In their youth,  
Manni and

their brothers,  
Ziggy and

the Flying

one of the  
most popular

The ensuing  
years have,  
however,  
found the  
Jewish  
brothers  
estranged and  
ensconced in  
various  
occupations

as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and

Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they

can strike a bargain with Eisenhower and escape their criminal fates, the Loerbers must employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written and darkly funny, Germania is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's secret plan to live

out his days

remarkably

A new love story from Anna Todd begins with *THE FALLING*, the first novel in a new trilogy (Brightest Stars) from the #1 internationally best-selling author of the *AFTER* series. Twenty-year old Karina is proud of the independent life she is trying to create for herself in Fort Benning, Georgia. A dutiful officer's daughter, supportive sister to a troubled twin brother, and caring friend to her roommate, Elodie, she always puts the needs of others ahead of her own, and prides herself on being a fixer of broken things—whether it's the house she's just bought or the fragmented family she works hard to keep intact. Like anyone who has grown up around an army base, Karina also knows the background noise that follows men and women home from war. And when she meets Kael, a handsome soldier on the cusp of discharge, she's immediately intrigued by his brooding presence and enigmatic silence. As their uncertain and unexpected friendship starts to turn into something more, Karina tries to piece together Kael's story: he is emotionally closed off, recovering

from wounds and other trauma in the aftermath of two deployments in Afghanistan. In her practice as a physical therapist, Karina has a strong desire to help him heal, and though it challenges her many insecurities and anxieties, she has an equally strong desire to trust him. But that trust is fragile, like the preciousness of a soldier's life. It can be gone in an instant. Ultimately

facing a crossroads, Karina and Kael find their relationship will be tested by the one thing that Karina cannot accept, forgive, or understand. Anna Todd's *Brightest Stars* trilogy continues with *THE BURNING* and *THE INFINITE LIGHT OF DUST*, coming soon. **Redeeming Love** W by Wattpad Books Solène Marchand begins an impassioned affair with a member of

Under Barrington’s tutelage, Sera can finally take the School of Continuing Magic entrance exam to become an inspector and find her family. Now if only she could stop her growing attraction to her maddening boss—which is

heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to

become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age

sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”),

Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on

recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair. **If He Had Been with Me** Penguin Love turns deadly in a new heart-pounding thriller from the #1 New York Times bestselling author of *The Cellar* and *The*
