**Annales du
Midi** Harvard
University
Press
Paris. The
name alone
conjures
images of

chestnut-lined
boulevards,
sidewalk
cafés,
breathtaking
façades
around every
corner--in
short, an
exquisite
romanticism
that has
captured the
American
imagination
for as long as
there have
been
Americans. In
1995, Adam
Gopnik, his
wife, and their
infant son left
the familiar
comforts and
hassles of
New York City
for the urbane
glamour of the
City of Light.
Gopnik is a
longtime New

Yorker writer,
and the
magazine has
sent its writers
to Paris for
decades--but
his was above
all a personal
pilgrimage to
the place that
had for so
long been the
undisputed
capital of
everything
cultural and
beautiful. It
was also the
opportunity to
raise a child
who would
know what it
was to romp
in the
Luxembourg
Gardens, to
enjoy a croque
monsieur in a
Left Bank
café--a child
(and perhaps
a father, too)

who would
have a grasp
of that
Parisian sense
of style we
Americans
find so
elusive. So, in
the grand
tradition of
the American
abroad,
Gopnik walked
the paths of
the Tuileries,
enjoyed
philosophical
discussions at
his local
bistro, wrote
as violet
twilight fell on
the
arrondisseme
nts. Of course,
as readers of
Gopnik's
beloved and
award-winning
"Paris
Journals" in
The New

Yorker know, there was also the matter of raising a child and carrying on with day-to-day, not-so-fabled life. Evenings with French intellectuals preceded middle-of-the-night baby feedings; afternoons were filled with trips to the Musée d'Orsay and pinball games; weekday leftovers were eaten while three-star chefs debated a "culinary crisis." As Gopnik describes in this funny and tender book,

the dual processes of navigating a foreign city and becoming a parent are not completely dissimilar journeys--both hold new routines, new languages, a new set of rules by which everyday life is lived. With singular wit and insight, Gopnik weaves the magical with the mundane in a wholly delightful, often hilarious look at what it was to be an American family man in Paris at the end of the

twentieth century. "We went to Paris for a sentimental reeducation-I did anyway-even though the sentiments we were instructed in were not the ones we were expecting to learn, which I believe is why they call it an education." *Europe Green Guide Univ. Press of Mississippi* This essential guide steers you along France's best cycling routes, to the best patisseries, the friendliest places to stay

and the most breathtaking scenery. Find a tour to suit you - a leisurely day trip, a week-long food and wine tour or an epic mountain climb. Including - 135 days of France's best cycling - including Corsica; - on-the-road maintenance tips and a guide to French cycle-speak; - where to eat - from markets to cafes and restaurants; - where to stay - from camping to B&Bs and

chateaux; - what to see and do, in and out of the saddle; - how to pack and transport your bike; - the Tour de France explained.

 Olivier Wieviorka's history of the French Resistance debunks lingering myths and offers fresh insight into social, political, and military

aspects of its operation. He reveals not one but many interlocking homegrown groups often at odds over goals, methods, and leadership. Yet, despite a lack of unity, these fighters braved Nazism without blinking.
