The Man's Guide to Women Penguin UK
1910. Pownal, Vermont. At 12, Grace

and her best friend Arthur must leave school and go to work as a “doffers” on their mothers’ looms in the mill. Grace’s mother is the best worker, fast and powerful, and Grace desperately wants to help her. But she’s left handed and doffing is a right-handed job. Grace’s every mistake costs her mother, and the family. She only feels capable on Sundays, when she and Arthur receive special lessons from their teacher. Together they write a secret letter to the Child Labor Board about underage children working in Pownal. A few weeks later a man with a camera shows up. It is the famous reformer Lewis Hine, undercover, collecting evidence for the Child Labor Board. Grace’s brief acquaintance with Hine and the photos he takes of her are a gift that changes

her sense of herself, her future, and her family’s future.

Midnight in the Garden of Good and Evil John Wiley & Sons

In 1988, a retired schoolteacher named Pius Fernandes receives an old diary found in the back room of an East African shop. Written in 1913 by a British colonial administrator, the diary captivates Fernandes, who begins to research the coded history he encounters in its terse, laconic entries.

What he uncovers is a story of forbidden liaisons and simmering vengeance, family secrets and cultural exiles--a story that leads him on an investigative journey through his own past and Africa's.

About Face Penguin

By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the

world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this long-awaited memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.

The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will

fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

The biography of a mathematical genius. Paul Erdos was the most prolific pure mathematician in history and, arguably, the strangest too. 'A mathematical genius of the first order, Paul Erdos was totally obsessed with his subject -- he thought and wrote mathematics for

nineteen hours a day until he died. He travelled constantly, living out of a plastic bag and had no interest in food, sex, companionship, art -- all that is usually indispensable to a human life. Paul Hoffman, in this marvellous biography, gives us a vivid and strangely moving portrait of this singular creature, one that brings out not only Erdos's genius and his oddness, but his warmth and sense of fun, the joyfulness of his strange life.' Oliver Sacks For six decades Erdos had no job, no hobbies, no wife, no home; he never learnt to cook, do laundry, drive a car and died a virgin. Instead he travelled the world with his mother in tow, arriving at the doorstep of esteemed mathematicians declaring 'My brain is open'. He travelled until his death at 83, racing across four

continents to prove as many theorems as possible, fuelled by a diet of espresso and amphetamines. With more than 1,500 papers written or co-written, Involved Rodale Books

The Educated Mind offers a bold and revitalizing new vision for today's uncertain educational system. Kieran Egan reconceives education, taking into account how we learn. He proposes the use of particular "intellectual tools"—such as language or literacy—that shape how we make sense of the world. These mediating tools generate successive kinds of understanding: somatic, mythic, romantic, philosophical, and ironic. Egan's account concludes with practical proposals for how teaching and curriculum can be changed to reflect the

way children learn. "A carefully argued and readable book. . . . Egan proposes a radical change of approach for the whole process of education. . . . There is much in this book to interest and excite those who discuss, research or deliver education."—Ann Fullick, *New Scientist* "A compelling vision for today's uncertain educational system."—*Library Journal* "Almost anyone involved at any level or in any part of the education system will find this a fascinating book to read."—Dr. Richard Fox, *British Journal of Educational Psychology* "A fascinating and provocative study of cultural and linguistic history, and of how various kinds of understanding that can be distinguished in that history are recapitulated in the developing minds of children."—Jonty Driver, *New York Times*

The Secret Place Penguin

Winner of the UK's Richard & Judy Search for a Bestseller Competition, this page-turning debut novel follows an orphan whose late, beloved best friend bequeaths her a treasure hunt that leads

her all over Victorian England and finally to the one secret her friend never shared. It is 1831 when eight-year-old Aurelia Vennaway finds a naked baby girl abandoned in the snow on the grounds of her aristocratic family's magnificent mansion. Her parents are horrified that she has brought a bastard foundling into the house, but Aurelia convinces them to keep the baby, whom she names Amy Snow. Amy is brought up as a second-class citizen, despised by Vennaways, but she and Aurelia are as close as sisters. When Aurelia dies at the age of twenty-three, she leaves Amy ten pounds, and the Vennaways immediately banish Amy from their home. But Aurelia left her much more. Amy soon receives a packet that contains a rich inheritance and a letter from Aurelia revealing she

had kept secrets from Amy, secrets that she wants Amy to know. From the grave she sends Amy on a treasure hunt from one end of England to the other: a treasure hunt that only Amy can follow. Ultimately, a life-changing discovery awaits...if only Amy can unlock the secret. In the end, Amy escapes the Vennaways, finds true love, and learns her dearest friend's secret, a secret that she will protect for the rest of her life. An abandoned baby, a treasure hunt, a secret. As Amy sets forth on her quest, readers will be swept away by this engrossing gem of a novel—the wonderful debut by newcomer Tracy Rees.

