MARSHALL HASSAN

Diving & Snorkeling Guide to Raja Ampat & Northeast Indonesia Quercus

Divemaster Boone Fischer thought he had seen it all after spending three years on the island of Bonaire. But on a routine afternoon dive, he spots something that will turn his tranquil life upside down.

Diving Adventure Lonely Planet

A reissue of Willard Price's classic adventure series set in the animal kingdom. Hal and Roger Hunt dive straight into danger on a specimen-collecting trip to Undersea City. But it's not just sharks and killer whales the brothers have to fear when they are plunged into the depths of another adventure. *Southeastern Florida Adventure Guide* Tuttle Publishing

Mexico's Yucatn Peninsula is one of the world's best diving locations. A wide selection of diving and snorkeling adventures and full-color photography throughout make this the perfect guide for all divers, from beginners to experts.

Best Dives of Belize Independently Published

The most detailed guide to the southern Atlantic coast of the Sunshine State a magnet for hundreds of thousands of tourists. The Adventure Guide to Southeast Florida takes you beyond the high-rise condos and urban sprawl to find natural, beautiful South Florida at its best. As with all Adventure Guides, the emphasis is on outdoor activities kayaking, canoeing, deep-sea fishing, scuba diving, turtle- and manatee-watching, and dozens of other ways to have fun. Many sidebar interviews with local experts and guides offer insights on everything from canoeing the Loxahatchee River to swimming with dolphins to seeking out great horned owls! Accommodations, restaurants and sightseeing too. Maps. Adventure Guides are the perfect travel companion for the modern explorer. Whether you're looking to backpack around your home state or boost the number of stamps in your passport by traveling overseas, these books will heighten your travel experience. Our team of knowledgeable authors offers comprehensive introductions that cover history, geography, climate, when to go, transportation, planning and culture. Region-by-region, the books then delve into the heart of the area, with driving tours and side trips to the best museums, historic sites and shops. But the focus is on activities, and you'll learn about the best spots for diving, snorkeling, horseback riding, hiking, biking, rock climbing and more. Extensive listings of recommended tour operators, too. Select places to stay and eat, as well as regional festivals and celebrations. Get soaked by

crashing waves along a deserted beach; canoe through mangroves looking for birds; watch as a yellow-bellied turtle snuggles up to a snoozing gator; or reel in a six-foot sailfish. Interviews with the experts -- scuba divers, sky divers, pilots, fishermen and park rangers -- add local flavor. These useful guides are highly recommended... Library Journal. This guide targets travelers eager to explore the destination. Extensively researched, the focus is on outdoor activities - hiking, biking, rock climbing, horseback riding, parasailing, scuba diving, backpacking, and waterskiing, among others - and all the details you need, including prices, are included. The best local outfitters are listed, along with contact numbers, addresses and recommendations. A comprehensive introductory section provides background on history, geography, climate, culture, when to go, transportation and planning. The guide then takes a region-by-region approach, plunging into the very heart of each area and the adventures offered, giving a full range of accommodations, shopping, restaurants for every budget, and festivals. All books have town and regional maps

Best Dives of the Virgin Islands Pisces Books

Includes: Atlantic (Bahamas, Turks & Caicos, Bermuda, Florida Keys); Caribbean (Barbados, Bonaire, British Virgin Islands, Cayman Islands, Cozumel, Curacao, United States Virgin Islands); Central America (Belize); South America (Brazil); Pacific (Channel Islands Marine Sanctuary, Santa Catalina, Galapagos, Hawaii).

The 50 Best Dives in Hawaii Moon Travel

This guide provides general information on topics such as the geography, history and wildlife of the area, and detailed information specific to the diving conditions of the area; this includes information on the currents, depths and marine life.

Best Dives' Snorkeling Adventures Hunter Publishing, Inc

Planning a dive holiday can involve an enormous undertaking. You need to gather information on all the countries, resorts and dive centres in the world in order to be sure you have chosen the perfect place. You could go on this fact-finding mission yourself or just refer to this book. Each chapter also offers a wealth of cultural and historical information as well as interesting topside excursions. For easy reference, a scuba and snorkelling facilities questionnaire is provided for each region. Filled out by local dive centres, it lists contact information, type of diving, and the best time of the year to visit and more. There is also a honeymoon and anniversary section listing the best resorts and live-abroads for romantic getaways.

