SAGE ELLEN

Approaches to Teaching Chaucer's Canterbury Tales University of Toronto Press
Beginning with the spectacle of hysteria, moving through the perversions of fetishism, masochism, and sadism, and ending with paranoia and psychosis, this book explores the ways that conflicts with the Oedipal law erupt on the body and in language in Chaucer's Canterbury Tales, for Chaucer's tales are rife with issues of mastery and control that emerge as conflicts not only between authority and experience but also between power and knowledge, word and flesh, rule books and reason, man and woman, same and other – conflicts that erupt in a macabre sprawl of broken bones, dismembered bodies, cut throats, and decapitations. Like the macabre sprawl of conflict in the Canterbury Tales, this book brings together a number of conflicting modes of thinking and writing through the surprising and perhaps disconcerting use of “shadow” chapters that speak to or against the four “central” chapters, creating both dialogue and interruption. [Voice in Later Medieval English Literature](#) Modern Language Association
Engaging answers to common questions on the history, beliefs, practices and what it means to be a Christian. What does it mean to be a Christian? What is the core of the faith? What does it mean to follow the gospel? What is the significance of the rites, rituals, and symbols of Christianity, such as baptism and the crucifix? Who was Jesus Christ and what was His life like? How did Christianity start, spread, and grow? What are the differences—and similarities—between Roman Catholicism, Eastern Orthodoxy, and Protestantism? How did Christianity influence art, architecture, music, and movies? The Handy Christianity Answer Book provides detailed descriptions of the teachings of Jesus, Christian beliefs about Jesus, ceremonies, symbols, rituals, observations, customs, leaders, and organization of the world's largest religion. It clearly and eloquently explains how different Christians think and delves into the richness of the Christian tradition. This engaging, user-friendly primer looks at the significance of the Bible, Jesus, the Apostles, the Trinity, the Eucharist, historical schisms, divisions among different denominations, worship, sacraments, prayer, and much more. This important reference answers nearly 900 questions and offers fun facts that cover Christian history, religious practices, and cultural perspectives, including ... Who is a Christian? Why are there so many different kinds of Christians? Do the Dead Sea Scrolls tell us anything about Jesus? What language did Jesus speak? What are the last words spoken by Jesus? What is the style of the teachings of Jesus? What did Jesus say about loving one's enemies? Did Jesus have brothers? Who was John the Baptist? What are the basic beliefs of Mainline Christians? What is the Nicene Creed? What does Jesus have to do with the way our years are numbered? What is the Christian belief in an immortal soul? Is Heaven up and Hell down? Are there other kinds of angels besides angels and archangels? What is the devil? What were the Crusades? What was the Black Death? Who was Joan of Arc? Why is Martin Luther so important? What was Henry VIII of England's role in changing Christianity? What is the Salvation Army? Who was Pere Jacques Marquette? What are the Gothic cathedrals? Why was the artist Michelangelo important to Christians? Why do most churches have organs? What is the earliest major film about Jesus? What are the Catholic Sacraments? What is the Jesus Seminar? What is the largest statue of Jesus? What is the story behind Our Lady of Guadalupe? This information-rich book also provides a historic timeline, a glossary of commonly used terms, and a bibliography help further exploration of the world's largest religion. A perfect companion for anyone seeking a better understanding of Christianity. *Craft and Anti-craft in Chaucer's Canterbury Tales* Guilford Publications

Chaucer's Debt to the Confessio Amantis Lorenz Educational Press
The main focus of this study is Chaucer's use of the word craft, which in The Canterbury tales

