MATHEWS BRONSON

Sun Time Snow Time

St. Martin's Press
 Federico GarcYa Lorca is, with Cervantes, the best known figure in Spanish literature, though his fame owes as much to his murder at the outset of the Spanish Civil War as to his writing. Fifty years on it is the writing both poetry and drama whose quality is being recognised and acclaimed, as recent performances of his plays suggest. Lorca's famous Gypsy Ballads were composed in the 1920s, when his poetic style was evolving from the traditional towards the surrealist. The combination of the ballad's perennial

narrative format with startling and allusive imagery has intrigued readers ever since. Dr Havard argues that the fatalism and tribalism of the gypsy settings relate to Lorca's own subjective dilemma and sexual anxieties, and that they ultimately make a deeply personal statement. The translations are broadly into free verse which aims to preserve the directness and the rhythm of the Spanish original so that the force of the poems may be appreciated by English readers.

Weight of the Heart

Ballantine Books
 Grace Nichols' first collection of poetry for children, *Come on into my Tropical Garden*, was published by A&C Black in 1988. 25 years on, A&C Black is proud to re-release this together with

her second collection, *Give Yourself a Hug*, in a new single-volume edition. The Caribbean rhythms and culture that come through her writing blend with the experience of moving to Britain to make this a truly multicultural collection from one of our foremost poets.

The Escape of Arsene

Lupin Wesleyan University Press
 New York Times and worldwide bestselling author Isabel Allende returns with a sweeping novel that journeys from present-day Brooklyn to Guatemala in the recent past to 1970s Chile and Brazil that offers "a timely message about immigration and the meaning of home" (People). During the biggest Brooklyn snowstorm in living

memory, Richard Bowmaster, a lonely university professor in his sixties, hits the car of Evelyn Ortega, a young undocumented immigrant from Guatemala, and what at first seems an inconvenience takes a more serious turn when Evelyn comes to his house, seeking help. At a loss, the professor asks his tenant, Lucia Maraz, a fellow academic from Chile, for her advice. As these three lives intertwine, each will discover truths about how they have been shaped by the tragedies they witnessed, and Richard and Lucia will find unexpected, long overdue love. Allende returns here to themes that have propelled some of her finest work: political injustice, the art of survival, and the essential nature of—and our need for—love.

Canto General, 50th Anniversary Edition

Createspace Independent Publishing Platform

NEW YORK TIMES

BESTSELLER • From the author of *The House of the Spirits*, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call

home. “One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende’s] long career.”—The New York Times Book Review
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Esquire • Good Housekeeping • Parade
In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: “the long petal of sea and wine and snow.” As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but

they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going.

Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* “Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now.”—J. Courtney Sullivan, author of *Saints for All Occasions* “This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the

greatest love stories are told by time.”—Colum McCann, National Book Award-winning author of *Let the Great World Spin* and *The Voice of Your Soul*. Createspace Independent Publishing Platform

Part human and part robot, private investigator Bruna Husky has been hired to locate a stolen diamond. But as Bruna's leads start to drop dead, her case becomes about much more than a stolen gem--and much more dangerous. Traversing the galaxy, Bruna races against the clock to uncover a nuclear power conspiracy that threatens all sentient beings. Traveling from a distant planet populated by an extreme religious sect to landscapes destroyed by rising sea levels, Bruna tries to solve the puzzle of why so many people around her are suffering from toxic radiation. Meanwhile she must cope with a new love and the knowledge of when she will die, to the exact day. Designed for combat, Bruna can manipulate a plasma gun better than she can navigate matters of the heart. This tale of romance, prejudice, and ecoterrorism makes clear that though the future might appear very different in many ways,

history can't help but repeat itself.

An exploration of Spanish culture in Spain and the Americas traces the social, political, and economic forces that created that culture.

The Buried Mirror

HarperCollins

Soon to be a major series for Amazon Prime . . .

'Red Queen is one of the most extravagantly entertaining novels I've ever read. It's an electrifying serial-killer thriller, fiendishly clever puzzle mystery, and sensitive portrait of a fascinating young woman. I loved every word.' - A.J. Finn, bestselling author of *The Woman in the Window*. You've never met anyone like her . . .

