 Brunette Hollister harbors a disturbing secret. He walks around with a bad attitude; he cannot keep a constant relationship, and only allows himself a few friends. He disowned his sister, raped a woman, and sent a man to prison for the rest of his life. He was rude to his woman in front of their friends or in private -A Drunk- he was openly unfaithful, always stoked for the next fight and trust was a word he didn't believe in. So, its no wonder he had a hard time sleeping at night. Oh yeah ... He's the good guy!

 Descending the Spiral Staircase is a vision I encountered during a dream. This is how a simple construction task turns into a murder investigation, stolen bank money, buried storage shed, hidden tunnel, reconstruction of an unused area to a very usable space. John and Marie are the homeowners, one more vision which changes the lives of many people. Open house grand event, brings concern to the family's safety, nosey neighbor, leak to the press about the bank reward, all of this puts many agencies on full alert. The remodeling magazine wants to film the entire event; police and FBI scan guest photos, looking for

unwanted guests. This is not your typical construction project, many twists and turns to the finale. You will tear up and laugh as the characters evolve. This book is inspired through visions and past experiences in the landscape business. I hope you enjoy reading.
