### MORSE JOSHUA

*Kathy Santo's Dog Sense* Pinnacle Books

Amis's first novel since *The Information*: a post 9/11 comedy When 'dream husband' Xan Meo is vengefully assaulted in the garden of a London pub, he suffers head-injury, and personality-change. Like a spiritual convert, the familial paragon becomes an anti-husband, an anti-father. He submits to an alien moral system - one among many to be found in these pages. We are introduced to the inverted worlds of the 'yellow' journalist, Clint Smoker; the high priest of hardmen, Joseph Andrews; the porno tycoon, Cora Susan; and Kent Price, the corpse in the hold of the stricken airliner, apparently determined, even in death, to bring down the plane that carries his spouse. Meanwhile, we explore the entanglements of Henry England: his incapacitated wife, Pamela; his Chinese mistress, He Zhezun; his fifteen-year-old daughter, Victoria, the victim of a filmed 'intrusion' which rivets the world - because she is the future Queen of England, and her father, Henry IX, is its King. The connections between these characters provide the pattern and drive of *Yellow Dog*. Novelists have noticed that contemporary reality keeps outdoing their imaginations. Yet there is still the obligation to attempt a readi

*Every Day a Holiday* Thomas Nelson

Bestselling author Robert Whitlow presents an international legal drama with historical mysteries, religious intrigue, and political danger that speaks to critical issues of our day in these two novels now available in one collection. Chosen People Hana Abboud is a Christian Arab Israeli lawyer currently living and practicing in Atlanta. When a partner in her law firm comes to her with a special case, she joins forces with Jakob Brodsky, a young Jewish lawyer, and Daud Hasan, an Arab investigator, to seek justice for one little girl. To unravel the case, this team will travel from the streets of Atlanta to the alleys of Jerusalem, a world where hidden motives thrive, the risk of death is real, and the search for truth has many faces. What they uncover will forever change their understanding of justice, heritage, and what it means to be chosen for a greater purpose. Promised Land

Bestselling author Robert Whitlow explores the meaning of family and home—and how faith forms the identity of both—in this breathtaking follow-up to *Chosen People*. *Super Dog Tricks* Kalmbach Books

Imagine your dog, suddenly lost in the wilds of Yellowstone National Park. Alone. At night. Surrounded by wolves and grizzly bears. Day after day, week after week. How far would you go to find your dog? Time is running out. Predators. Frigid nights. A dangerous landscape. Starvation. Bring Jade Home is the gripping true story of Jade, a young Australian shepherd, who disappears into Yellowstone's wilderness after a horrific car wreck. Despite their injuries and against doctor's orders, her owners David and Laura leave the Trauma Center to begin a desperate search - can they find Jade before it's too late? The perfect read for dog lovers and wilderness enthusiasts alike, *Bring Jade Home* is the heartwarming tale of the owners, park employees, and huge search effort to bring Jade home. This story will melt your heart and renew your faith in dogs - and people.

*Mad Dog Summer and Other Stories* St. Martin's Press

Based on the popular "Collectible Classics" column from *Classic Toy Trains* magazine, 101 *Classic Toy Trains* surveys the most collectible toy train accessories, locomotives, and rolling stock. This book is very helpful to those who have found an old train collection and are looking for the value of it, as well as for those who just want a better idea of what they should buy next for their layout.

*Toys* Fleming H. Revell Company

From a New York Times best-selling author, an important and heartfelt exploration into the world of lost dogs and the power of reunion. One in six dogs go missing at some point in their lives, leaving bereft owners to search high and low, hang missing posters, check shelters, and hope for good news. But amid these grim statistics, countless happy endings are forged. Tails wag again. Best friends are reunited. In *Where the Lost Dogs Go*, Susannah Charleson, author of *Scent of the Missing* and a trusted chronicler of the human/animal bond, dives headlong into the world of missing dogs. The mission to reunite lost pets with their families starts with Susannah's own shelter rescue, Ace, a plucky Maltese mix with a mysterious past who narrowly survived months wandering lost. While Susannah formally studies animal behavior, lost-pet search tactics, social media strategies, and the psychology of loss, Ace also steps up for training. Cheerful and resourceful, Ace has revealed a nose for the scent of lost pets, and together they help neighbors and strangers in their searching. In *Where the Lost Dogs Go*, readers take to the streets beside Susannah to bring home a host of missing pets. Along the way, Susannah finds a part of herself also lost. And when unexpected heartbreak shatters her own sense of direction, it is Ace—the shelter dog that started it all—who leads Susannah home. Inquisitive, instructive, heartrending, and hopeful, *Where the Lost Dogs Go* pays tribute to the missing dogs—and to the found—and to the restless space in between.

