EMMALEE GEORGE

The Pleasantries of the Incredible Mulla Nasrudin AuthorHouse
Many countries claim Nasrudin as a native, although few have gone so far as Turkey in exhibiting a 'grave' of the wisest fool who ever lived, and holding an annual Nasrudin Festival. He is the greatest, most intriguing, character of folklore found in any Eastern land. Versions of his back-to-front thinking can be found in Morocco, Egypt and Russia, in Turkey, Greece, Albania and Afghanistan. Since Idries Shah made Nasrudin's genius available to mainstream Western readers three decades ago, people from every walk of life have laughed at and learned from the wise fool's inimitable escapades.

Watermelons, Walnuts, and the Wisdom of Allah, and Other Tales of the Hoca Lethe Press

Nasrudin Hoja was a mullah (teacher) in Turkey. He was a busy man - he worked in a vineyard, gave sermons at the mosque, and was sometimes even a judge. He did all of this with a

nagging wife, a constant stream of uninvited visitors, and many animals. Although Hoja's life wasn't easy, his heart was always light and his observations about life held a witty twist. For instance, when his donkey got lost, his neighbors offered sympathy, but Hoja found the bright side: "Imagine if I were riding the donkey at the time. I'd be lost too!" Though the ten Hoja stories presented by Rina Singh and richly illustrated by Farida Zaman are funny, each one contains such insight into human nature that Sufi teachers use them to illustrate their teachings. Traditional Turkish Hoja stories are much-loved throughout Asia, and Nearly Nonsense brings them to a North American readership sure to enjoy them and, through laughter, to learn from them.

Tales from Nasreddin Hodja Isf Publishing

The jokes of Nasreddin Hodja are told across the world, from Russia to Morocco. In these different countries, his name takes various forms, such as Mulla Nasreddin or Juha, but the stories convey the same witty lessons. His fame caused people from various countries to claim ownership on this legendary character.

Sources indicate that Nasreddin Hodja lived in 13th century Anatolia, in the same era and region as the great Sufi master Jalaladdin Rumi. This book presents a realistic portrait of this historical figure whose name is synonymous with wit and wisdom, using examples and commentary on his jokes.

Mulla Nasrudin, the wise fool of Eastern folklore, holds a special place in Sufi studies. The Sufis, who believe that deep intuition is the only real guide to knowledge, use the humorous stories of Nasrudin's adventures almost like exercises in Eastern thought. The Sufis ask people to choose a few which especially appeal to them, and turn them over in their mind, making them their own. Sufi teaching masters say that in this way a breakthrough into a higher wisdom can be effected. A single story can work on many levels, from great humor to initiating profound thought. Idries Shah's collection of Nasrudin tales is an excellent introduction to Sufi thought and Eastern philosophy.

The Man of Wiles - terrorist or saint? The Man of Wiles (otherwise known as the Master Thief, the Trickster or the Fool) appears in

every hero cycle within classical Arabic literature - proof of this figure's popularity with the audiences of Arab story-tellers. He embodies views acceptable to an otherwise inarticulate part of the population, allowing Islam to be treated in a paradoxical and sometimes humorous light in contrast to conventional piety. And he shares with Odysseus not only his wiles but his function as 'the sacker of cities', redressing the idea that classical Arabic literature is unrelated to anything outside its own borders. The study of this popular form sets out in detail the recorded lives of these Men of Wiles for those to whom the original texts are not available.
