Christmas Every Day (William Dean Howells) The Lost Word (Henry van Dyke) The Nutcracker and the Mouse King (E. T. A. Hoffmann) The Little Match Girl The Elves and the Shoemaker Mother Holle The Star Talers Snow-White The Christmas Hirelings The Blue Carbuncle An Exciting Christmas Eve The Spirit of Christmas... [San Francisco Bay Area Conference on African Literature](#) e-artnow Emplumada is Lorna Dee Cervantes's first book, a collection of poems remarkable for their surface clarity, precision of image, and emotional urgency. Rooted in her Chicana heritage, these poems illuminate the American experience of the last quarter century and, at a time when much of what is merely fashionable in American poetry is recondite and exclusive, Cervantes has the ability to speak to and for a large audience.

"A wonderful introduction the Japanese tradition of jisei, this volume is crammed with exquisite, spontaneous verse and pithy, often hilarious, descriptions of the eccentric and committed monastics who wrote the poems." —Tricycle: The Buddhist Review  
Although the consciousness of death is, in most cultures, very much a part of life, this is perhaps nowhere more true than in Japan, where the approach of death has given rise to a centuries-old tradition of writing jisei, or the "death poem." Such a poem is often written in the very last moments of the poet's life. Hundreds of Japanese death poems, many with a commentary describing the circumstances of the poet's death, have been translated into English here, the vast majority of them for the first time. Yoel Hoffmann explores the attitudes and customs surrounding death in historical and present-day Japan and gives examples of how these have been reflected in the nation's literature in general. The development of writing jisei is then examined—from the longing poems of the early nobility and the more "masculine" verses of the samurai to the satirical death poems of later centuries. Zen Buddhist ideas about death are also described as a preface to the collection of Chinese death poems by Zen monks that are also included. Finally, the last section contains three hundred twenty haiku, some of which have never been assembled before, in English translation and romanized in Japanese.

#### **Song of the Brook** DigiCat

A poetry collection crafted to inspire healing in those tackling mental health issues or to help those closest to them. Paloma is faking it. On the outside, she's A-Okay. She's electrified at work, there is a cadence in her step as she walks her dog, she posts memes on Facebook, and she keeps up with most relationships. Looks can be deceiving, however. Inside, Paloma is just going through the motions, and she feels like things are spiraling out of control. But when things are at their darkest, dawn arrives with clarity and focus, and with it, healing. Paloma learns to value small glimmering moments of joy rather than searching for constant happiness, thus building hope for her future. An electric roadmap to healing and a manifesto for wholeness, Happy, Okay?: Poems about Anxiety, Depression, Hope,

and Survival, is written in a contemporary style reminiscent of Rupi Kaur and Pierre Alex Jeanty. But this poetry book is not simply a narrative spun in verse. It is an invitation to readers to shake off the stigma and silence of mental health and find strength in the only voice that matters: your own. Whether exploring self-care, social anxiety, or anxiety in relationship, in this inspiring and heartwarming book, you will: Understand how to make happiness a decision, even when you don't feel it in your bones Find out how to exercise patience and self-acceptance Attract hope and purpose back into your life If you enjoy poetry books or books like Her, Black Girl Magic, Pillow Thoughts, Milk and Honey, or The Sun and Her Flowers, then you will definitely love this book.

[Renaissance Suppliants](#) Mango Media Inc. Christians are called to minister to people in prison. But most know next to nothing about prisons, the needs of the people in them, or the biblical basis for addressing those needs. Love in a Cauldron of Misery fills that void. This book provides a brief historical perspective that orients the reader and a discussion, mainly in the words of people with real experience, of what prisons and prisoners are really like and why the need for ministry is so great. It then explores the biblical charge for Christians to meet these needs and discusses ways in which they can do so. Love in a Cauldron of Misery is an invaluable resource for any pastor, teacher, or lay-person who is participating in, considering, or just wants to know more about prison ministry.

It argues that scenes of supplication are defining episodes in a literary tradition stretching back to Greco-Roman antiquity, taking us to the heart of fundamental questions of politics and religion, ethics and identity, sexuality and family. As a perennial mode of asymmetrical communication in moments of helplessness and extreme need, supplication speaks to ways that people live together despite grave inequalities. It is a strategy that societies use to regulate and perpetuate themselves, to negotiate conflict, and to manage situations in which relationships threaten to unravel. All the writers discussed here—Vergil, Petrarch, Shakespeare, and Milton—find supplication indispensable for thinking about problems of antagonism, difference, and hierarchy, bringing the aesthetic resources of supplicatory interactions to bear on their unique literary and cultural circumstances. The opening chapters establish a conceptual framework for thinking about

supplication as facilitating transitions between states of feeling and positions of relative status, beginning with Homer and classical literature. Vergil's Aeneid is paradigmatic instance in which literary and social structures of the ancient past are transformed to suit the needs of the present, and supplication becomes a figure for the act of cultural translation. Subsequent chapters take up different aspects of Renaissance supplicatory discourse, showing how postures of humiliation and abjection are appropriated and transformed in erotic poetry, drama, and epic. The book ends with Milton who invests gestures of self-abasement with unexpected dignity.

**Down the Chimney: 100+ Most Treasured Christmas Novels & Stories in One Volume (Illustrated)** IGI Global

Meaningful relationships, genuine connections, and real love: if those are the things this generation of teens-- the Millennial Generation--is crying out for, who can deliver? You can, says Dawson McAllister. Yes, you the parent, you the youth worker, you the teacher--anyone who wants to show teens the real love of Jesus Christ. But if you want to give Millennials what they're looking for, you've got to be willing to meet them on their own turf. And that's not always easy because the Millennial Generation is one of the most skeptical generations in history. You don't have to let them down. Saving the Millennial Generation will help you understand Millennials--what makes them tick and what ticks them off when it comes to school, church, and home. You'll have to earn their trust, but it'll be well worth the effort. Because in the end, you'll build relationships that will bring fruit both today and into all eternity-- for you and for the Millennials.

Bobbie, a thirteen-year old boy, finds a ring. His mother tells him that it's just a piece of brass junk and urges him to throw it away. But he insists on keeping it. That same night, as he is falling asleep, the ring appears and tells him that it has magic powers. And indeed it has. Not only does it save Bobbie's life, but it also helps to turn two 'bad' boys from the 'wrong path' they are on, onto the path of future success. Those boys soon realize that 'good can lead to the very best, while bad can lead to the very worst'. As you turn the pages, you will learn interesting facts of early American history and about the state of California. You will also make many discoveries of America's natural wonders. All this, while the ring, with the help of Bobbie, his sister, and his three trusty friends, help to demolish the magical

powers of the evil magician who makes life miserable for the residents of a small California community.

Love in a Cauldron of Misery Rowman & Littlefield

This book explores the concept of playmaking and activism through three research projects in which culturally and linguistically diverse high school students and young adults created original theatre around the issues that inform their lives and constrain their futures. Each study discussed by the author is considered through the lens of one or more best practices. The outcomes of the playmaking experiences, communicated through detailed ethnographic data and the voices of student participants, make a strong case for using what we already know about teaching to positively impact gross inequities of outcome for culturally and linguistically diverse students. This study will be of great interest to students, scholars, and practitioners in Applied Theatre, Theatre Education, and Art Therapy.
