The Distance Between Us Penguin

In January 2008, movie star Patrick Swayze was given the worst news of his life. What he hoped was just a stomach ache was actually stage four pancreatic cancer, a diagnosis that is fatal within a year for 79% of the people to whom it is given. Remarkably, Patrick is not just alive a year later but continuing his treatment, and responding well. But this book isn't just the story of Patrick's fight against cancer. In the public eye from the early 1980s, this is the story of a remarkable life and career. Intended as a low budget, straight-to-video production, *Dirty Dancing* became a cult hit and remains one of the most enduring films of the 80s. Ghost cemented Patrick as a hugely bankable star, in a role that has had a considerable cultural impact. Most recently Patrick has returned to the public's adoring arms in TV's *The Beast*. This book will chronicle Patrick's personal life as well -- including his treatment for alcoholism following the death of his father and sister's sudden death. What has remained a constant in Patrick's life is his marriage and Patrick and Lisa's love story is inspiring, honest, heartfelt and transcends the typical celebrity marriage. This is a book that anyone who has faced cancer or a terminal illness can turn to: Lisa and Patrick have shown the world that cancer isn't just a diagnosis given to one individual, but a disease that can bring a household together or pull a family apart. Bold, honest and inspiring, Patrick Swayze's memoir is the story of a remarkable man's life and career and of his refusal to give in. You Are Enough Oxford Handbooks  
 "An absolutely mesmerizing read. . . . Tana French is simply this: a truly great writer." —Gillian Flynn Read the New York Times bestseller by Tana French, author of the forthcoming novel *The*

Searcher and "the most important crime novelist to emerge in the past 10 years" (The Washington Post). A year ago a boy was found murdered at a girls' boarding school, and the case was never solved. Detective Stephen Moran has been waiting for his chance to join Dublin's Murder Squad when sixteen-year-old Holly Mackey arrives in his office with a photo of the boy with the caption: "I KNOW WHO KILLED HIM." Stephen joins with Detective Antoinette Conway to reopen the case—beneath the watchful eye of Holly's father, fellow detective Frank Mackey. With the clues leading back to Holly's close-knit group of friends, to their rival clique, and to the tangle of relationships that bound them all to the murdered boy, the private underworld of teenage girls turns out to be more mysterious and more dangerous than the detectives imagined.

LAMBDA LITERARY AWARD FINALIST • An audacious and wryly funny coming-of-age story about a pregnant pizza delivery girl who becomes obsessed with one of her customers. Eighteen years old, pregnant, and working as a pizza delivery girl in suburban Los Angeles, our charmingly dysfunctional heroine is deeply lost and in complete denial. She's grieving the death of her father, avoiding her supportive mom and loving boyfriend, and flagrantly ignoring her future. Her world is further upended when she becomes obsessed with Jenny, a stay-at-home mother new to the neighborhood, who comes to depend on weekly deliveries of pickled-covered pizzas for her son's happiness. As one woman looks toward motherhood and the other toward middle age, the relationship between the two begins to blur in strange,

complicated, and ultimately heartbreaking ways.

*Dancing in a Distant Place* Ballantine Books

The late Frank D. Bergstein served in the 29th Division of the U.S. Army from July 1941 until late 1945. He commanded Headquarters Company, 115th Regimental Combat Team, 29th Division, when it landed on Omaha Beach and for the long months of combat after the invasion. He wrote these memoirs in the late 1980s, at the urging of his family and friends. At various times in the past, mostly surrounded by an attentive audience of loved ones and friends, Frank would expound on his wartime experiences. This compilation by him, *Some Reminiscences of World War II*, presents a few of those more poignant memories, revealing observations, and sometimes, caustic comments he was persuaded to put in writing by his family. The work was completed and typed during the period of April 10, 1988, through April 8, 1989. Readers are fortunate that this task was accomplished before his passing, Christmas Eve 2002. The main body of Frank's work is organized into twenty-four consecutive chapters that are focused on his most important memories of that time. He was a warrior in battle, and later, as a successful businessman, inventor, and industrialist, he remained a warrior-- never forgetting the lessons learned during World War II.

