Leave Letter For Fever

2019-12-05

ROLAND FREDDY

The Journal of the American Medical Association W. W. Norton & Company

The love of science, the science of love--and the struggle to reconcile the two--are the subjects of this remarkable collection, stories and a novella. Interweaving historical and fictional characters, these stories move between past and present as they negotiate the complex territory of ambition, failure, achievement, and shattered dreams.

"Michael Parker has captured a time, place, and sisterhood so perfectly it hurts to turn the last page. A riveting, atmospheric dream of a novel." --Dominic Smith, author of *The Last Painting of Sara de Vos* Set in the hardscrabble landscape of early 1900s Oklahoma, but timeless in its sensibility, *Prairie Fever* traces the intense dynamic between the Stewart sisters: the pragmatic Lorena and the chimerical Elise. The two are bound together not only by their isolation on the prairie but also by their deep emotional reliance on each other. That connection supersedes all else until the arrival of Gus McQueen. When Gus arrives in Lone Wolf, Oklahoma, as a first time teacher, his inexperience is challenged by the wit and ingenuity of the Stewart sisters. Then one impulsive decision and a cataclysmic blizzard trap Elise and her horse on the prairie and forever change the balance of everything between the sisters, and with Gus McQueen. With honesty and poetic intensity and the deadpan humor of Paulette Jiles and Charles Portis, Parker reminds us of the consequences of our choices. Expansive and intimate, this novel tells the story of characters tested as much by life on the prairie as they are by their own churning hearts.

White Coat Fever Good Press

When two women are "accidentally" killed by gas leaks, Sergeant Studer investigates the thinly disguised double murder in Bern and Basel. The trail leads to a geologist dead from a tropical fever in a Moroccan Foreign Legion post and a murky oil deal involving rapacious politicians and their henchmen. With the help of a hashish-induced dream and the common sense of his stay-at-home wife, Studer solves the multiple riddles on offer. But assigning guilt remains an elusive affair. *Fever*, a European crime classic, was first published in 1936. It has been translated into four languages. This is its first publication in English and the third in the Sergeant Studer series published by Bitter Lemon Press.

Stepping back from his critically acclaimed crime genre novels, Roland S. Jefferson's *White Coat Fever* takes the reader on a fascinating trip back in time to the exciting world of the 1960's, when Motown, Jazz and the civil rights movement defined an entire generation. And nowhere was the aspiration of upward mobility more evidenced than on black college campuses where some middle-class black women became obsessed with the idea of marrying doctors. September, a hauntingly attractive civil rights worker who finds both love and brutality in Mississippi jails..... Perry, a brilliant medical student spoiled by good looks and his reputation as the ultimate womanizer... Aiyana, a self-centered predatory social climber determined to marry a doctor at any cost, even if she doesn't love him..... Bennyboy, an idealistic and principled young medical student who shares an illicit past with a girl he once loved..... Here then is Roland S. Jefferson's magnificent, highly imaginative and immensely compelling story of a black cultural lifestyle at a pivotal time in history.....as four young people are plunged into the center of a raging conflict between political idealism and the relentless obsessions about class, color and romantic entitlement. But obsessions, even noble ones, can sometimes go tragically awry.....

Journals of the Legislative Council of the Dominion of New Zealand Harper Collins

Lavishly illustrated and annotated, this first and definitive collection of letters to and from Coward provides a divine portrait of an age, from the Blitz to the Ritz and beyond. The incomparable Noël Coward loved to correspond with friends, enemies, the famous and infamous, the talented and the powerful, including Virginia Woolf, Winston Churchill, Greta Garbo, Laurence Olivier, Katharine Hepburn, Marlene Dietrich, Lawrence of Arabia, Somerset Maugham, and many more. Granted unlimited access to the Coward archive, Barry Day presents many never-published letters and has unearthed new, startling evidence of Coward's wartime work as a spy. Along with 191 rare photographs, these letters bring to life the people and events that shaped the twentieth century—and a remarkable man who made his own indelible mark at the heart of it.

Roman Fever Simon and Schuster

In 1789, Armande, a wet nurse who is known for the mystical qualities of her breast milk, goes missing. Céleste, a cunning servant girl who Armande once saved from shame and starvation, sets out to find her. A snuffbox found in the snow, the unexpected arrival of a gentleman and the discovery of the wet nurse's diary, deepen the mystery. Using Armande's diary as a map to her secret past, Céleste fights to save her from those plotting to steal the wisdom of her milk. *Milk Fever* is a rich and inspired tale set on the eve of the French Revolution—a delicious peek into this age's history. The story explores the fight for women's rights and the rise in clandestine literature laying bare sexuality, the nature of love and the magic of books to transform lives.

Crypt Publication Consultants

A novel made up of one woman's recollections of her youth, including her time as a trainee nurse, her work in a maternity clinic and then in a girl's tyrannical boarding school, and finally her job in Glasgow, where she enters into a love affair with her elderly boss.

The Life and Correspondence of Henry Salt ... Consul General in Egypt Demeter Press

In a long letter to his parents, Stefan gives us an inside story of what it is like to be caught up in the 1890s Gold Rush in Alaska. We must admire the determination of this sensitive, courageous youth to overcome endless obstacles in his pursuit of his dream--gold. He lets us feel the thrill of finding his first gold nugget. Driven by gold fever, he embarks on a series of exciting adventures, from the vast wilderness of Alaska to exotic landscapes in South America, Africa, India, Australia, and back to the Klondike. Although his obsession to find gold develops into greed, his travels have a maturing effect

on the callow youth. After many hardships have ravished his body and frustration of his goal to strike it rich, Stefan responds to the outcry of his neglected soul. Instead of riches he achieves spiritual peace.

A letter to Sir R. Sibbald [in vindication of Dr. Pitcairn]. W. W. Norton & Company

While visiting Rome with their daughters, two middle-aged women reminisce about their romantic rivalry for the dashing Delphin Slade. Although Mrs. Slade admits to falsifying the letter that led to her eventual marriage to Slade, Mrs. Ansley holds her own secret regarding the gentleman. Written by esteemed American author Edith Wharton in 1934, "Roman Fever" was adapted into a play, as well as two operas. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Milk Fever AuthorHouse

"Acute observed...charmingly old-fashioned."--Los Angeles Times In *Italian Fever*, Valerie Martin redefines the Gothic novel in a compelling tale of one woman's headlong tumble into a mystery, art, and eros. Part romance, part gothic suspense story and wholly entertaining, *Italian Fever* is the story of the awakening of Lucy Stark, an American pragmatist. Lucy leads a quiet, solitary life working for a best-selling (but remarkably untalented) writer. When he dies at his villa in Tuscany, Lucy flies to Tuscany to settle his affairs. What begins as a grim chore soon threatens Stark's Emersonian self-reliance--and her very sense of what is real. The villa harbors secrets: a missing manuscript, neighbors whose Byzantine arrogance veils their dark past, a phantom whose nocturnal visits tear a gaping hole in Lucy's well-honed skepticism. And to complicate matters: Massimo, a married man whose tender attentions render Lucy breathless. Smart, sophisticated, achingly beautiful, *Italian Fever* is one of the most original and compelling novels of the year.

Reports from Commissioners Vintage

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight--the fight to stay alive.
