The Case Manager's Handbook Pearson Education

Examining various methods of debt management used in the US., Handbook of Debt Management, provides a comprehensive analysis of securities offered for sale by municipalities, states, and the federal government. The book covers laws regarding municipal bonds, the economic choice between debt and taxes and the tax-exempt status of municipal bond owners, capital budgeting, including state and local government practices, developing governmental and intergovernmental debt policies, pay-as-you-go with debt financing for capital projects, US Internal Revenue Service regulations on arbitrage in state and local government debt proceeds investment, US treasury auctions, and more.

*Top Notch Executive Resumes* Penguin Over the course of twenty years and across three editions, this text has approached case management as both an art and a science by providing students and practitioners with the

basics of case management theory, skills, and applications. This fourth edition, which focuses on both the social work and nursing professions, offers trainers, instructors, and students detailed information about how case management is delivered, major issues encountered in practice, how services are affected by different populations, and the unique skills that are required by case managers in order to be effective. Chapter exercises and numerous case examples help readers practice some of the skills associated with the content offered. Case Management is unique in that it brings together the major professions that conduct case management in the United States. It is focused on skill learning more than on theory, and discusses not only the importance of case management in the current social work and medical milieu, but also the challenges that case managers face in helping clients. In addition, the text offers a model for integrated case management between professions and in numerous settings, including nursing centers, community mental health facilities, and criminal justice centers.

Ask a Manager Macmillan

The Wall Street Professional's Survival Guide: The Secrets of a Career Coach is the only complete, up-to-date, and practical guide for financial industry professionals seeking new or better jobs in today's brutally competitive environment. Author Roy Cohen spent more than 10 years providing outplacement services to Goldman Sachs' employees. In this book, he shares finance-specific job-hunting insights you simply won't find anywhere else. Drawing on his immense experience helping financial industry professionals find and keep outstanding positions, Cohen tells you what to do when and if you're fired (or ready to move), how to develop a "game plan" and search targets, how to build your "story", how to move from the sell-side to the buy side, and much more. You'll find industry-specific guidance on interview strategy, resumes, follow-up, references, and even negotiation with real examples drawn from Cohen's own practice.

The Google Resume PREP Publishing

This is the most comprehensive book of its kind and a superb reference for any social worker. Updated to respond to changes in the job market and the profession since the best-selling first edition, this unique handbook addresses in detail the career management and job search needs of social workers, including self-assessment exercises, strategies for researching the job market and networking, details on curriculum vitae and portfolios; tips on selecting master's and doctoral programmes, and much more.

Case Management John Wiley & Sons

Be the girl who makes it happen! Guess what? If you're not looking out for your career then nobody is. If you want to be both passionate about what you do and successful, then you must take control of your professional destiny. Only you can determine who you are, what you can do, and where you want to go. If you are stuck in your career, frustrated at your position within a company, or bored with the profession you have chosen, then it is time to change your thinking. This book will hold your hand while you step back and evaluate where you started, where you are on your career path today, and most important, where you want to be tomorrow. Tired of your current job? Ready for the next steps? Eager to show the world everything you have to offer? Caitlin Friedman and Kimberly Yorio see it all the time: women derailing their careers because they believe that if they just sit quietly, work hard, and please their coworkers, someone upstairs will recognize their talents and dedication and deliver big rewards. But in today's ultra-competitive workplace, nothing could be further from the truth. If you want your dream job with your dream salary, and all the opportunities and fulfillment that come with it, you have to stand up and go for it--without shame, guilt, or hesitation!

The Girls' Guide to Kicking Your Career into Gear gives you everything you need to decide what you want out of work and create a plan to make it happen. From how to negotiate a raise or a promotion to starting a new profession, Friedman and Yorio provide savvy, reassuring advice on how to successfully navigate every aspect of your career. Their sure-fire tools will show you how to: Sell yourself (without selling out) Master the secrets of the New Girls Network "Manage upward" to impress the right people, the right way Overcome the fears—from public speaking to risk-taking—that hold you back Cope with workplace underminers Ask for what you deserve Fight the stereotypes that often keep women from moving up Based on interviews with more than 100 successful women who have shattered the glass ceiling and made great professional strides, *The Girl's Guide to Kicking Your Career into Gear* is your ticket to taking charge of your career once and for all – and getting where you want to go.

