He guided LSU to its first football championship in forty-five years. He turned down countless offers from professional teams to stay with the job he loves. Now Nick Saban reveals the secrets that will help you lead and succeed at work and in life. Excellence doesn't happen overnight. It comes from hard work, consistency, the drive to be the best, and a passion for what you do. Few understand this better than Nick Saban, the hottest college football coach in the game. Now, in *How Good Do You Want to Be?*, Saban shares his winning philosophy for creating and inspiring success. In more than three decades as a player and coach, Saban has learned much about life and leadership, both on the field and off. Working alongside some of the game's legends, including Super Bowl winner Bill Belichick and coaching legend Jerry Glanville, he saw firsthand how great leaders encourage

greatness in others. In this candid, insightful guide, he shares such acquired wisdom as

- Organization, Organization, Organization Create an environment where everybody knows his or her responsibilities—and each is responsible to the entire group.
- Motivate to Dominate Understand the psychology of teams and individuals, and use that knowledge to breed success.
- No Other Way than Right Practice ethics and values—and demand the same from your team.
- Look in the Mirror Maintain an understanding of who you are by knowing your strengths and your weaknesses.

How Good Do You Want to Be? is more than the story of how Nick Saban motivates his staff and players to excel—it is also the memoir of one of America's most successful coaches. Filled with instructive anecdotes and illuminated by never-before-told stories of his life and career, this is a book that challenges and inspires us all to be our best.

Is There Something You Want?

Thomson Brooks/Cole

If you are an executive who has worked long hours, risen to every challenge, and built a strong reputation for yourself, then why haven't you reached the highest levels of leadership? Here's a reality check: Your business achievements and functional skills alone aren't enough to help you get where you want to go. What's likely missing is a skill that the world's best corporate leaders have developed—mastery of the people side of the equation. You must become a leader that others want to work for. How do you do that? Let go of being an expert. Become a leader of experts. If anyone knows what prevents leaders from reaching their full potential, it's author Brenda Bence, who has years of experience coaching senior

executives at the top levels of major corporations worldwide. In *Would YOU Want to Work for YOU?*, she reveals the 15 most damaging people-leadership behaviors that she regularly sees in the workplace and provides you with dozens of tips, tools, and techniques that you can apply immediately to correct them. Packed with real-life case studies from around the globe, this book will help you:

- * Discover where the world's best business leaders focus their energy
- * Get crystal clear about the experience of working with and for you as a leader
- * Uncover the #1 reason for unwanted employee turnover and what to do about it
- * Motivate even your most challenging and underperforming team members
- * Create a winning Executive Leadership Brand—The Trademarked YOU
- * Inspire others to excellence, and fast-track your own career in the process

"Brenda Bence reveals how you can affect the way your people perceive, think, and feel about you so that you can become the boss you really want to be. Read this book—it's about YOU." -- Ken Blanchard, coauthor of *The One Minute Manager* and *TrustWorks!*

The New Art and Science of Pregnancy and Childbirth Rodale
NEW YORK TIMES BESTSELLER • Beloved food writer and social media star Andy Baraghani helps you define and develop your personal cooking style—and become the cook you want to be—in