Antonia Scott is special. Very special. She is not a policewoman or a lawyer. She has never wielded a weapon or carried a badge, and yet, she has solved dozens of crimes. But it's been awhile since Antonia left her attic in Madrid. The things she has lost are much more important to her than the things awaiting her outside. She also doesn't receive visitors. That's why she really, really doesn't like it when she hears unknown footsteps

coming up the stairs.

Whoever it is, Antonia is sure that they are coming to look for her. And she likes that even less. Juan Gómez-Jurado's internationally bestselling thriller series has sold more than two million copies to date in Spain alone. Translated by Nick Caistor.

[Fortunata Y Jacinta Dos Historias de Casadas](#)

Amazon Crossing

Fiction. In English translation. Jos Mara Arguedas is one of the few Latin American authors who loved and described his natural surroundings, and he ranks among the greatest writers of any time and place. He saw the beauty of the Peruvian landscape, as well as the grimness of social conditions in the Andes, through the eyes of the Indians who are a part of it. Ernesto, the narrator of *Deep Rivers*, is a child with origins in two worlds. The son of a wandering country lawyer, he is brought up by Indian servants until he enters a Catholic boarding school at age 14. In this urban Spanish environment he is a misfit and a loner. The conflict of the Indian and the Spanish cultures is acted out within him as it was in the life of Arguedas. For

the boy Ernesto, salvation is his world of dreams and memories. While Arguedas poetry was published in Quechua, he invented a language for his novels in which he used native syntax with Spanish vocabulary. This makes translation into other languages extremely difficult, and Frances Horning Barraclough has done a masterful job, winning the 1978 Translation Center Award from Columbia University.

Macanudo #2 was called an indispensable work of comic art by Publishers Weekly. Volume #3 further builds and deepens this strip's charming, surreal world.

Anglais Tle B1/B2 Hit the road! Graphic Arts Books

Told with gripping intensity, *It Would be Night in Caracas* chronicles one woman's desperate battle to survive amid the dangerous, sometimes deadly, turbulence of modern Venezuela and the lengths she must go to secure her future. In Caracas, Venezuela, Adelaida Falcon stands over an open grave. Alone, except for harried

undertakers, she buries her mother—the only family Adelaida has ever known. Numb with grief, Adelaida returns to the apartment they shared. Outside the window that she tapes shut every night—to prevent the tear gas raining down on protesters in the streets from seeping in—When looters masquerading as revolutionaries take over her apartment, Adelaida resists and is beaten up. It is the beginning of a fight for survival in a country that has disintegrated into violence and anarchy, where citizens are increasingly pitted against each other. But as fate would have it, Adelaida is given a gruesome choice that could secure her escape. Filled with riveting twists and turns, and told in a powerful, urgent voice, *It Would Be Night in Caracas* is a chilling reminder of how quickly the world we know can crumble.

Year of the Elephant Anchor

In a remote Ecuadorean river town, an elderly widower—who finds comfort in reading romance novels brought to him by the visiting dentist—joins in the hunt for an enraged ocelot whose cubs were killed by a gold prospector.

The Old Man Who Read Love Stories Bold Type Books

Fuente Ovejuna (C.1613) is the most famous and frequently performed play by the creator of Spanish theatre, Lope de Vega (1562-1635).

Astonishingly for its period, it celebrates the murder in 1476 of a nobleman, the Grand Commander of the Military Order of Calatrava, by the peasants he had oppressed, and their subsequent solidarity under torture. Fuente Ovejuna, however, is less a history lesson or political tract than an optimistic moral fable.

In the Midst of Winter Waveland Press

Now in its fourth edition, *Philosophy: The Classics* is a brisk and invigorating tour through the great books of western philosophy. In his exemplary clear style, Nigel Warburton introduces and assesses thirty-two philosophical classics from Plato's *Republic* to Rawls' *A Theory of Justice*. The fourth edition includes new material on: Montaigne *Essays* Thomas Paine *Rights of Man* R.G. Collingwood *The Principles of Art* Karl Popper *The Open Society*

and Its Enemies Thomas Kuhn The Structure of Scientific Revolutions With a glossary and suggestions for further reading at the end of each chapter, this is an ideal starting point for anyone interested in philosophy.

