CAMACHO MOHAMMED

Confound It St. Martin's Griffin

From Hurston/Wright Legacy Award-winning author Rita Woods, *The Last Dreamwalker* tells the story of two women, separated by nearly two centuries yet inextricably linked by the Gullah-Geechee Islands off the coast of South Carolina—and their connection to a mysterious and extraordinary gift passed from generation to generation. In the wake of her mother's passing, Layla Hurley unexpectedly reconnects with her mother's sisters, women she hasn't been allowed to speak to, or of, in years. Her aunts reveal to Layla that a Gullah-Geechee island off the shore of South Carolina now belongs to her. As Layla digs deeper into her mother's past and the mysterious island's history, she discovers that the terrifying nightmares that have plagued her throughout her life and tainted her relationship with her mother

and all of her family, is actually a power passed down through generations of her Gullah ancestors. She is a Dreamwalker, able to inhabit the dreams of others—and to manipulate them. As Layla uncovers increasingly dark secrets about her family's past, she finds herself thrust into the center of a potentially deadly, decades-old feud fought in the dark corridor of dreams. *The Last Dreamwalker* is a gripping, contemporary read about power and agency; family and legacy; and the ways trauma, secrets, and magic take shape across generations. Dreamwalker is the first spellbinding novel in the new epic fantasy series from J. D. Oswald - *The Ballad of Sir Benfro*. In a small village, miles from the great cities of the Twin Kingdoms, a young boy called Errol tries to find his way in the world. He's an outsider - he looks different from other children and has never known his father. No one, not even himself, has any knowledge of

his true lineage. Deep in the forest, Benfro, the young male dragon begins his training in the subtle arts. Like his mother, Morgwm the Green, he is destined to be a great Mage. No one could imagine that the future of all life in the Twin Kingdoms rests in the hands of these two unlikely heroes. But it is a destiny that will change the lives of boy and dragon forever ... And so begins The Ballad of Sir Benfro - the unputdownable tale of the great dragons returning to the kingdom of men. Breathtakingly compulsive and beautifully written, The Ballad of Sir Benfro is for readers hooked to the world of George R. R. Martin's Game of Thrones and those longing for the next Tolkien film adaptation. Dreamwalker is followed by The Rose Cord and The Golden Cage. J. D.