*Some Reminiscences of World War II* Anchor

... both fresh and informed, as well as a pleasure to read. --Film Quarterly Since 1982, when this book first appeared, the Hollywood musical has undergone a rebirth, with the rise of teen musicals such as *Dirty Dancing* and *Flashdance*. In a chapter written especially for this second edition of her well-known study, Jane Feuer shows how this new development in the genre relates to important changes in the cinema audience itself. It is the text for the study of Hollywood musicals.

### **Madison County's infamous Gahagan murders** Springer Nature

The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand's provocative novel presents one of the most challenging ideas in all of fiction—that man's ego is the fountainhead of human progress... "A writer of great power. She has a subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly...This is the only novel of ideas written by an American woman that I can recall."—The New York Times

#### *Second Position* THE FANS' LOVE STORY

An impossible decision must be made; no matter the choice lovers will divide. The only real question is whose sacrifice will be for the greater good.

#### *The Fans' Love Story* Simon and Schuster

IF TREES COULD TESTIFY... is a historical mystery novel based on the true story of Madison County's infamous Gahagan murders. The homicides occurred near the Appalachian mountain town of Marshall, North Carolina, known by some as the "Jewel of the Blue Ridge," but known by locals to be "a block wide, a mile long, sky high and hell deep." The French Broad River bisects the town, which harbors both ghosts from Civil War events and the lore of mermaids. On a quiet summer night in 1983, two elderly siblings were tragically murdered in their colonial, Georgian-style home across from Big Laurel Creek. Known for their distrust of banks and having a collection of antiques, gold, and silver coins, it was naturally assumed that robbery was the principal motive for the double homicide. The murders captivated a close-knit rural community for nearly two decades, as the local family roots of the victims dated all the way back to the early 1800s. During the years that followed the senseless tragedy, a time during which the home was boarded up and abandoned, local folks rumored that they had occasionally seen the house lit up like a Christmas tree at night. There were also stories where the ghost of an

elderly woman, walking and swinging a lantern, was reportedly seen along the highway which runs adjacent to the property. Some county residents have further claimed to have seen this apparition standing in a window on the second floor of the home during the time that it was vacant. Suspects came and went as the case investigation spanned three different sheriff administrations. "Who done it" rumors abounded, with theories of involvement ranging from organized crime to outlaw biker gangs to even local family members. Finally, almost eighteen years after the murders, warrants were issued charging a father and two of his sons with having committed the crimes. The defendants maintained their innocence throughout the course of the legal proceedings, which blazed a trail of intrigue with numerous twists and turns along the way. According to Fred Hughes, at the time the publisher and editor of the Madison News-Record and Sentinel, a Hollywood film crew was interested in producing a major motion picture based on the case. As noted in a subsequent editorial, Hughes was "reasonably certain" that the story could have made the silver screen, as it was full of "stranger than life events." This book should be categorized as a fictional mystery novel which is based on the true story of the murders and subsequent prosecution of those accused. Names have been changed to protect the innocent (as well as the potentially guilty), and a haunting tale is told with a focus on the search for justice for both victims and defendants. Colorful characters, including the draft-dodging son of a snake-handling minister, intertwine with more serious undertones as a surprise ending eventually unfolds. The author, William Auman, was the principal defense attorney in the actual case, and provides the reader with a dramatic and informative account of what was otherwise a tragedy to many. [The Time of Our Lives](#) HarperCollins UK

Patrick Swayze, the beloved dancer, actor, singer, songwriter, producer, choreographer, family man, athlete, horseman, and more, had a diversified career in the arts world for over thirty-five years. He often played hero roles in his work and spoke about traditional values such as honor, integrity, morality, passion, faith, and love. He was always searching for meaning in his life and trying to give to others some joy or sense of purpose or meaning. During his hard-fought and inspirational battle against pancreatic cancer, he became a real-life hero to millions of people. Patrick Swayze was taken too soon, but his remarkable spirit and

enormous legacy will always shine bright. Discover how his focus on dreams for himself and others sustained him and guided him to live a zest-filled and hopeful life even while dealing with great adversity. Honor and celebrate Patrick while reading about his career, his connection with his family, and his involvement in advocacy for dance, cancer advances, and conservation. Learn what his professional colleagues and fans have to say about him. Finally, get a look at what I think Patrick would say to us now. Enjoy approximately thirty beautiful color photos throughout the book which include Patrick Swayze from his various movies and television roles, rarely seen photos from appearances, and more. Read Patrick's own words which have been compiled from multiple media sources throughout the years.

