In 1962, Mother Earth sent fourteen-year-old Xander Gadeski to a small village in Upstate New York to uncover the truth behind the suspicious death of a Seneca girl, Pretty Flower. At least, that's what Pretty's girlfriend, Phaedra Cooper, comes to believe when she meets the minor seminarian at Pretty's grave. She notices an odd connection between Xander and Skagedi, an ancient Seneca legend, who used an array of unusual powers, including splitting himself in half, to defeat evildoers. The relationship between this naive boy, sheltered by a close Polish Catholic family, and a girl nurtured by her Seneca culture yet isolated on the fringe of white entitlement and intolerance forms the heart of the story in Paul Drisgula's debut coming-of-age mystery novel. Xander is an unlikely and unwilling recruit to Phaedra's cause. His father, Sary, just died. His immature brain still can't wrap itself around God letting the Dodgers slip out of Brooklyn. Before meeting Phaedra, he is bullied continually and suffers a vicious sexual assault at his new school. The supernatural and natural worlds flow together like hot and cold from a tap as Phaedra and Xander forge an uneasy alliance to disprove the findings of the village police that Pretty's death was a suicide. Phaedra suspects boys from Xander's school murdered the love of her life. Pretty Flower communicates with the two amateur detectives through dreams as they forge a dangerous plan climaxing in an outdoor trial on the bridge where death found Pretty Flower and where Xander must use his new powers if he's to avoid a similar fate. In Drisgula's novel, Xander tells his own story, often with a lighter touch, softening some of its harsher themes by unmasking the dark humor skulking in the shadows behind forbidden sex, bullying, death, rape, murder, and sin.

The New Believer's Bible Commentary is an easy to read study guide designed for people who did not grow up in the church and

the people who minister to them. It provides background information needed to fully understand scripture, and emphasizes what this means in a person's life. In Joshua - Job we see how we are to live through tough times. Real life stories are included to make the events easier to apply to one's own life. Older Christians may enjoy this too, as it is a comfortable reminder of why you believe, as well as a chance to revisit old friends. The book shows people in a very human light that one can relate to and identify with, helping us to understand how we should, and should not behave, and what faith truly is.

In *A Feast of Creatures*, Craig Williamson recasts nearly one hundred Old English riddles of the Exeter Book into a modern verse mode that yokes the cadences of Aelfric with the sprung rhythm of Gerard Manley Hopkins. Like the early English riddlers before him, Williamson gives voice to the nightingale, plow, ox, phallic onion, and storm-wind. In lean and taut language he offers us mead disguised as a mighty wrestler, the sword as a celibate thane, the silver wine-cup as a seductress, the horn transformed from head-warrior to ink-belly or battle-singer. In his notes and commentary he gives us possible and probable solutions, sources, and analogues, a shrewd sense of literary play, and traces the literary and cultural contexts in which each riddle may be viewed. In his introduction, Williamson traces for us the history of riddles and riddle scholarship.

Volume III of the "Spirituality and Ethics in Education" series bring together textual, empirical and pedagogical approaches to enriching spiritual education as a significant multi-disciplinary and cross-curricular influence in the modern world. The chapters presented have been selected from international contributions presented at the 3rd International Conference on Spiritual Education. The writers include prominent international researchers in the discipline from the UK, the United States, Canada, Australia and China. The strengths of the book lie in its international appeal, research-based orientation, and interdisciplinary character. The book will be the first coherent presentation of spiritual education as a distinctive field of academic enquiry in its own right.

Norse Mythology explores the magical myths and legends of Norway, Sweden, Denmark, Iceland and Viking-Age Greenland and outlines the way the prehistoric tales and beliefs from these regions that have remained embedded in the imagination of the world. The book begins with an Introduction that helps put Scandinavian mythology in place in history, followed by a chapter that explains the meaning of mythic time, and a third section that presents in-depth explanations of each mythological term. These fascinating entries identify particular deities and giants, as well as the places where they dwell and the varied and wily means by which they forge their existence and battle one another. We meet Thor, one of the most powerful gods, who specializes in killing giants using a hammer made for him by dwarfs, not to mention myriad trolls, ogres, humans and strange animals. We learn of the ongoing struggle between the gods, who create the cosmos, and the jötnar, or giants, who aim to destroy it. In the enchanted world where this mythology takes place, we encounter turbulent rivers, majestic mountains, dense forests, storms, fierce winters, eagles, ravens, salmon and snakes in a landscape closely resembling Scandinavia. Beings travel on ships and on horseback; they eat slaughtered meat and drink mead. Spanning from the inception of the universe and the birth of human beings to the universe's destruction and the mythic future, these sparkling tales of creation and destruction, death and rebirth, gods and heroes will entertain readers and offer insight into the relationship between Scandinavian myth, history, and culture.

"How can we possibly get a troll maiden to kiss one of us?" asked Edgar in despair. "It would be hard enough if we still wore the form of men, but in this shape it would be simple folly." Possessed by a curse that turned them into goats, three brothers set out to the land of Trolls. They are on a quest for a maiden's kiss, which will return them to their true forms. At the border, they cross a bridge and kill its guardian. Only after this unfortunate incident do they learn that trolls have families, too. How will any of the brothers get a kiss from a maiden when they are now in a blood feud with her kin? And the longer it takes, the more their human identities fade. Will the brothers be doomed to roam as goats forever?

This is a collection of poems by the author of the novel *Purgatorio*. This book of verses harks back to the late Renaissance of Florence and expands into what the poet calls "rarefied tracts of toiling and dreaming." Quotes from Online Book Club (www.OnlineBookClub.org) that reviewed my last book *Purgatorio*. These quotes include: "It is a great book" and "He is a gifted poet". Excerpts from "In the Twilight": "...but the echo of an echo may be heard in a dreamlike flash of a vigorous transcendent wave." "...the moment turns to stone, a monument to rapturous illusion." "...but the willow branch still blooms, and the pond is alive with primeval tunes below the smoke of my untimely dreams." "...I feel like singing, undaunted by the twilight of my

fate."

"Dayspring, my dictionary tells me, is an archaic word meaning 'dawn.' But I have chosen Daysprings as the title for this collection of meditations for the several meanings in the ancient word and its components. I hope these brief reflections shed new light on old, familiar passages and illuminate the way through new ones. I also hope these pieces will prove to be springboards

to new and creative meditation for readers, pastors, and preachers, and that they will find within these pieces an extra buoyancy for each day. Lastly, I hope these thoughts will flow like fresh, living waters through days of fast and feast, bringing refreshment. —from the Preface In his accompanying volume to *Brightest and Best: A Companion to the Lesser Feasts and Fasts*, Sam Portaro offers meditations for each of the weekdays for the seasons of Advent, Christmas, Epiphany, Lent, Holy Week, and

Easter. Following the lectionary texts for each day, he focuses on the seasonal themes of incarnation, manifestation, suffering, redemption, and resurrection, showing how the eternal truths of the gospel shed light on the ordinary and extraordinary events of our lives. Solidly grounded in the prayers and scriptures of these seasonal liturgies, Portaro's meditations bring fresh and powerful—sometimes pointed—insights for those who follow the daily readings and prayers of these days of the weeks in the church year as found in *Lesser Feasts and Fasts*.
