This pack contains 30 copies of the Numicon Number, Pattern and Calculating 2 Explorer Progress Book A.  
**Explorers 5 Class Book**  
 OUP Oxford

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.  
*Oxford Discover: 5:*

*Student's Book* OUP Oxford  
 Starter unit introduces the key characters Seven teaching units with 7 lessons in each provide the core material 'Let's Explore' DVD lessons in every unit Cross-curricular content in every unit 'Read More' sections explore the lives of children in other countries Three episodes of the revision story Trotter's Tours Eight pages of Cambridge English: Flyers practice material 'Meet the Explorers' challenge helps review vocabulary

Cambridge University Press

Numicon builds a deep understanding of maths through a multi-sensory approach, developing children's fluency, reasoning and problem-solving. The Numicon

Number, Pattern and Calculating 5 Explorer Progress Books support the activities in the Numicon Number, Pattern and Calculating 5 Teaching Resource Handbook and are a great assessment tool, allowing teachers to gather evidence of children's achievements. The books contain fun and engaging activities for children to complete. Each activity links to a topic from the Teaching Resource Handbook, offering you opportunities to assess individual children's

understandings and to monitor their progress. Children have the freedom to record their answers in their own way, allowing you to see their thinking. The use of real-life contexts allows you to assess children's ability to apply their mathematical learning when faced with "non-routine" problems. The Numicon Number, Pattern and Calculating 5 Explorer Progress Book ABC mixed pack contains 1 copy of : - Numicon Number Pattern and Calculating 5 Explorer Progress Book A -

Numicon Number Pattern and Calculating 5 Explorer Progress Book B -

Numicon Number Pattern and Calculating 5 Explorer Progress Book C.

**Our World 3** Oxford University Press, USA  
The 2nd edition of Oxford Discover builds on its tried and tested methodology, developing 21st Century Skills in critical thinking, communication, collaboration and creativity to prepare students for future success at primary school and beyond. How are

seasons different? Which animals live in the wild? Who makes you happy? Oxford Discover uses "Big Questions" like these to tap into children's natural curiosity and enable them to ask their own questions, find their own answers, and explore the world around them. The course is underpinned by four major 21st Century Skills: critical thinking, communication, collaboration, and creativity ensuring Oxford Discover lays the foundations for success in

the 21st Century. Use with Show and Tell 2nd edition to teach an inquiry-based course from Kindergarten through Primary.

*Oxford Discover: Level 2: Grammar Students Book*  
OUP Oxford

From 1942 until 1944, Anne Frank and her family lived secretly in a few small rooms at the back of her father's office in Amsterdam, never leaving the building. Like many other Jewish families at that time, they were hiding from Hitler's Nazis. While she was in hiding, Anne wrote diaries which

described her secret life, and the loves, hopes, fears and dreams of a teenage girl in extraordinary times. After the war, the diaries became famous around the world. This is the story of the diaries, of Anne Frank's early years, and of her life during and after the time in hiding.