The Scarlet Plague

HarperVia

Winner of the Pulitzer Prize and the National Book Award, this #1 New York Times bestseller chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South. The basis for the acclaimed original Amazon Prime Video series directed by Barry Jenkins. Cora is a slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the

Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage—and a powerful meditation on the history we all share. Look for Colson Whitehead's bestselling new novel, Harlem Shuffle!

The Little Gipsy Girl

Carroll & Graf Publishers

Is protest broken? Micah

White, co-creator of

Occupy Wall Street, thinks

so. Disruptive tactics have

failed to halt the rise of

Donald Trump.

Movements ranging from Black Lives Matter to environmentalism are leaving activists frustrated. Meanwhile, recent years have witnessed the largest protests in human history. Yet these mass mobilizations no longer change society. Now activism is at a crossroads: innovation or irrelevance. In The End of Protest Micah White heralds the future of activism. Drawing on his unique experience with Occupy Wall Street, a contagious protest that spread to eighty-two countries, White articulates a unified theory of revolution and eight principles of tactical innovation that are destined to catalyze the next generation of social movements. Despite global challenges—catastrophic climate change, economic collapse and the decline of democracy—White finds reason for optimism: the end of protest inaugurates a new era of social change. On the horizon are increasingly sophisticated movements that will emerge in a bid to challenge elections, govern cities and reorient the way we live. Activists will reshape society by forming a global political

party capable of winning elections worldwide. In this provocative playbook, White offers three bold, revolutionary scenarios for harnessing the creativity of people from across the political spectrum. He also shows how social movements are created and how they spread, how materialism limits contemporary activism, and why we must re-conceive protest in timelines of centuries, not days. Rigorous, original and compelling, *The End of Protest* is an exhilarating vision of an all-encompassing revolution of revolution.

Macanudo #3 Hispanic Classics

"London's style is typically lush but his viewpoint is skeptical and dystopian...the story reminds us of the dangers we still court with our careless ways."-The Times
 "Jack London saw this coming. Why didn't we?...To revisit *The Scarlet Plague* during the COVID-19 crisis is to marvel at how much London understood- a century ago-about the challenges we face now."-The Baltimore Sun
The Scarlet Plague (1915) is an early dystopian novel written by Jack London in 1910, serialized in *London Magazine* in 1912, and

finally published as a book in 1915. Set in 2073, sixty years after a pandemic has wiped out most of earth's population, an old man recounts the events of 2013 to his grandsons. He had been a professor of English Literature at the University of California Berkeley, and managed to survive the pandemic by isolating himself in the chemistry facility at the school. Later, he spent years living alone in an empty hotel in Yosemite, until he finally joined a group of rag-tag survivors in San Francisco who called themselves "The Chauffeurs". *The Scarlet Plague* opens at the end of civilization when Professor James Howard Smith is an old man on a beach outside of San Francisco, when he tells his story. The world that he describes has no relation to the post-apocalyptic desolation of 2073, and the culture and civilization that he evokes are met with abject skepticism. Smith is convinced that he is the remaining survivor who can describe how the world existed before it descended into complete barbarism. *The Scarlet Plague* is a harrowing classic of early science fiction that eerily

resonates with the tumultuous events of our own times. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Scarlet Plague* is both modern and readable.

 Neruda's masterpiece epic poem about the history of a continent and its people.

Gateway to Freedom: The Hidden History of the Underground Railroad

Phoemixx Classics Ebooks
 Poetry. Latino/Latina Studies. Bilingual Edition. Translated from the Spanish by Daniel Borzutzky. "I sang the song of the old concrete sheds. It was filled with hundreds of niches, one over the other. There is a country in each one; they're like boys, they're dead." In this landmark poem, written at the height of the Pinochet dictatorship, major Chilean poet Raul Zurita protests with ferocious

invention the
extinguishment of a
generation and the
brutalization of a nation.
Of the role of poetry and
of his own treatment by
the military under this

regime, Zurita has said,
"You see, the only thing
that told me that I wasn't
crazy, that I wasn't living
in a nightmare, was this
file of poems, and then

when they threw them
into the sea, then I
understood exactly what
was happening." This
elegy refuses to be an
elegy, refuses to let the
Disappeared disappear.