Best Dives of the Western Hemisphere Photographics Publishing

Nestled in the eastern Caribbean, Grenada - the largest of a three-island nation that also includes

Carriacou and Petite Martinique - is the most southerly of the Windward Islands and is the gateway to the Grenadines. Renowned for its deep, sheltered harbors, the island has long been a favorite stopover for yachts and cruise ships. St. George's, the capital city, boasts a superb harbor, shaped like a horseshoe, that was formed partially out of the crater of an extinct volcano. The island's perimeter is blessed with 80 miles of white sand beaches. Its coastline stretches out in hundreds of small peninsulas that form numerous sheltered bays and lagoons. Offshore coral reefs are home to huge turtles, stingrays, and tropicals. St. Vincent and the Grenadines, a multi-island nation in the eastern Caribbean, is known to just a few discriminating divers and snorkelers, but sailors have been enjoying her sheltered coves, beautiful beaches and protected harbors for centuries. Based on the classic, *Best Dives of the Caribbean*, this guide zeroes in on the best dives of Grenada, St. Vincent & the Grenadines. It includes the latest and best dive and snorkel sites, each rated for visual excellence and marine life. The author's knowledge of the Caribbean sites is unparalleled. From sunken planes and snorkel trails to blue holes, the best destinations beneath the waves are covered. Also included are places to stay and eat, activities and practical information for visitors. I have bought both editions of this book, mostly because the first edition got so dog-eared that I wanted a clean one for vacation last year. The book is a marvelous source of information for both the snorkeler and the diver. The authors divide the book into chapters on individual islands, starting out with a brief but interesting history of the island, a topographical description, relative location map, best time to go, weather, and proximity to other islands. They then rate the island's diving locations, awarding from 1 to 5 stars, and provide another larger map visually locating the sites. Each site is described in detail, with info on depth, sea life, currents, visibility, photo ops and difficulty level. As if that weren't enough, they include some (but not enough!) beautiful photos, and end each chapter with yet more info on dive operators (detailed), beaches, other activities, dining, accommodations (with rates, addresses and phone numbers), medical facilities, documentation requirements, currency, driving, local customs, departure taxes, etc. I've been exploring the Caribbean for almost a decade now; I take this compact book with me everywhere. My only complaint: I wish they covered more islands! -- (Suziekew). The new, 2006, third edition of *Best Dives of the Caribbean* is packed full of dive-vacation planning information. It tells what time of year to go, the most popular dive sites with details on what to expect, depths, average sea conditions-- I get seasick if it's rough and prefer diving where the sites are ten minutes or less by boat, or better yet accessible from the beach. Indeed, some of the other one-destination guides are more suitable for the coffee table, but they don't tell me anything about the dive resorts, the \$\$ cost. I would not consider planning a dive-vacation to the Caribbean without consulting this gem of a travel guide. The dive resort write ups are detailed and give rates and package deals. Any, the author gives an email for additional questions. -- Janice Brink. Diver-friendly resorts and hotels are featured, along with many recommended outfitters for learning, improving and mastering your diving skills. A list of decompression chambers is given. Landlubbers will appreciate the sightseeing sections. Color photos enhance the text. Maps show dive site locations. A must-have for divers, snorkelers, or those who just love to float in liquid turquoise. -- Brenda Fine, Travel Editor, NY Law Journal

Our Fragile Coral Reefs ABRAMS

The Hawaiian Islands conjure up exotic visions of white sand beaches, blue waters, great scenery

and a friendly and welcoming culture. As the 50th state in the USA, it is unique. And the waters below these islands are also special, with more endemic life than perhaps any dive destination in the world. In this comprehensive book, the first of its kind, we pick the 50 Best Dives in Hawaii and give you the inside information on each fascinating spot. From the best places to see manta rays, sharks, fish schools and odd, rare, tiny critters to the amazing blackwater dives in the inky dark of the night, you'll travel with the pros to experience the cream of the crop in the seas off Hawaii's shores.

Authors Tim Rock and David Fleetham are internationally published photojournalists and authors, with decades of Hawaiian dive experience. Fleetham resides in Maui and works as a professional ocean photojournalist and Rock resides in the western Pacific and makes frequent trips to Hawaiian waters. Their years of experience make this one of the most informative and beautifully illustrated books ever written about Hawaii's undersea resources. The "50 Best Dives" series is for active divers and armchair travelers alike. It takes the reader to not only the popular spots in a region but also some of the lesser dived yet most fascinating spots. This book is a veritable candy store of the finest diving and snorkeling Hawaii has to offer and gives you a great tour of the waters of this special state. Inside: Site Descriptions Approximate Depths Dive Tips Practicalities Islands Reefs Wrecks Critters Endemics Culture

100 Dives of a Lifetime Hunter Publishing, Inc

Dive is a sumptuously illustrated guide to 250 of the best diving destinations the world has to offer. Where can I swim with turtles? How do you get to Stingray City? What is the best time of year to dive with sharks in the Bahamas? Find out in Dive. Packed with stunning pictures of marine life and ancient wrecks, insightful information about local geography and first-hand advice on unmissable dive locations, Dive fully describes over 250 sites spanning the globe--from Maria La Gorda in Cuba, to the atolls of French Polynesia. Lavishly illustrated by one of the world's leading underwater photographers and featuring information about when is best to visit, conditions and visibility underwater as well as specially commissioned maps, this aspirational guide will enable divers--seasoned and novice alike--to plan their adventures around the world with total confidence. Contents include: Northern Sulawesi, South Africa, Cayman Islands, Baja California, Red Sea, Brazil, Scapa Flow, Chuuk Lagoon and many more.

The Unofficial Guide to the World's Best Diving Vacations Hunter Publishing, Inc