more than 100 recipes. "This book is full of things I want to make and cook."—Yotam Ottolenghi *ONE OF THE BEST COOKBOOKS OF THE YEAR: Bon Appétit* Andy Baraghani peeled hundreds of onions at *Chez Panisse* as a teenage intern, honed his perfectly balanced salad-making skills at *Estela* in New York, and developed recipes in the test kitchens of *Saveur*, *Tasting Table*, and *Bon Appétit*. It took him all those years to figure out the cook he wanted to be: a cook who is true to his Persian heritage, a fresh-vegetable lover, a citrus superfan, and an always-hungry world traveler. In *The Cook You Want to Be*, Baraghani shows home cooks on how to hone their own cooking styles by teaching the techniques and unexpected flavor combinations that maximize flavor in minimal time. At *Bon Appétit*, Baraghani created a bevy of viral recipes—from *Tahini Ranch* to *Fall-Apart Caramelized Cabbage*—that became household staples. Here, he follows up with more umami-rich dishes, beautiful and restaurant-worthy meals (that take half the time), and well-known dishes recast in utterly delicious ways. Among his debut cookbook's 100 recipes, new surefire hits include *Caramelized Sweet Potatoes with Browned Butter Harissa*; *Sticky, Spicy Basil Shrimp*; and *Tangy Pomegranate-Chicken*. Cooks will find inspiration to riff on, quick meals for hurried weeknights, condiments galore, and memorable meals to impress dinner guests. In essays throughout the book, Baraghani shares convictions (why everyone must make his beloved Persian egg dish, *kuku sabzi*) and lessons to live by (the importance of salting fish before cooking it). *The Cook You Want to Be* is a trove of go-to recipes and knowledge, stunning photographs, and delicious, simple home cooking for modern times.

We've all experienced frustration asking for and getting what we want. It plays out regularly with our partners, children, employers, and businesses we patronize. Sometimes we don't bother to ask for what we want, even when it's perfectly reasonable, thinking it will create hard feelings or spark an argument. Often, it's because we don't think we can succeed in getting what we want. But nothing could be further from the truth. How to Ask for What You Want and Get It: Common Sense Tips That Work will help readers learn how to ask for what they want and get good results. It teaches them how to stay in the game by using the right words. It also shows how to build rapport by using positive body language. The more you know what makes people operate as they do, the better chance you'll have of helping them see things your way. The most important aspect to negotiating anything is getting the other person on your side. That means the person you're asking has to like and respect you enough to do what you want. Most of the advice in this book employs mindfulness techniques. The mindfulness movement helps people live in the moment, speak more effectively to one another, and settle problems peacefully.

Get The Job You Want, Even When No One's Hiring

Success in Medicine

When Avent announced that he was quitting his job to build a specialty nursery, his former horticulture professor begged his student to reconsider, telling him he couldn't possibly make a profit "without doing something illegal." More than ten years and 20 nursery catalogs later, Avent owns a thriving national business with nearly 30 employees. He wrote *So You Want to Start a Nursery* to debunk myths about the ornamental-plants nursery business and what it takes to succeed, whether you're a backyard hobbyist or a wholesale grower. (And he still has a clean arrest record.) Assuming that the reader has some basic knowledge about how plants are grown, Avent focuses on the business and planning concerns of the nursery owner. While recounting humorous stories of his baptism by fire as a beginning nurseryman, Avent also provides a primer on the nursery industry as a whole, with discussions of the merits and disadvantages of retail, wholesale, mail-order, and liner operations, to name just a few. Readers of this book will obtain the tools they need to make a business plan of their own. This book is a must-read for horticulture students, industry insiders, and advanced gardeners who dream of turning their passion for plants into a job they love.

A rich, unforgettable story of three unique women in post-Apartheid South

Africa who are brought together in their darkest time and discover the ways that love can transcend the strictest of boundaries. In a squatter camp on the outskirts of Johannesburg, seventeen-year-old Zodwa lives in desperate poverty, under the shadowy threat of a civil war and a growing AIDS epidemic. Eight months pregnant, Zodwa carefully guards secrets that jeopardize her life. Across the country, wealthy socialite Ruth appears to have everything her heart desires, but it's what she can't have that leads to her breakdown. Meanwhile, in Zaire, a disgraced former nun, Delilah, grapples with a past that refuses to stay buried. When these personal crises send both middle-aged women back to their rural hometown to heal, the discovery of an abandoned newborn baby upends everything, challenging their lifelong beliefs about race, motherhood, and the power of the past. As the mystery surrounding the infant grows, the complicated lives of Zodwa, Ruth, and Delilah become

inextricably linked. What follows is a mesmerizing look at family and identity that asks: How far will the human heart go to protect itself and the ones it loves?
