Keep your asset safe at any cost... When combat-hardened Justin Hall and his partner Carrie O'Connor, CIS' deadliest field operatives, narrowly foil a suicide bombing in Berlin, one of the cell members escapes and Justin is the only one that can identify him. Dispatched to track the fugitive at all costs, the terrorist hunt begins to reveal an unsettling game of deception and betrayal. Implicating top officials in opposing intelligence agencies. The trail leads them down dark alleys and dead ends inside terrorist-infested Jordan, Syria, and Iraq. While the world watches as Israel and Palestine are desperately working towards a peace treaty, Justin discovers that the Israeli prime minister is marked for assassination ... by one of his own... With unlikely allies and unstoppable powers, can Justin and Carrie undo the plot before the Middle East explodes into an all-out war? Reviews ★★★★★ "Ethan Jones is terrific at story telling. Shadow Agents is another example of his skill. The character's feelings, personalities and descriptions are constructed with extraordinary detail. Love his two Canadian Intelligence officers, Justin and Carrie." ★★★★★ "I liked the detail put in by the author, like the narrative of moving

down an alley with terrorists on either side. I felt like I was there. On to the next book!" ★★★★★ "I never get tired of reading stories by Ethan Jones with Justin and Carrie. The plots are always full of twists and turns. Lots of action and characters that are believable." ★★★★★ "Nice intermingling of characters in ever changing story line and country. A global chase with good geopolitical background as Justin must work with team members he does not know or trust." ★★★★★ "Shadow Agents proves why Ethan Jones belongs to the genre of the top thriller writers. The pace doesn't let up, and the chemistry and understanding between Justin and Carrie is remarkable. A not to be missed book." The Shadow Man Blackstone Publishing

A bundle of books #1 (JUST ME), #2 (JUST OUTSIDE), and #3 (JUST RIGHT) in Blake Pierce's Cami Lark mystery series! This bundle offers books one, two, and three in one convenient file,

with over 100,000 words of reading. In JUST ME (Book #1), with her tattoos and piercings, MIT tech genius Cami Lark is rebellious and anti-authoritarian—and finds herself in deep trouble when she hacks the FBI. Faced with the choice of prison or aiding the BAU hunt down serial killers, Cami reluctantly partners. Yet when she is faced with a killer with a penchant for Augmented Reality, and with future victims' lives on the line, Cami may have found more than she bargained for. With a list of suspects a mile long, and endless augmented reality dead ends, Cami's first case does not look promising. Partnered with a condescending agent who resents her presence, Cami must find a connection to the physical world before time runs out. Working with the same people that fumbled her missing sister's case when she was young, Cami must heal old wounds and lean into her tech genius to solve a case the FBI can't. Can Cami save the next victim—and herself—before it's too late? In JUST OUTSIDE (Book #2), when a spree of online killings hits close to home, Cami may find herself at a loss—and the next target. In JUST RIGHT (Book #3), when victims of a new serial killer turn up, clearly targeted via some form of technology Cami has yet to decipher, Cami wonders if she has lost her touch. And if she doesn't solve the riddle quickly, another life may just be at stake. A page-turning and harrowing crime thriller featuring a brilliant and tortured FBI agent, the CAMI LARK series is a riveting mystery, packed with non-stop action, suspense, twists and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night. Fans of Rachel Caine, Teresa Driscoll and Robert Dugoni are sure to fall in love. Future books in the series are also available!

The Angel's Game Doubleday Canada

From master storyteller Carlos Ruiz Zafon, author of the international phenomenon *The Shadow of the Wind*, comes *The Angel's Game* — a dazzling new page-turner about the perilous nature of obsession, in literature and in love. The whole of Barcelona stretched out at my feet and I wanted to believe that when I opened those windows — my new windows — each evening its streets would whisper stories to me, secrets in my ear, that I could catch on paper and narrate to whomever cared to listen... In an abandoned mansion at the heart of Barcelona, a young man, David Martin, makes his living by writing sensationalist novels under a pseudonym. The survivor of a troubled childhood, he has taken refuge in the world of books and spends his nights spinning baroque tales about the city's underworld. But perhaps his dark imaginings are not as strange as they seem, for in a locked room deep within the house lie photographs and letters hinting at the mysterious death of the previous owner. Like a slow poison, the history of the place seeps into his bones as he struggles with an impossible love. Close to despair, David receives a letter from a reclusive French editor, Andreas Corelli, who makes him the offer of a lifetime. He is to write a book unlike anything that has ever existed — a book with the power to change hearts and minds. In return, he will receive a fortune, and perhaps more. But as David begins the work, he realizes that there is a connection between his haunting book and the shadows that surround his home. Once again, Zafon takes us into a dark, gothic universe first seen in *The Shadow of the Wind* and creates a breathtaking adventure of intrigue, romance, and tragedy. Through a dizzyingly constructed labyrinth of secrets, the magic of books, passion, and friendship blend into a masterful story.