*American Plate* St. Martin's Press

78 million dogs live as pets in the USA. These are the lucky ones. Five to seven million companion animals enter shelters every year, and more than half are euthanized due to the lack of space. *Miracle Dogs* celebrates and honors the rescuers and the dogs whose lives they've saved. It features wonderful stories and photographs of dog rescuers, dog trainers, and rescue organizations such as The Gentle Barn and Tamar Geller's Operation Heroes and Hounds, along with celebrity pet owners such as Chevy Chase, Hoda Kotb, Bob Einstein, Amanda Hearst, Jamie Lynn Sieglar, and Lance Bass. Each story includes portraits of the dog and its new family, followed by a concise, compelling narrative detailing the dog's journey to its new home. A professional pet photographer, Liz Stavrinides spends much of her time on projects related to animal rescue. *Miracle Dogs* was born out of her desire to collect and share the stories of the dogs she's met over the years, showcasing the incredible bravery and compassion of both canines and owners. Readers will be moved by stories like that of Wyatt, an assistance dog who helped a young boy with autism communicate with the outside world, or Fiona, who was found blind and starving and is now in a loving family. All of them have finally found their forever homes. Stavrinides' portraits are heartwarming—a loving and poignant tribute to man's best friend.

*Walking My Dog, Jane* Simon and Schuster

It's beginning to look a lot like Christmas in this Sunshine Valley novella from USA Today bestselling author Melinda Curtis that will appeal to fans of RaeAnne Thayne and Sheila Roberts. Everyone in Sunshine Valley, Colorado, is in the Christmas spirit except for Everett Bollinger, the new town manager. With money tighter than ever, Everett has had to make some tough decisions about the local holiday celebration. And taking the blame has put him in a very un-festive mood. Rosalie Reyes has big plans to open her new pet shop during the Christmas parade. But it seems like Everett is determined to sabotage the parade and her business too. With the help of the local matchmakers and a rambunctious Saint Bernard named Remy, Rosalie is about to unleash the town's holiday cheer and make it a paws-itively amazing Christmas for all. Including a certain town manager who's about to discover the reason for the season...is love 25,000 words

*Coloring Book and Poster Collection* Forever

"Like many minicyclopedias, this one is studded with often intriguing facts."—Kirkus From the chief historian at HISTORY® comes a rich chronicle of the evolution of American cuisine and culture, from before Columbus's arrival to today. Did you know that the first graham crackers were designed to reduce sexual desire? Or that Americans have tried fad diets for almost two hundred years? Why do we say things like "buck" for a dollar and "living high on the hog"? How have economics, technology, and social movements changed our tastes? Uncover these and other fascinating aspects of American food traditions in *The American Plate*. Dr. Libby H. O'Connell takes readers on a mouth-watering journey through America's culinary evolution into the vibrant array of foods we savor today. In 100 tantalizing bites, ranging from blueberries and bagels to peanut butter, hard cider, and Cracker Jack, O'Connell reveals the astonishing ways that cultures and individuals have shaped our national diet and continue to influence how we cook and eat. Peppered throughout with recipes, photos, and tidbits on dozens of foods, from the surprising origins of Hershey Bars to the strange delicacies our ancestors enjoyed, such as roast turtle and grilled beaver tail. Inspiring and intensely satisfying, *The American Plate* shows how we can use the tastes of our shared past to transform our future.

*Feed Your Pet Right* NYU Press

Thirty-one bullets that will leave you gasping for breath... From hardboiled to noir to just plain human, these stories allow you to experience lives you escaped, and to do so with dignity, humor, and an eye toward tomorrow. "What sets those particular stories apart is their ability to catch the browns and grays of the characters quickly, subtly and persuasively." —Barnstable Patriot "The sometime EQMM poet is so smoothly readable, explores such a variety of inventive situations, and is so ambitious in structure and theme, even the stories that don't quite hit the mark make enjoyable reading." —Ellery Queen Mystery Magazine "Each story is fresh and original, set against a New England backdrop, and includes colorful characters from diverse walks of life. Each plot twists and turns to its totally surprising and unpredictable ending." —Examiner

*Babe* iUniverse

This book is a collection of fictional tales involving young people and old people, rich and poor, male and female in situations that find a parallel in life, and other tales that delve into the fantastic. Why is an old man found dead fully dressed in his best clothes in

a shopping mall? How does a young boy retrieve his baseball bat from a bully? How does Camelot really end? What is a parallel universe? Who is the mysterious child at the door during a storm? Where did the man's sock and shorts come from in Sandy's sewer system, and what is a Drain Surgeon? There's even a huge fish that no one is allowed to catch and another fish that is caught entrapped in a human skull.

