### Federal Register

Lippincott Williams & Wilkins  
Accurately analyze and appraise any business with the most trusted guide to valuation Originally published more than 40 years ago, *Valuing a Business* set the standard for excellence in the appraisal field and is the world's most respected valuation reference. This edition

reflects the substantial advances in the tools and sophistication in business valuation, as well as new appraisal standards and regulations that have evolved since it was last published in 2008. These advances fall broadly into three categories:

Increasing consensus among the valuation professional organizations on standards, methodology, and terminology Updated appraisal rules, regulations, standards and guidance issued by governmental, or quasigovernmental, and professional bodies Major advances in the quantity, quality, and accessibility of empirical data available to support business valuation conclusions  
*Valuing a Business* provides thorough coverage and step-by-step analyses of virtually every topic important to you, including standards and credentials, valuation theory and principles, gathering data, site visits, financial statement analysis, writing reports, buy-sell agreements, litigation support services, and much more. This landmark resource is a complete one-stop compendium of information on the full range of valuation

concepts and methods. **Advisory Circular** John Wiley & Sons Bernadette Mazurek Melnyk and Ellen Fineout-Overholt are creators of the ARCC (Advancing Research and Clinical practice through close Collaboration) Model, an innovative strategy for implementing and sustaining evidence-based practice in healthcare systems. The ARCC Model is cited as an exemplar of education in evidence-based practice in the Board on Health Care Services and the Institute of Medicine's book, *Health Professions Education: A Bridge to Quality*. "Melnyk and Fineout-Overholt's book should be required reading in all graduate programs. Their text has provided a blueprint for the future of nursing practice and a rigorously substantiated and clearly described means for clinicians, educators, and administrators to participate in improving quality of care." Janet D. Allan, PhD, RN, FAAN Dean and Professor University of Maryland School of Nursing "Evidence-based Practice in Nursing & Healthcare: A Guide to Best Practice has been instrumental in developing a culture of

evidence-based practice at Barnes-Jewish Hospital. It is fundamental to our curriculum provided to all levels of staff, from new graduate nurses to the highest levels of hospital leadership." Dr. Patricia Potter, RN, PhD, FAAN, Dr. Gail Rea, RN, PhD, CNE, Dr. Karen Balakas, RN, PhD, CNE, Jennifer Williams, MSN, RN, ACNS-BC, Elizabeth Pratt, MSN, RN, ACNS-BC Evidence Equals Excellence group at Barnes-Jewish Hospital and Barnes-Jewish School of Nursing at Goldfarb Evidence-based Practice in Nursing & Healthcare: A Guide to Best Practice is an exemplary text that spans the continuum of nursing evidence to support best practice. Utilizing this text with undergraduate, RN to BSN, and graduate nursing students, it is the ONLY text that demonstrates how to retrieve, read, and analyze evidence whether it is published as an individual study, systematic review, meta-analysis, best practice guideline, or outcomes management report. Students learn how to utilize multiple complex databases and websites as they move through each chapter. And, they experience dissemination

of evidence through the development of presentations, publications, posters, and grants. This is truly a remarkable book that embraces evidence as the basis for nursing practice and patient-centered care and safety. Having used this text with more than 1000 students over the past five years, I can honestly say that I have found no other text that facilitates learning and development of clinical judgment that is grounded in valid, reliable, and applicable evidence. This is a keeper! Alice E. Dupler, JD, APRN-BC Clinical Associate Professor Washington State University College of Nursing "I have used the book since I developed the Evidence-based Practice course for our College of Nursing in Fall 2007. It was the first course of its kind at Indiana State University. It has been well received and the preferred course for all nursing graduate students for completion of their final scholarly projects. The text was essential in developing the course and provides the foundation and guidance that the students need to develop their Evidence Based

Practice projects...the students love the text!"
