Many Christians are concerned with finding God's will for their lives. In this fresh approach to decision-making, Gary Meadors emphasizes that the Bible exhorts followers to "do" God's will, not to "find" it. The Bible is clear on many matters, but how can believers know God's will about issues the Bible does not directly address? Meadors offers Christians an objective procedure for decision-making-one based on scriptural revelation as well as their biblical worldview and set of values. Godly discernment does not depend on subjective criteria. As believers learn to apply God's truth to daily decisions, they will become more reflective and confident, taking ownership in processing life's difficult choices. *Decision-Making God's Way* provides helpful, thought-provoking insight for Christians wanting to know God's plans for their life.

Have you ever wondered what you were created to do? You may think you have an idea, but aren't positive that you are fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew Wommack teaches you how to do just that. Once you find the will of God for your life, then you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life, it allows you to set goals and purposely seek after what God has created you to do. Andrew teaches you that the number one way that we learn to follow God's will is to simply put God first. When you put Him first then the desire of your heart changes to match up with His. Lastly, Andrew teaches how to fulfill the will of God in your life. It's one thing to find God's will and start moving in the right direction, but it's something else to stay at it over the long haul. Anybody can start, but it's the people who finish that really make a difference. Finishing is more important than starting, and it is only through faith and patience that you inherit God's promises.

Many of us do not trust our own thoughts, feelings, and desires when it comes to discerning God’s will. Instead we look outside ourselves to determine what God wants from and for us. In God’s Voice Within, spiritual director Mark E. Thibodeaux, SJ, shows us how to use Ignatian discernment to access our own spiritual intuition and understand that the most trustworthy wisdom of all comes not from outside sources, but from God working through us. God’s Voice Within is intended for people who know that there is more to the spiritual life than they are currently experiencing and are ready to take the next step in their walk of faith by making effective discernment—specifically Ignatian discernment—a daily practice. Ultimately, God’s Voice Within teaches us to discern what is at the root of our actions and emotions, which in turn allows us to respond to God’s promptings inside us rather than unconsciously reacting to life around us.
