Loom Knitting Guide and Patterns Wiley

Join the movement! Four million strong and counting, hip, young chicks with sticks are putting a whole new spin on knitting--while turning last fall's *Stitch 'n Bitch: The Knitter's Handbook* into a surprise national bestseller (from *The New York Times* to the *L.A. Times* to *BookSense*) with 215,000 copies in print. So influential is the book that the number of *Stitch 'n Bitch* knitting groups tripled in the past six months--spawning a *Stitch 'n Bitch Nation*. Written by *Stitch 'n Bitch* author Debbie Stoller, *Stitch 'n Bitch Nation* features 50 hip, new, even funkier and more fabulous patterns by *Stitch 'n Bitch* designers, who come from San Francisco to Brooklyn, Chicago to Cambridge to St. Paul, Minnesota. The Om Yoga Mat Bag. Felted Monster Slippers. The London Calling Union Jack Sweater, because even punks get cold in winter. A Double-Duty Shrug. Polka Dot Tankini. That '70s Poncho. The Boob Tube. Spiderweb Capelet. Cabled Newsboy Cap, Chunky Baby Booties and Baby Bunny Hat. And the most ingenious project, a Knit-Your-Own Rock Star doll--with a choice of Joey Ramone or Henry Rollins. All designs are complete with full-color photographs and step-by-step instructions, and are made from sexy, contemporary yarns, including multicolored angora, alpaca, lace, and mohair. Includes the best tips, shortcuts, and techniques from *Stitch 'n Bitchers*, profiles of knitters and their groups, and a how-to refresher on all the stitches used in the book.

Good Housekeeping Rowman & Littlefield

Are you frustrated because you don't have the exact knitting loom listed in the pattern? Are you still trying to find an elusive purple Knifty Knitter Adult Hat Loom? Help is here, my loomy friends! The *GoodKnit Kisses' Knitting Loom Guide* is an essential resource book for loom knitters. This book is loaded with information about knitting looms. It's NOT a "how-to" book that teaches you to loom knit, but it's a tool to help you find the best loom for your project. You can quickly and easily find the loom you're looking for in the intuitive, organized charts. What's Inside? 1. Looms by Brand - Each loom maker has a dedicated list that includes all their looms both current and discontinued. If there is a specific brand you prefer you can check there first to see if they make a loom in the size you need. (Discontinued looms are specially marked so you know they are no longer available.) 2. Loom by Gauge - Loom gauge tells you how big your stitches will be. When you find a pattern but don't have the exact loom the designer used you can look for a loom of the same gauge and peg count. You might be surprised to find that you already have a loom of the correct gauge in your inventory. Both loom gauge and center to center peg measurements are listed in the charts for your convenience. 3. Adjustable Looms - These looms can increase or decrease the number of pegs used when loom knitting in the round. They are great for decreased hat crowns, making multiple sizes of socks and shaping stuffed animals. Adjustable looms are marked in all the charts, but they also have a dedicated section of the book to save you time. 4. Double Knitting Looms - If you love double knitting, this is a must. Now you can find all the looms that can be used to double knit in every gauge from Extra Fine to Jumbo. 5. I also talk about what the looms are made of: Wood vs. Plastic and the pros and cons of both materials. 6. The Loom Gauge Equivalence Chart in the back of the book details the best yarn sizes (both US and UK/Aus sizes) for each loom gauge including the average stitches per inch knitting gauge for each size. I also list the equivalent knitting needles or crochet hooks for each gauge for those that like to convert patterns. Charts include the Gauge, C2C (center to center peg measurement in inches), Brand, Loom Name/Type, Peg count, whether the loom is

adjustable or used for double knitting, and the color of the loom (if plastic) or loom base material. Our goal was to give you as much information about each loom as possible. This is a must-have book for your loom knitting library. Get your copy today and grab one for a fellow loomer. Believe me they'll thank you!