The Hundred Million Bet | An explosive thriller about Money

Laundering, Mafia and Crime Blake Pierce

Raymond Khoury, the international bestselling author of *The Last Templar*, is back with another ingenious, fast-paced thriller that straddles present-day NYC and Russia in the early 1900s—the time of the infamous Rasputin and his mysterious rise to power. FBI special agent Sean Reilly is tasked with a delicate case. A Russian diplomat seems to have committed suicide by jumping out of a sixth-floor window in Queens, New York. The apartment's owners are missing, while a faceless killer known only as

Koschey—"the Deathless"—is roaming the city and leaving a trail of death in his wake. Joined by Russian FSB agent Larisa Tchoumitcheva, Reilly's investigation soon uncovers a deadly, desperate search for a mysterious device whose origins reach back in time to the darkest days of the Cold War and to Imperial Russia. A device that, in the wrong hands, could have a devastating impact on our world. Packed with the twists and suspense, the impeccable historical research, and the present and past story lines that Khoury's fans have come to expect, *Rasputin's Shadow* will keep readers turning pages long into the night.

The Lying Game John Murray

Four years ago I lost my virginity on live, streaming television. Too bad I wasn't awake for it. The video went viral. Of course it would. A Senator's daughter on camera? Wouldn't you click "share"? Besides, that's what three of the four guys in the video did. Share. They shared me. But that fourth guy? The nondescript one in the background in the upper left corner of the screen, just sitting on the couch? The only one who did nothing? Not one single thing. That was my boyfriend, Drew. And that was the last time I saw him. Until today, when my father—now on a path to the White House—hired him as head of security for my new team as I return home after four years of "recovering" in an undisclosed location that involved white lab coats, needles, pills and damage control. You see, the other three guys never went to jail. Never had charges pressed. Never faced consequences. Until today. America is on the brink of a post-nuclear war. Recent events have catapulted the American military into a state of emergency and

American enemies are planning their assault. It started when a reporter discovered the horrific truth regarding the Strategic Offensive Reduction Treaty (a critical peace agreement between the former Soviet Union and the United States): Russia is cheating, and even worse - they hold the ultimate trump card: the one secret that can bring down the world's super power. To exploit this haunting secret, Russia has constructed the most dangerous network of secret operatives ever known. Brutally trained from birth to act and think like Americans, this dynamic organization has been planted on American soil long ago by the former KGB to retrieve information at any cost, cause political catastrophe, or kill on moment's notice. Now they are out of control, striking fear into the heart of the Pentagon. In response to a devastating political assassination, the CIA has assembled a powerful team of agents that "do not exist" in an attempt to terminate an enemy that cannot be caught by any traditional methods. The fate of the free world is in their hands. These CIA agents are the last link between liberty and a nuclear holocaust. This exhilarating sequel casts the reader further into the furious depths of the intense vendetta, and unpredictable deceit - where there is a frightful undercover agenda that even the operatives themselves are not aware of, and an ominous shadow enemy is introduced. The reader is paralyzed with anticipation as the deadly rivalry somersaults out of control after the enemy operatives realize they have been set up by the system of honor they lived by. Here the game changes and no one has told them the rules. Betrayed by their own country and thrown into a world they can not trust, they are forced to depend on the most potent weapon they had ever been trained to use: their unnatural minds. In a fast paced sequel that spins from one explosive scene to the next, the most high-tech weaponry is used including speed of light weapons, "smart chips," artificial intelligence, and never before exposed government technology and organizations, thus introducing a new, exciting, untapped level of spycraft where nothing is what it seems. Anthony R. Howard has been an industry recognized consultant for the premier global technology firms for over 12 years. Presently he is a leading Advanced Systems Consultant for one of the world's largest Information Technology firms where he was the winner of the National Federal Office Systems Award (FOSE - Nation's Largest Information Technology Exposition Serving the Government Marketplace), and the 2004 winner of Government

Computer News Best New Technology Award. Several case studies have been published on Howard's solutions across the Information Technology industry. Currently he provides enterprise technology solutions and advisement for America's most distinguished clients including a sizeable amount of work for the U.S. Defense Sector, Department of Justice, and the Department of Homeland Security. After founding his own technology firm, Howard completed his formal education with a Masters of Business Administration with a concentration in Information Technology. His vast career has included controlling hundreds of devices worldwide from secure Network Command Centers to relocating overseas to Amsterdam, The Netherlands for more than a year to solve technology issues for American based companies. He has also worked briefly for a private military logistics corporation that contracts a sizable amount of work from the Department of Defense and other military institutions.

From Ninie Hammon, the sorceress of psychological suspense comes the next impossible to put down entry in her thrilling Through The Canvas series. Bailey Donahue's past just caught up with her ...After two long years in the Witness Protection Program, hiding from the man who murdered her husband, Bailey spots him in the background of a photo. From her own birthday. In the tiny town of Shadow Rock. There's no doubt about it, it's definitely him: Sergie Mikhailov. Will Bailey finally get to testify against him and put him away forever? Can she return to her old life and her daughter at last? Before Bailey even gets the chance to try, she paints another psychic portrait, this one showing the image of her younger sister, Maria, lost to a wall of flames. Another loved one, dead. Then Mikhailov kidnaps Maria, Bailey knows she has to save her. Along with T.J., Dobbs, and Brice, Bailey races against time to find Maria before the portrait -- and Bailey's worst nightmare -- comes true. Blue Tears is the fourth book in Ninie Hammon's new series, Through the Canvas: A riveting psychological thriller series about an ordinary woman ripped from her life, and drawn into the darkest of tales by mysterious forces she can't explain.

