Master the art of double knitting to produce reversible, double-layered, multi-coloured knits. In its simplest form, double knitting is a form of colour work that creates a dual-layered, two-sided fabric, without there being an unattractive or float-ridden 'wrong side'. It is therefore different to any other knitting technique and can mystify novices and experienced knitters alike. Demystifying Double Knitting takes the mystery out of the process with step-by-step explanations of the key techniques, illustrated with detailed photographs. Once the fundamentals are mastered, you can then learn to move beyond basic stocking stitch and introduce texture, shaping and even non-mirrored designs to your work. Whether you're new to the technique or simply want to understand it better, this book offers an accessible introduction to double knitting and a celebration of the creative opportunities it offers.

Be bold and creative and make these patterns your own! Comments From Other Readers "I've made two of the throws from this book and they both turned out great. The instructions were plenty clear enough for me, a barely intermediate knitter. I was able to complete both garments with no help except to look up a couple things in a basic knitting reference book. The instructions at the beginning were a huge help though. Any one of these sweaters or other projects, like the pillows, would make great gifts for the pet owners you know." - Lois (New Brunswick, Canada) "I was a bit hesitant to buy this as I have a cat. Have you ever tried to put a sweater on a cat? Long story short, with mine it doesn't end well and the cat never wore the sweater. I love that this book has more than just clothing options. She was fearless hunter with the duck and has eagerly (for a cat) claimed the snuggly blanket as her new throne to rule the house from. I was happy to find that the patterns were easy to put together and the instructions were straight forward." - Kelli (Ohio, US) Tags: pets, crafts, pet crafts, knitting, crocheting, dog, cat, toys, knit blanket, knit toys, gifts, crochet, crochet 101, beginners, easy patterns, novice crochet, crocheting, one day crochet, learn to crochet, crochet patterns, afghan projects, crochet stitch gallery, easy to crochet, knitting, crochet for

The Book of the Greyhound National Geographic Books
 Women-and men-of all ages are learning how to knit. Knitters, especially the new ones, enjoy easy-to-make projects that can be completed in a short time. Pets are equally popular in our modern society. Pet owners who often indulge their animals with special treats and accessories will like these easy and quick-to-make designer-quality dog sweaters. These projects can be completed in a weekend, an evening, while watching television, or during an airport layover. They are simple enough to be a first knitting project for a beginning knitter. Design variations and embellishments add the personal touch, and can make each design a more challenging project for an experience knitter. Additionally, the small size of the projects in this book makes them ideal to tuck into a purse or tote bag, so that they can be worked on at odd moments during the day when the knitter finds a few free moments.

Bojicic pens a biography of his dog, Niko.

Niko Interweave

The book series is dedicated to the study of the multifaceted dynamics of wordplay as an interface phenomenon. The contributions aim to bring together approaches from various disciplines and present case studies on different communicative settings, including everyday language and literary communication, and thus offer fresh perspectives on wordplay in the context of linguistic innovation, language contact, and speaker-hearer-interaction. La collection vise à analyser la diversité de la dynamique du jeu de mots en tant que phénomène d'interface. Les contributions réunissent les approches de différentes disciplines et présentent des études de cas de situations de communication variées, incluant tant le langage quotidien que la communication littéraire. Ainsi, elles offrent de nouvelles perspectives sur le jeu de mots dans le contexte de l'innovation linguistique, du contact linguistique, et de l'interaction locuteur-interlocuteur.