NEW YORK TIMES BESTSELLER • A

thrilling tale of secretaries turned spies, of love and duty, and of sacrifice—inspired by the true story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: Doctor Zhivago • A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA typing pool and given the assignment of a lifetime. Her mission: to help smuggle Doctor Zhivago into the USSR, where it is banned, and enable Boris Pasternak's magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her

magnetism and charm to pry secrets out of powerful men. Under Sally's tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. The *Secrets We Kept* combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired *Zhivago's* heroine, Lara—with a narrative about two women empowered to lead lives of extraordinary intrigue and risk. Told with soaring emotional intensity and captivating historical detail, this is an unforgettable debut: a celebration of the powerful belief that a work of art can change the world.

A SWEEPING TALE OF TURN-OF-THE-CENTURY AMERICA AND THE

IRRESISTIBLE FORCES THAT BROUGHT TWO MEN TOGETHER ONE FATEFUL DAY
 In 1901, as America tallied its gains from a period of unprecedented imperial expansion, an assassin's bullet shattered the nation's confidence. The shocking murder of President William McKinley threw into stark relief the emerging new world order of what would come to be known as the American Century. *The President and the Assassin* is the story of the momentous years leading up to that event, and of the very different paths that brought together two of the most compelling figures of the era: President William McKinley and Leon Czolgosz, the anarchist who murdered him. The two men seemed to live in eerily parallel Americas. McKinley was to his contemporaries an enigma, a president

whose conflicted feelings about imperialism reflected the country's own. Under its popular Republican commander-in-chief, the United States was undergoing an uneasy transition from a simple agrarian society to an industrial powerhouse spreading its influence overseas by force of arms. Czolgosz was on the losing end of the economic changes taking place—a first-generation Polish immigrant and factory worker sickened by a government that seemed focused solely on making the rich richer. With a deft narrative hand, journalist Scott Miller chronicles how these two men, each pursuing what he considered the right and honorable path, collided in violence at the 1901 Pan-American Exposition in Buffalo, New York. Along the way, readers meet a

veritable who's who of turn-of-the-century America: John Hay, McKinley's visionary secretary of state, whose diplomatic efforts paved the way for a half century of Western exploitation of China; Emma Goldman, the radical anarchist whose incendiary rhetoric inspired Czolgosz to dare the unthinkable; and Theodore Roosevelt, the vainglorious vice president whose 1898 charge up San Juan Hill in Cuba is but one of many thrilling military adventures recounted here. Rich with relevance to our own era, *The President and the Assassin* holds a mirror up to a fascinating period of upheaval when the titans of industry grew fat, speculators sought fortune abroad, and desperate souls turned to terrorism in a vain attempt to thwart the juggernaut of

change. Praise for *The President and the Assassin* “[A] panoramic tour de force . . . Miller has a good eye, trained by years of journalism, for telling details and enriching anecdotes.”—The Washington Independent Review of Books “Even without the intrinsic draw of the 1901 presidential assassination that shapes its pages, Scott Miller’s *The President and the Assassin* [is] absorbing reading. . . . What makes the book compelling is [that] so many circumstances and events of the earlier time have parallels in our own.”—The Oregonian “A marvelous work of history, wonderfully written.”—Fareed Zakaria, author of *The Post-American World* “A real triumph.”—BookPage “Fast-moving and richly detailed.”—The Buffalo News “[A] compelling read.”—The Boston Globe

Have you ever met someone and felt like you've known them in a thousand different lifetimes? Lindsay Hall was a high school senior when she and her friend Patty discovered peach schnapps, listened to a past-life hypnosis CD, and got an up-close look at who she once was. And who she used to love. The knowledge of her past life has always haunted Lindsay. As her ex is happy to point out, it's gotten in the way of her relationships too. Even her teenage daughter has politely suggested that she "get the eff over it." Except she didn't say eff. Ren Christopher just wants a quick break before she starts a new job in Paris. She's just extracted herself from a not-brief-enough, drama-filled relationship. A few weeks relaxing and hanging with her old college friend Deb

is just what the doctor ordered. No pressure, no expectations, and

absolutely no drama. Everything is perfect until Lindsay faints at the sight of Ren.
