Rockridge Press
Moment of Truth When Rosa Parks was growing up in Montgomery, Alabama, she hated the unfair rules that black people had to live by -- like drinking out of special water fountains and riding in the back of the bus. Years later, Rosa Parks changed the lives of African American in Montgomery -- and all across America -- with one courageous act. On a December evening in 1955, Rosa Parks refused

to give up her bus seat to a white passenger. She was arrested and put in jail. But Rosa Parks fought back, along with many other African Americans. After a long struggle, their heroic efforts launched the modern Civil Rights Movement. How could one quiet, gentle woman have started it all? This is her story.

Wilma Rudolph Aladdin
"Teachers will welcome [this treatment of]...a simple, clear biography of Rosa Parks...The male narrator reads clearly and unemotionally, presenting the facts as Adler reports them...A good addition to collections." - School Library Journal

Rosa Parks Frances
Lincoln Children's Books
Presents the life and accomplishments of the African American woman who was one of the first people to fight segregation.

This board book version of Wilma Rudolph—from the critically acclaimed Little People, BIG DREAMS series—introduces the youngest dreamers to the

incredible life of this remarkable sprinter and Olympic champion. Wilma was born into a family with 22 brothers and sisters, in the segregated South. She contracted polio in her early years and her doctors said she would never walk again. But Wilma persisted with treatment, and she recovered her strength by the age of 12. At school, Wilma showed a talent for basketball and sprinting, earning the nickname "Skeeter" (mosquito) as she ran so fast. Wilma was in college when she went to the 1960 Olympics. She not only won gold in sprint events, but also broke world records with her sprinting skill. She had beaten polio to become an Olympic champion. She is a huge inspiration to many women in sports around the world. Babies and toddlers will love to snuggle as you read to them the engaging story of this fascinating dancer and will also enjoy exploring the stylish and quirky illustrations of this sturdy board book on their own. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to

scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

Turn back the clock with History Comics! In this volume, learn about two brave women who stood up against segregation, setting in motion the Montgomery Bus Boycott! A Black woman who refused to give up her seat on a segregated bus sparked a bus boycott and became part of one of the most iconic moments in American history. Yet, few know that Rosa Parks had actively worked toward social justice her whole life. And even fewer know that the seeds of the statewide bus boycott were first planted by a teenager named Claudette Colvin, who was arrested on similar charges months earlier. Rosa Parks and Claudette Colvin inspired a nation, showing how positive change can start with a single defiant act. Their actions have become the stuff of legend, but there is so much more to their lives, their stories, and the movement they began.

New in the Little People, Big Dreams series, discover the life of Stephen Hawking, the genius physicist and author. When Stephen Hawking was a little boy, he used to stare up at the stars and wonder about

the universe. Although he was never top of the class, his curiosity took him to the best universities in England: Oxford and Cambridge. It also led him to make one of the biggest scientific discoveries of the 20th century: Hawking radiation. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the brilliant physicist's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games,

and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

Rosa Frances Lincoln Children's Books
 "A must-read for young people."—Bryan Stevenson, author of *Just Mercy* Now adapted for readers ages 12 and up, the award-winning biography that examines Rosa Parks's life and 60 years of radical activism and brings the civil rights movement in the North and South to life The basis for the documentary of the same name executive produced by award-winning journalist Soledad O'Brien, now streaming on Peacock A Chicago Public Library's "Best of the Best Books of 2021" Selection · A Kirkus Reviews "Best YA Biography and Memoir of 2021" Selection Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award-winning *The Rebellious Life of Mrs.*

Rosa Parks, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the twentieth century. Theoharis and

Colbert show young people how the national fable of Parks and the civil rights movement—celebrated in schools during Black History Month—has warped what we know about Parks and stripped away the power and substance of the movement. *The Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. *The Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation. *Rosa Parks Stays Seated* Harper Collins
 Finley is upset when one of his friends is called a bad name. When Rosa Parks visits the Sweets Shop, she knows just what to do. Join her as she whisks Finley and Fiona away on a historic journey

of courage. Includes biographical information, comprehension questions, and websites.

Rosa Parks Lincoln Children's Books
Rosa Parks lived her life courageously. She refused to change bus seats because she was African-American. Children will discover the bravery of Rosa Parks during a time of racial segregation.

Rosa Parks First Second
Rosa Parks is not just a lady who stayed seated on a bus. Her life is a relevant, important story that was notable, inspirational, and much-needed both in its time and today. This essential volume introduces young readers to a woman of quiet strength and resilience who did not waver in her convictions and beliefs. For younger readers, this is a rare opportunity to read age-appropriate text that incorporates complex issues using accessible, straightforward, engaging language that they can grasp, connect to, and be motivated by.

The Extraordinary Life of Rosa Parks Lerner Publications
When Parks refused to give up her seat to a white man on an Alabama bus in 1955, she sparked the Civil Rights

Movement.

On the Bus with Rosa Parks: Poems Core Library

A dazzling new collection by the former Poet Laureate of the United States. In these brilliant poems, Rita Dove treats us to a panoply of human endeavor, shot through with the electrifying jazz of her lyric elegance. From the opening sequence, "Cameos", to the civil rights struggle of the final sequence, she explores the intersection of individual fate and history.

Rosa Parks Penguin
This board book version of Rosa Parks—an international bestseller from the highly acclaimed Little People, BIG DREAMS series—introduces the youngest dreamers to the "Mother of the Freedom Movement." Rosa Parks grew up in Alabama, where she learned to stand up for herself at an early age. Rosa went on to become a civil rights activist. In 1955, she refused to give up her seat to a white man on a segregated bus, sparking the Montgomery Bus Boycott. Her courageous decision had a huge impact on civil rights, eventually leading to the end of segregation on public transport. She

never stopped working for equal rights. Babies and toddlers will love to snuggle as you read to them the engaging story of this fascinating icon, and will also enjoy exploring the stylish and quirky illustrations of this sturdy board book on their own. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. History Comics: Rosa Parks & Claudette

Colvin Lerner Publishing Group

Through her heartfelt correspondence with children, Rosa Parks, the Mother of the Modern Day Civil Rights Movement, answers their questions while challenging them to embrace life's possibilities.

Martin Luther King, Jr.

National Geographic Books

On the morning of December 1, 1955, hardly anyone in Rosa Parks' home town of Montgomery, Alabama had heard of her. By the time that night fell, she was on her way to becoming a household name all over the United States. That morning, she had refused to give up her bus seat to a white

person. Rosa, who was African American, was tired of being pushed around because of the color of her skin. The news of her arrest spread like wildfire. African American leaders decided to urge their fellow African Americans not to ride the buses until they were treated equally. It took a year, but the movement that Rosa Parks began ended in triumph.