From the creator of the popular website

Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our

workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By* and *Get Your Financial Life Together*

*Resumes and Cover Letters for Managers*  
Simon and Schuster

*Real Communication* uses stories from real people and the world around us to present the best and most lively introduction to communication concepts. Professors and students alike have fallen in love with *Real Communication's* down-to-earth writing style, its coverage of research, and its wealth of learning and teaching tools. They also appreciate how *Real Communication* strives to weave the discipline's different strands together with the CONNECT feature that shows students how concepts work and apply across interpersonal, small group, and public speaking contexts. The Second Edition is even better with a broader array of engaging examples, new coverage of hot topics in the field like Intercultural and mediated communication, plus a public speaking unit honed to provide the essential information students need for this fast-paced course. Whether you want a traditional paperback, an e-Book — online or downloadable to a device — a looseleaf edition, or the book within the new HumanCommClass, *Real Communication* has an option for you. Read the preface.

*JUMPSTART YOUR CAREER The Nuts and Bolts for Entering the Workforce* for the first time. The book is not only designed to provide help for the "Nephrite" job seeker looking for employment, but provides training and information to help you keep your job, and get along with others, as well as advance once the job seeker get hired and more. The book is to be used as a tool in the same way one would have used my first book: 7,001 RESUMES - The Job Search Workbook. As in my first book *JUMPSTART YOUR CAREER* starts out with the basic orientation information and then moves to areas such as what is the right job for the applicant. As the book moves along the books will explore Developing Interviewing Skills, Personality and Job Success, What to look for as a First Time Job Seeker and more. Traditionally job search books are going to cover how to develop cover letters or letters of application and the various types of resumes and you are going to find this information provided there, But, the books goes on from there, it will provide the job seeker with job sources, an index of Associations, State Employment Agencies, Federal Job Information Centers, Head Hunters, and more This new book also points out many of the responsibilities that come once an individual enters the world of work; Legal Problems at Work, Employer-Employer Relations, Why an Individual should have a Savings Plan, What is a Budget, Handling a Checking account, Planning for Retirement, and much, much more.

**Case Management from an Empowerment Perspective, Fourth Edition** PREP Publishing

A key to advancing professionally is to choose the right industry in which to

work, and if your interests are in any way medically related, you are fortunate career-wise. The medical field is a fast-growing one, and this targeted resume and cover letter book will help you enter this "land of opportunity" or advance in it. A key is to make sure your resume "talks the lingo" of the medical field. Get the book that can show you how to best express and phrase the concepts you want to communicate. Here's a book in which you will find resumes with job titles such as these: director of nursing, medical therapist, nurse's aide, medical doctor (M.D.), nurse practitioner, dental hygienist, cytotechnologist, director of nursing, director of dental surgery, pharmaceutical sales representative, massage therapist, medical administrator, medical supplies coordinator, nursing home administrator, medical office manager, operating room nurse, patient care advocate, orthopedic technician, pharmacy manager, phlebotomist, registered nurse (R.N.), licensed practical nurse (L.P.N.), public health case worker, transcriptionist, veterinary technician, and many more!

The Google Resume is the only book available on how to win a coveted spot at Google, Microsoft, Apple, or other top tech firms. Gayle Laakmann McDowell worked in Google Engineering for three years, where she served on the hiring committee and interviewed over 120 candidates. She interned for Microsoft and Apple, and interviewed with and received offers from ten tech firms. If you're a student, you'll learn what to study and how to prepare while in school, as well as what career paths to consider. If you're a job seeker, you'll get an edge on your competition by learning about hiring procedures and making yourself stand out from other candidates. Covers key concerns like what to major in, which extra-curriculars and other experiences look good, how to apply, how to design and tailor your resume, how to prepare for and excel in the interview, and much more. Author was on Google's hiring committee; interned at Microsoft and Apple; has received job offers from more than 10 tech firms; and runs CareerCup.com, a site devoted to tech jobs. Get the only comprehensive guide to working at some of America's most dynamic, innovative, and well-paying tech companies with The Google Resume.
