own escaperom an existence on the brink of poverty, with no job and few prospects. Onhe one hand there is J.K. Rowling, who wrote, and continues

to write, the Harry Potter novels, a literary phenomenon. On the other, there is Joanne Rowling, a quiet, dreamy, rather shy woman whose brilliance in translating dreams into prose transformed her own life. JK - The Story of J.K. Rowling details her life from her childhood and schooling in the West Country; the effect upon her of the wasting illness that struck down her mother; her time at Exeter University; her long-term relationship and her career and marriage, which collapsed after thirteen

months, leaving her to return to Britain with her baby daughter. The Harry Potter novels are more than fantasy: here is a toughness to the writing, a sense of realism and a questing orality that go beyond mere adventure, magic and the battle between good and evil.