**Dog Eat Dog** Drawn and Quarterly

Whether you have a puppy or an adult dog, a home- or sleep-wrecker (or both), whether your dog has ingrained bad manners or simply hasn't learned any good ones yet—Kathy Santo shines a light into the dark bedlam of life with an unruly dog. The secret of her ebullient and innovative guide to training: dogs are individuals, and any dog's nature depends far less on his breed or pedigree than most training methods suppose. In easy steps, you can quickly determine your dog's "personality"—the interplay of prime motivations, energy level, work ethic, and emotional profile—to tailor a regimen optimally suited to his learning needs. Where "one-size" programs typically founder in canine chaos and human frustration, the Santo method carries you past failure: even when your dog doesn't respond, your understanding of him deepens and leads you to a better strategy. This unique interactive approach—based on the author's twenty years of experience—not only speeds canine learning but also lifts training from a temporary chore to an increasingly relaxed way of life. The result is a lifetime of improving obedience—an ever more confident and happy dog, and an ever more gratifying relationship for you both.

**Spot** Xlibris Corporation

Huck is a page-turning, unforgettable true story of the tenacity of one small dog, the unexpected, extraordinary kindness of strangers, and a family's devotion to each other. Michael was four when his relentless campaign for a dog began. At seven he made

a PowerPoint presentation, "My Dog," with headings like "A Childhood Without a Dog is a Sad Thing." His parents, Janet and Rich, were steadfast; bringing a dog into their fast-paced New York City lives was utterly impractical. However, on a trip to Italy, a chance happening leads Janet to reconsider, a decision then hastened by a diagnosis of breast cancer. Janet decides the excitement of a new puppy would be the perfect antidote to the strain on the family of months of arduous treatments for her illness. The prospect of a new puppy would be an affirmation of life, a powerful talisman for them all. On Thanksgiving weekend, soon after the grueling months of treatments are over, Huck, a sweet, mischievous, red-haired, toy poodle joins the family and wins everyone's heart. A few months later the family ventures to baseball's spring training, leaving Huck with Janet's sister in Ramsey, New Jersey. Barely twenty-four hours into the trip, Janet receives the dreaded phone call: Huck has slipped through the backyard fence and run away. Broken-hearted and frantic, the family catches the first plane to New Jersey to begin a search for their lost puppy. It is a race against time, for little Huck is now lost in an area entirely unfamiliar to him, facing the threat of bears and coyotes, swamps and freezing temperatures, rain and fast cars. Moved by the family's plight, strangers – from school children to townspeople to the police lieutenant – join the search, one that proves to be an unyielding test of determination and faith. Touching and warm-hearted, Huck is a spirit-lifting story about resilience, the generosity of strangers, and hope.

**The Chosen People Novels** Knopf

In *Super Dog Tricks*, dog training celebrity and America's Got Talent star Sara Carson shares her fun take on training for easy and ambitious dog tricks!

**Huck** Forever Yours

When sparks start flying, these total opposites discover Christmas is the most wonderful time of the year. To raise enough money to

start her own business, Nola Bennett needs to sell "The Castle," her beloved grandmother's historic house and get back home to the city. But Heart Lake's most eligible bachelor is insisting she hang on to the property. He may be one of the hottest, grumpiest men she's ever seen, but Nola has no time to pine over her high school crush. All woodworker Tanner Dean wants for Christmas is some peace and quiet, but that's not going to happen with infuriating, irresistible Nola Bennett back in town. How can he persuade her to keep The Castle out of the hands of greedy developers when sizzling attraction flares every time they're together? And the more time he spends with Nola, the harder it becomes to picture a future without her—unless he can convince her, once and for all, that Heart Lake is exactly where she belongs. Includes the bonus novella *The Christmas Wish* by Melinda Curtis!

**Good Works!** Simon and Schuster

Lansdale shows himself at the top of his form in this varied collection with something to suit every reader's taste.

**Yellow Dog** All Due Respect, an imprint of Down & Out Books 2016 Book Excellence Award Winner 2015 Global Ebook Award Winner 2015 Beverly Hills Book Award Finalist When newlywed actress Sylva Kelegian shows up at a Manhattan veterinary clinic to walk a rescue dog, a strawberry blonde puppy stumbles down the stairs and into her heart – opening it to the plight of hurt and abandoned dogs everywhere. After a move to Los Angeles with her actor husband, Sylva finds her marriage and burgeoning career challenged by the dramas of good and evil, darkness and light, played out every day in the streets, backyards, and homes of rich and poor pet owners alike. **GOD SPELLED BACKWARDS** traces Sylva's journey from reluctant New York dog adopter to passionate animal rescuer in Hollywood. Her story reveals what one determined woman can accomplish in the hope that, one day, man's best friend will be treated as such.