Tom Cho's collection of fictions and fantasies is all about morphing and transformation. Through the shape-shifting, we follow the narrator on his surreal adventures, which include dirty dancing with Johnny Castle, a rambunctious encounter with TV's Dr Phil, a job as Whitney Houston's bodyguard and another as a Muppet, a period in service with the von Trapp family in *The Sound of Music*, a totally destructive outing as *Godzilla*, and that high octane performance as a Gulliver-sized cock rock singer, complete with cohort of tiny adoring girls. As these fantasies of identity, sexuality and power ...

One of Amazon's Best Romances of September A 2017 RT Reviewer's Choice Nominee for Best Book of the Year and Reviewer's Choice Nominee for Best Contemporary Love and Laughter She was a naive country girl. He was a billionaire's spoiled son. He was her first crush, her first heartbreak...and now her sworn enemy. As Avalon Harwood's fortunes soared, Maximilian "Mac" Coltrane's plummeted, and he had to fight his way back to where they both began: Hellcat Canyon. Now Mac and Avalon will play dirty—in more ways than one—to get what they each want: the glorious old abandoned Coltrane mansion. But when Avalon snaps the house up at auction, she discovers there's something awfully familiar about the extremely hot caretaker... Mac might have a heart of stone, and the abs to match, but Avalon—the dazzling girl whose heart was always too big and too reckless for her own good—was always his Kryptonite.

And just like that, the stakes change: suddenly they're fighting not just for a house, but for a magic they tasted only once before and never since—long ago, with each other, at Devil's Leap. "Julie Anne Long's books are sexy and adorable!" —New York Times bestselling author Jill Shalvis

Healthcare Ethics on Film Simon and Schuster

Four years ago, a car accident ended Zedekiah Harrow's ballet career and sent Philadelphia Ballet principal dancer Alyona Miller spinning toward the breakdown that suspended her own. What they lost on the side of the road that day can never be replaced, and grief is always harshest under a spotlight... Now twenty-three, Zed teaches music and theatre at a private school in Washington, D.C. and regularly attends AA meetings to keep the pain at bay. Aly has returned to D.C. to live with her mother while trying to recover from the mental and physical breakdown that forced her to take a leave of absence from the ballet world, and her adoring fans. When Zed and Aly run into each other in a coffee shop, it's as if no time has passed at all. But without the buffer and escape of dance—and with so much lust, anger and heartbreak hanging between them—their renewed connection will either allow them to build the together they never had...or destroy the fragile recoveries they've only started to make. Book One of the District Ballet Company 71,000 words

**Deconstructing Dirty Dancing** Taylor & Francis

This book is a companion to *Clinical Ethics on Film* and deals specifically with the myriad of healthcare ethics dilemmas. While *Clinical Ethics on Film* focuses on bedside ethics dilemmas that affect the healthcare provider-patient relationship, *Healthcare Ethics on Film* provides a wider lens on ethics dilemmas that interfere with healthcare delivery, such as healthcare access, discrimination, organizational ethics, or resource allocation. The book features detailed and comprehensive chapters on the Tuskegee Study, AIDS, medical assistance in dying, the U.S. healthcare system, reproductive justice, transplant ethics, pandemic ethics and more. *Healthcare Ethics on Film* is the perfect tool for remote or live teaching. It's designed for medical educators and healthcare professionals teaching any aspect of bioethics, healthcare ethics or the health sciences, including medical humanities, history of medicine and health law. It is also useful to the crossover market of film buffs and other readers involved in healthcare or bioethics.