expands beyond mere technical prowess and becomes emblematic of the human predicament, signaling a disjunction between the individual and the world he or she struggles to control through personal expertise and learned tradition. It examines the metaphysics of Chaucer's epistemology and rhetoric and also examines prose and poetry that spans the course of the old and middle English periods, reflecting human beings in the process of growing aware of their personal power to change the circumstances in which they live. The Selected Canterbury Tales: A New Verse Translation W. W. Norton & Company
Best Practices in Adolescent Literacy Instruction, Second Edition Wipf and Stock Publishers
The Decameron - Giovanni Boccaccio - The year is 1348. The Black Death has begun to ravage Europe. Ten young Florentines seven women and three men escape the plague-infested city and retreat to the countryside around Fiesole. At their leisure in this isolated and bucolic setting, they spend ten days telling each other stories of romance, tragedy, comedy, and farce one hundred in all. The result, called by one critic "the greatest short story collection of all time" (Leonard Barkan, Princeton University) is a rich and entertaining celebration of the medley of medieval life. Witty, earthy, and filled with bawdy irreverence, the one hundred stories of The Decameron offer more than simple escapism; they are also a life-affirming balm for trying times. The Decameron is a joyously comic book that has earned its place in world literature not just because it makes us laugh, but more importantly because it shows us how essential laughter is to the human condition. Published on the 700th anniversary of Boccaccio's birth, Wayne A. Rebhorn's new translation of The Decameron introduces a generation of readers to this "rich late-medieval feast" in a "lively, contemporary, American-inflected English" (Stephen Greenblatt, Harvard University) even as it retains the distinctly medieval flavor of Boccaccio's rhetorically expressive prose. An extensive introduction provides useful details about Boccaccio's historical and cultural milieu, the themes and particularities of the text, and the lines of influence flowing into and out of this towering monument of world literature. *Psychological Testing* Createspace Independent Publishing Platform
The classic respected series in a stunning new design. This edition of The Knight's Tale from the highly-respected Selected Tales series includes the full, complete text in the original Middle English, along with an in-depth introduction by A. C. Spearing, detailed notes and a comprehensive glossary.
Eighteenth-century Modernizations from The Canterbury Tales Visible Ink Press
Playing the Canterbury Tales addresses the additions, continuations, and reordering of the Canterbury Tales found in the manuscripts and early printed editions of the Tales. Many modern editions present a specific set of tales in a specific order, and often leave out an entire corpus of continuations and additions. Andrew Higl makes a case for understanding the additions and changes to Chaucer's original open and fragmented work by thinking of them as distinct interactive moves in a game similar to the storytelling game the pilgrims play. Using examples and theories from new media studies, Higl demonstrates that the Tales are best viewed as an "interactive fiction," reshaped by active readers. Readers participated in the ongoing creation and production of the tales by adding new text and rearranging existing text, and through this textual transmission, they introduced new social and literary meaning to the work. This theoretical model and the boundaries between the canonical and apocryphal texts are explored in six case studies: the spurious prologues of the Wife of Bath's Tale, John Lydgate's influence on the Tales, the Northumberland manuscript, the ploughman character, and the Cook's Tale. The Canterbury Tales are a more dynamic and unstable literary work than usually encountered in a modern critical edition.
[The Decameron](#) Cambridge University Press
In The Canterbury Tales, Geoffrey Chaucer asks a basic human question: How do we overcome

tyranny? His answer goes to the heart of a revolutionary way of thinking about the very end of human existence and the nature of created being. His answer, declared performatively over the course of a symbolic pilgrimage, urges the view that humanity has an intrinsic need of grace in order to be itself. In portraying this outlook, Chaucer contributes to what has been called the "palaeo-Christian" understanding of creaturely freedom. Paradoxically, genuine freedom grows out of the dependency of all things upon God. In imaginatively inhabiting this view of reality, Chaucer aligns himself with that other great poet-theologian of the Middle Ages, Dante. Both are true Christian humanists. They recognize in art a fragile opportunity: not to reduce reality to a set of dogmatic propositions but to participate in an ever-deepening mystery. Chaucer effectively calls all would-be members of the pilgrim fellowship that is the church to behave as artists, interpretively responding to God in the finitude of their existence together.
History, Principles, and Applications by Mocktime Publication
An authoritative teacher resource and widely adopted text, this book provides a comprehensive overview of adolescent literacy instruction in the era of the Common Core State Standards (CCSS). Leading educators describe effective practices for motivating diverse learners in grades 5-12, building comprehension of multiple types of texts, integrating literacy and content-area instruction, and teaching English language learners and struggling readers. Case examples, lesson-planning ideas, and end-of-chapter discussion questions and activities enhance the utility of the volume. New to This Edition *Extensive CCSS content incorporated throughout the book. *Chapters on disciplinary literacy, text complexity, and differentiated instruction. *Chapters on academic language, writing instruction, history and English/language arts classrooms, and coaching. "The Renaissance" (1300—1500) provides an overview of the years from the Late Middle Ages through the Renaissance. Special emphasis is given to the natural and political disasters that ravaged 14th-century Europe, as well as the unprecedented intellectual, cultural, and artistic flourishing of the 15th and 16th centuries. The Black Death, The Hundred Years' War, the invention of the printing press, the birth of humanism, and the life of Leonardo da Vinci are among the dramatic events vividly documented in this richly illustrated text. Challenging map exercises and provocative review questions encourage meaningful reflection and historical analysis. Tests and answer keys are included.

Carrington takes the reader on an exploration of English literary heritage by reading small, digestible sections which form an ordered programme. Meet all the major English writers - who they were, what they wrote, their finest work and its significance.
Palamon and Arcite W. W. Norton & Company
Venus' Owne Clerk: Chaucer's Debt to the “Confessio Amantis” will appeal to all those who value a bit of integration of Chaucer and Gower studies. It develops the unusual theme that the Canterbury Tales were signally influenced by John Gower's Confessio Amantis, resulting in a set-up which is entirely different from the one announced in the General Prologue. Lindeboom seeks to show that this results from Gower's call, at the end of his first redaction of the Confessio, for a work similar to his – a testament of love. Much of the argument centres upon the Wife of Bath and the Pardoner, who are shown to follow Gower's lead by both engaging in confessing to all the Seven Deadly Sins while preaching a typically fourteenth-century sermon at the same time. While not beyond speculation at times, the author offers his readers a well-documented and tantalizing glimpse of Chaucer turning away from his original concept for the Canterbury Tales and realigning them along

lines far closer to Gower.

And Their Major Works Western Michigan Univ Medieval

A poetic translation of the classic Arthurian story is an edition in alliterative language and rhyme of the epic confrontation between a young Round Table hero and a green-clad stranger who compels him to meet his destiny at the Green Chapel. Reprint. 20,000 first printing.
