Love and family. War and secrets. Betrayal and redemption. #1 New York Times bestselling author Susan Wiggs returns with a deeply emotional and atmospheric story that spans oceans and decades, from the present-day Delaware shore to the battlefields of WWII France. Widowed by an unspeakable tragedy, Camille Palmer

And it is in the stunning Provençal countryside that they will uncover their family's surprising history. While Provence offers answers about the past, it also holds the key to Camille's future. Along the way, she meets a former naval officer who stirs a passion deep within her — a feeling that she thought she'd never experience again. Somewhere in the vast Library of the Universe, as Natalie thought of it, there was a book that embodied exactly the things she was worrying about. In the wake of a shocking tragedy, Natalie Harper inherits her mother's charming but financially strapped bookshop in San Francisco. She also becomes caretaker for her ailing grandfather Andrew, her only living relative—not counting her scoundrel father. But the gruff, deeply kind Andrew has begun displaying signs of decline. There's only one problem—Grandpa Andrew owns the building and refuses to sell. Natalie adores her grandfather; she'll do whatever it takes to make his final years happy. Besides, she loves the store and its books provide welcome solace for her overwhelming grief. After she moves into the small studio apartment above the shop, Natalie carries out her grandfather's request and hires contractor Peach Gallagher to do the necessary and ongoing

repairs. His young daughter, Dorothy, also becomes a regular at the store, and she and Natalie begin reading together while Peach works. "A classic beauty-and-the-beast love story that will stay in your heart long after you've turned the last page." —Kristin Hannah, #1 New York Times–bestselling author *Once*, the sea took everything he loved . . . Jesse Morgan is a man hiding from the pain of his past, a man who has vowed never to give his heart again. Keeper of a remote lighthouse along a rocky and dangerous coast, he has locked himself away from everything but his bitter memories. Now, the sea has given him a second chance. A beautiful stranger washes ashore, the sole survivor of a shipwreck. Penniless and pregnant, Mary

Dare is a woman who carries painful memories of her own. With laughter, hope and joy, Mary and her child bring light into the dark corners of Jesse's world. But when their friendship turns to passion and passion becomes love, secrets from the past threaten to take it all away. "With mythic styling, Wiggs creates a tempest-tossed, illiterate, pregnant young Irishwoman, Mary Dare, who will teach Jesse that life is for friendship, forgiveness and compassion." —Publishers Weekly *The Summer Wind* HarperCollins UK "You might think that dancing doesn't have a lot to do with social research, and doing social research is probably why you picked this book up in the first place. But trust me. Salsa dancing is a practice as well as a metaphor for a kind of research that will make your life easier and better." Savvy, witty, and sensible, this unique book is both a handbook for defining and completing a research project, and an astute introduction to the neglected history and changeable philosophy of modern social science. In this volume, Kristin Luker guides novice researchers in: knowing the difference between an area of interest and a research topic; defining the

relevant parts of a potentially infinite research literature; mastering sampling, operationalization, and generalization; understanding which research methods best answer your questions; beating writer's block. Most important, she shows how friendships, non-academic interests, and even salsa dancing can make for a better researcher. "You know about setting the kitchen timer and writing for only an hour, or only 15 minutes if you are feeling particularly anxious. I wrote a fairly large part of this book feeling exactly like that. If I can write an entire book 15 minutes at a time, so can you."