The Invisible Enemy II Shadow World Productions

A time traveler's work is never done. Likable antiques dealer Joseph Bridgeman is back in the present and dreaming of a quiet life. But when a mysterious and enigmatic time traveler arrives in his shop, Joe learns that his first trip was just the beginning and

this time, the rules of the game have changed. Blackmailed into accepting a new mission, Joe is flung back to 1960s London where he comes face-to-face with a ruthless gangster and witnesses the brutal murder of an innocent woman. Joe knows better than most that death can be reversed and the final chapter is sometimes where the story actually begins. Emotionally involved, he has no choice but to act, and quickly. With the help of Vinny, his vinyl-loving sidekick, Joe once again sets out to change the course of history. Sounds simple enough ... but when it comes to time travel, nothing is ever as it seems. Who is the old time traveler working for? And who decides what can and can't be changed? In a thrilling twist, Joe discovers that the victim is critically important to the future, and what starts out as a straightforward mission soon becomes a race to unravel a mystery—one that threatens the very timeline he fought so hard to protect. Joe must dig deeper than ever, master his newfound skills, and save the woman before the past catches up with him for good. Turns out time doesn't heal after all. It just adds salt.

Just Me (A Cami Lark FBI Suspense Thriller—Book 1) Blake Pierce
From the author of *The 6:20 Man*, "Memory Man" Amos Decker—an FBI consultant with perfect recall—dives into a bewildering double homicide in this new thriller in David Baldacci's #1 New York Times bestselling series. When Amos Decker is called to South Florida to investigate a double homicide, the case appears straightforward: A federal judge and her bodyguard have been found dead, the judge's face sporting a blindfold with two eye holes crudely cut out, a clear sign that she'd made one too many enemies over her years on the bench. What at first seems cut and dry is anything but: Not only did the judge have more enemies than Decker can count—from violent gang members, drug dealers, and smugglers to a resentful ex-husband—but the bodyguard presents additional conundrums that muddy the waters even further. Who was the real target in this vicious attack? Meanwhile, Decker must contend with a series of unsettling changes, including a new partner—Special Agent Frederica "Freddie" White—and a devastating event that brings Decker's own tragic past back to the present . . . and forces him to reckon with his future. As potential witnesses start disappearing, Decker and White are inexorably pulled down a

twisted tunnel of secrets, crimes, and scandal—at the end of which lies Decker's deadliest threat yet.

Shadow Forge Books

From the New York Times and #1 Globe and Mail bestselling author of *The Woman in Cabin 10* and *In a Dark, Dark Wood*—a novel about the slipperiness of truth and the price of friendships. "I need you." Three small words that change everything. Isa Wilde knows something terrible has happened when she receives this text from an old friend. Why else would Kate summon her and their two friends Thea and Fatima to the seaside town where they briefly attended school together seventeen years ago? The four friends first met at Salten House boarding school, where they quickly bonded over *The Lying Game*, a risky contest that involved tricking fellow boarders and faculty with their lies. But the game had consequences, and the girls were eventually expelled after Kate's dad, their beloved art teacher, mysteriously disappeared. Forever bound by their lies but needing to forget

their past, they went their separate ways—Kate remaining in Salten while the other three left to start new lives in and around London. Now reunited, Isa, Kate, Thea, and Fatima discover that their past lies had far-reaching effects and criminal implications that threaten them all. In order to protect their reputations, and their friendship, they must uncover the truth about what really happened all those years ago. Atmospheric, twisty, with just the right amount of chill, *The Lying Game* will have readers at the edge of their seats, not knowing who can be trusted in this tangled web of lies.

Elle Anderson waited until he was right on top of her. When he turned to yell for security, she shot her blade across the back of his ankle, cutting his Achilles tendon. The shock robbed him of his voice, and his body went crashing to the ground. She covered his mouth and slit his throat. His body convulsed, making it harder to drag him into the shadows, but she needed to buy herself some time. She couldn't risk one of the other men spotting him lying on the ground. It wasn't perfect, and the man was still in the throes of death, but she had to go. Even if help were to arrive in the next couple of minutes, it would be too late. The only question was: How much time did she have before she had pursuit? Sent in by the CIA, Elle Anderson leads a small, elite team charged with destroying the most dangerous terrorist organization the world has ever known. She is intelligent and resourceful and capable of anything, but she works in a world where emotions and distractions are unacceptable. It's a world with no set rules and where the game is driven by will. This sometimes means acting more like the villain than the hero, because it could mean the

difference between life and death.
